**The next Mountain/Desert Policy Committee meeting is scheduled for August 18, 2017.**

Complete packages of the SBCTA agenda are available for public review at the SBCTA offices and our website: [www.gosbcta.com](http://www.gosbcta.com). Staff reports for items may be made available upon request. For additional information, call (909) 884-8276.

## Meeting Procedures and Rules of Conduct

**Meeting Procedures** - The Ralph M. Brown Act is the state law which guarantees the public's right to attend and participate in meetings of local legislative bodies. These rules have been adopted by the Board of Directors in accordance with the Brown Act, Government Code 54950 et seq., and shall apply at all meetings of the Board of Directors and Policy Committees.

**Accessibility** - The meeting facility is accessible to persons with disabilities. If assistive listening devices or other auxiliary aids or services are needed in order to participate in the public meeting, requests should be made through the Clerk of the Board at least three (3) business days prior to the Board meeting. The Clerk's telephone number is (909) 884-8276 and office is located at 1170 W. 3<sup>rd</sup> Street, 2<sup>nd</sup> Floor, San Bernardino, CA.

**Agendas** – All agendas are posted at 1170 W. 3<sup>rd</sup> Street, 1st Floor, San Bernardino at least 72 hours in advance of the meeting. Staff reports related to agenda items may be reviewed at the SBCTA offices located at 1170 W. 3<sup>rd</sup> Street, 2<sup>nd</sup> Floor, San Bernardino and our website: [www.gosbcta.com](http://www.gosbcta.com).

**Agenda Actions** – Items listed on both the “Consent Calendar” and “Discussion” contain recommended actions. The Board of Directors will generally consider items in the order listed on the agenda. However, items may be considered in any order. New agenda items can be added and action taken by two-thirds vote of the Board of Directors or unanimous vote of members present as provided in the Ralph M. Brown Act Government Code Sec. 54954.2(b).

**Closed Session Agenda Items** – Consideration of closed session items excludes members of the public. These items include issues related to personnel, pending litigation, labor negotiations and real estate negotiations. Prior to each closed session, the Chair will announce the subject matter of the closed session. If action is taken in closed session, the Chair may report the action to the public at the conclusion of the closed session.

**Public Testimony on an Item** – Members of the public are afforded an opportunity to speak on any listed item. Individuals wishing to address the Board of Directors or Policy Committee Members should complete a “Request to Speak” form, provided at the rear of the meeting room, and present it to the Clerk prior to the Board's consideration of the item. A "Request to Speak" form must be completed for each item an individual wishes to speak on. When recognized by the Chair, speakers should be prepared to step forward and announce their name and address for the record. In the interest of facilitating the business of the Board, speakers are limited to three (3) minutes on each item. Additionally, a twelve (12) minute limitation is established for the total amount of time any one individual may address the Board at any one meeting. The Chair or a majority of the Board may establish a different time limit as appropriate, and parties to agenda items shall not be subject to the time limitations. Members of the public requesting information be distributed to the Board of Directors must provide 40 copies of such information in advance of the meeting, except for noticed public hearings. Information provided as public testimony is not read into the record by the Clerk.

The Consent Calendar is considered a single item, thus the three (3) minute rule applies. Consent Calendar items can be pulled at Board member request and will be brought up individually at the specified time in the agenda allowing further public comment on those items.

**Agenda Times** – The Board is concerned that discussion take place in a timely and efficient manner. Agendas may be prepared with estimated times for categorical areas and certain topics to be discussed. These times may vary according to the length of presentation and amount of resulting discussion on agenda items.

**Public Comment** – At the end of the agenda, an opportunity is also provided for members of the public to speak on any subject within the Board’s authority. Matters raised under “Public Comment” may not be acted upon at that meeting. “Public Testimony on any Item” still applies.

**Disruptive or Prohibited Conduct** – If any meeting of the Board is willfully disrupted by a person or by a group of persons so as to render the orderly conduct of the meeting impossible, the Chair may recess the meeting or order the person, group or groups of person willfully disrupting the meeting to leave the meeting or to be removed from the meeting. Disruptive or prohibited conduct includes without limitation addressing the Board without first being recognized, not addressing the subject before the Board, repetitiously addressing the same subject, failing to relinquish the podium when requested to do so, bringing into the meeting any type of object that could be used as a weapon, including without limitation sticks affixed to signs, or otherwise preventing the Board from conducting its meeting in an orderly manner. Your cooperation is appreciated!

## **General Practices for Conducting Meetings of Board of Directors and Policy Committees**

### **Attendance.**

- The Chair of the Board or a Policy Committee (Chair) has the option of taking attendance by Roll Call or Self-Introductions. If attendance is taken by Roll Call, the Clerk of the Board will call out by jurisdiction or supervisorial district. The Member or Alternate will respond by stating his/her name. If attendance is by Self-Introduction, the Member or Alternate will state his/her name and jurisdiction or supervisorial district.
- A Member/Alternate, who arrives after attendance is taken, shall announce his/her name prior to voting on any item.
- A Member/Alternate, who wishes to leave the meeting after attendance is taken but before remaining items are voted on, shall announce his/her name and that he/she is leaving the meeting.

### **Basic Agenda Item Discussion.**

- The Chair announces the agenda item number and states the subject.
- The Chair calls upon the appropriate staff member or Board Member to report on the item.
- The Chair asks members of the Board/Committee if they have any questions or comments on the item. General discussion ensues.
- The Chair calls for public comment based on “Request to Speak” forms which may be submitted.
- Following public comment, the Chair announces that public comment is closed and asks if there is any further discussion by members of the Board/Committee.
- The Chair calls for a motion from members of the Board/Committee.
- Upon a motion, the Chair announces the name of the member who makes the motion. Motions require a second by a member of the Board/Committee. Upon a second, the Chair announces the name of the Member who made the second, and the vote is taken.
- The “aye” votes in favor of the motion shall be made collectively. Any Member who wishes to oppose or abstain from voting on the motion, shall individually and orally state the Member’s “nay” vote or abstention. Members present who do not individually and orally state their “nay” vote or abstention shall be deemed, and reported to the public, to have voted “aye” on the motion.

### **The Vote as specified in the SANBAG Bylaws.**

- Each Member of the Board of Directors shall have one vote. In the absence of the official representative, the alternate shall be entitled to vote. (Board of Directors only.)
- Voting may be either by voice or roll call vote. A roll call vote shall be conducted upon the demand of five official representatives present, or at the discretion of the presiding officer.

### **Amendment or Substitute Motion.**

- Occasionally a Board Member offers a substitute motion before the vote on a previous motion. In instances where there is a motion and a second, the maker of the original motion is asked if he or she would like to amend his or her motion to include the substitution or withdraw the motion on the floor. If the maker of the original motion does not want to amend or withdraw, the substitute motion is voted upon first, and if it fails, then the original motion is considered.
- Occasionally, a motion dies for lack of a second.

**Call for the Question.**

- At times, a Member of the Board/Committee may “Call for the Question.”
- Upon a “Call for the Question,” the Chair may order that the debate stop or may allow for limited further comment to provide clarity on the proceedings.
- Alternatively and at the Chair’s discretion, the Chair may call for a vote of the Board/Committee to determine whether or not debate is stopped.
- The Chair re-states the motion before the Board/Committee and calls for the vote on the item.

**The Chair.**

- At all times, meetings are conducted in accordance with the Chair’s direction.
- These general practices provide guidelines for orderly conduct.
- From time-to-time circumstances require deviation from general practice.
- Deviation from general practice is at the discretion of the Chair.

**Courtesy and Decorum.**

- These general practices provide for business of the Board/Committee to be conducted efficiently, fairly and with full participation.
- It is the responsibility of the Chair and Members to maintain common courtesy and decorum.

**Background:**

Steady progress has been made towards the start of construction on the US 395 Phase I Project (Project). One of the remaining critical path items is right-of-way acquisition. The San Bernardino County Transportation Authority (SBCTA) Board of Directors has authorized the acquisition of property necessary for this Project. Some parcels are being acquired through negotiated sale. The purpose of this agenda item is to present information regarding the upcoming Hearings for Resolutions of Necessity for thirteen (13) properties needed for construction of the Project which have not reached settlement. SBCTA’s right-of-way agent, Epic Land Solutions, Inc. (Epic) presented offers to each property owner. The property owners are:

- Kingsford Street Investors LLC, a California limited liability company;
- Gurkirpa Investment, Inc., a California Corporation;
- The Rock Foundation, LLC;
- Milliard A.R. Gream and LaVonda Gream, Settlers and Trustees of the 1996 Milliard A.R. Gream and LaVonda Gream Revocable Living Trust;
- Capri Mobile Home Park, LLC, a California limited liability company;
- The Roman Catholic Bishop of San Bernardino, a corporation sole;
- Everardo Rodriguez, a married man as his sole and separate property;
- Rex T. Nishimura and Chuie-Wei Yuen, trustees of The RCN3 Trust dated December 13, 2007;
- Haytham Abdelkarim, a married man as his sole and separate property;
- Cindy Marie Morrison, an unmarried woman;
- Byrl Hatch, as Trustee and Ilene E. Hatch (now known as Ilene E. Hatch-Rogers), as Successor Trustee of the “Declaration of Trust of Byrl Hatch and Irene T. Hatch dated November 17, 1984”;
- Southern California Edison, a corporation; and
- PAR International Enterprises, Inc.

Although negotiations are ongoing, dialogue with the property owners for the parcels listed has not yet resulted in settlements, and these parcels need to be acquired through eminent domain which requires compliance with a statutorily-prescribed process. During the eminent domain process, SBCTA's right-of-way agent will continue to negotiate with the property owners and attempt to achieve negotiated sales for the necessary property interests.

SBCTA is authorized to acquire property by eminent domain pursuant to the California Public Utilities Code Sections 130220.5 and 130809(b). Eminent domain will allow SBCTA to obtain legal rights to the properties needed for the Project if a negotiated sale cannot be reached. Since the process takes several months, it is necessary to start this process now to ensure that the property interests are obtained to meet the scheduled start of construction in late 2018.

In order to adopt the Resolutions of Necessity, SBCTA must make the four findings discussed below for each of the parcels. The issue of the amount of just compensation for these property interests is not addressed by these Resolutions of Necessity and is not to be considered at the hearings. The four necessary findings are:

**1. The public interest and necessity require the Project.**

The Project is located in/near Cities of Victorville and Adelanto where if no improvements are made to the highway, the existing and future traffic congestion will not be mitigated. The proposed improvements are necessary to reduce existing and future traffic congestion. The congestion is reduced by increasing capacity and enhanced traffic operations.

The Project includes the following improvements:

- Addition of one 12-foot lane in each direction
- 14-foot median with rumble strip
- Improvements at four intersections
- Widening of Joshua Wash Bridge

On the US 395 Phase I Project, the construction limits extend from Palmdale Road (State Route 18) 5 miles northerly to Chamberlaine Way.

**2. The Project is planned and located in the manner that will be most compatible with the greatest public good and least private injury.**

During the environmental phase of the Project three alternatives were studied. The Project Development Team (PDT) selected this alternative to construct as it included the least right-of-way impacts to the community and relieves congestion, enhancing the operational efficiency and improving access to local services. The proposed design minimizes the property required for the Project, but still requires partial acquisitions, permanent utility easements, permanent maintenance easements and the relinquishment of access rights to the highway in some areas. During the design phase, considerations had been taken that would provide access to adjacent properties where access to those properties would be affected by the Project. Epic Land Solutions, Inc. have also had numerous communications with the property owners about their

needs in order to design the Project in a manner that causes the least private injury while accomplishing the greatest public good through construction of the Project.

### **3. The properties sought to be acquired are necessary for the Project.**

While some of the Project is being constructed within existing right-of-way, some acquisition from the subject properties is needed to allow existing roadbed widening, construction and maintenance of sound walls, construction of drainage systems, and required utility relocations. For the subject properties, the following right-of-way interests are required:

- Kingsford Property: A partial acquisition is needed from the Kingsford Property. The partial acquisition is needed for grading, pavement and the required clear recovery zone.
- Gurkirpa Property: A partial acquisition is needed from the Gurkirpa Property. The partial acquisition is needed for grading, pavement and the required clear recovery zone.
- Rock Foundation, LLC Property: A permanent easement is needed from the Rock Foundation, LLC Property. The permanent easement is needed for the construction and maintenance of a sound wall and appurtenant subsurface structures.
- Gream Property: A permanent easement and access rights are needed from the Gream Property. The permanent easement is needed for the construction and maintenance of a sound wall and appurtenant subsurface structures. Access rights to US-395 are being acquired to prevent direct access from the Gream Property to the improved US-395 facility, which is a controlled access highway. The Gream Property will retain access through Delicious Street.
- Capri Mobile Home Park Property: A permanent easement is needed from the Capri Mobile Home Park Property. The permanent easement is needed for the construction and maintenance of a sound wall and appurtenant subsurface structures.
- Roman Catholic Bishop Property: A permanent easement is needed from the Roman Catholic Bishop Property. The permanent easement is needed for the construction and maintenance of a sound wall and appurtenant subsurface structures.
- Rodriguez Property: A permanent easement is needed from the Rodriguez Property. The permanent easement is needed for the construction and maintenance of a sound wall and appurtenant subsurface structures.
- The RCN3 Trust Property: A permanent easement is needed from The RCN3 Trust Property. The permanent easement is needed for the construction and maintenance of a sound wall and appurtenant subsurface structures.
- Abdelkarim Property: A permanent easement is needed from the Abdelkarim Property. The permanent easement is needed for the construction and maintenance of a sound wall and appurtenant subsurface structures.
- Morrison Property: A permanent easement is needed from the Morrison Property. The permanent easement is needed for the construction and maintenance of a sound wall and appurtenant subsurface structures.

- Hatch Property: A permanent easement is needed from the Hatch Property. The permanent easement is needed for the construction and maintenance of a sound wall and appurtenant subsurface structures.
- Southern California Edison Property: A partial acquisition and access rights are needed from the Southern California Edison Property. The partial acquisition is needed for grading, pavement and the required clear recovery zone. Access rights to US-395 and a portion of Victor Street are being acquired to prevent direct access from the Southern California Edison Property to the improved US-395 facility, which is a controlled access highway. The Southern California Edison Property will retain access through the remainder of its frontage on Victor Street.
- PAR International Enterprises Property. A partial acquisition, utility easement, and access rights are needed from the PAR International Enterprises Property. The partial acquisition is needed for grading, pavement and the required clear recovery zone. The utility easement will allow for the relocation of various utilities to accommodate the widening of US- 395. Access rights to US-395 and a portion of Mojave Drive are being acquired to prevent direct access from the PAR International Enterprises Property to the improved US-395 facility, which is a controlled access highway. The PAR International Enterprises Property will retain access through the remainder of its frontage on Mojave Drive.

**4. Offers required by Section 7267.2 of the Government Code have been made to the owner or owners of record.**

The subject properties were appraised and offers for the full amount of the appraisals were made to the owner or owners of record in accordance with Section 7267.2 of the Government Code.

- The offer for the Kingsford Property was presented on 3/28/2017.
- The offer for the Gurkirpa was presented on 4/13/2017.
- The offer for the Rock Foundation, LLC Property was presented on 3/28/2017.
- The offer for the Gream Property was presented on 4/5/2017.
- The offer for the Capri Mobile Home Park Property was presented on 3/28/2017.
- The offer for the Roman Catholic Bishop Property was presented on 3/31/2017.
- The offer for the Rodriguez Property was presented on 3/28/2017.
- The offer for the RCN3 Trust Property was presented on 3/28/2017.
- The offer for the Abdelkarim Property was presented on 3/31/2017.
- The offer for the Morrison Property was presented on 3/31/2017.
- The offer for the Hatch Property was presented on 3/31/2017.
- The offer for the Southern California Edison Property was presented on 4/20/2017.
- The offer for the PAR International Enterprises Property was presented on 8/17/2016.

Upon completion of the Project, SBCTA will transfer properties acquired for this Project to Caltrans or to the appropriate City for those real property interests that will be incorporated into the State Highway System or the City facility, respectively.

This list provides information on acronyms commonly used by transportation planning professionals. This information is provided in an effort to assist Board Members and partners as they participate in deliberations at Board meetings. While a complete list of all acronyms which may arise at any given time is not possible, this list attempts to provide the most commonly-used terms. Staff makes every effort to minimize use of acronyms to ensure good communication and understanding of complex transportation processes.
