AGENDA

General Policy Committee Meeting

December 14, 2022 9:00 AM

Location SBCTA

First Floor Lobby Board Room 1170 W. 3rd Street, San Bernardino, CA 92410

Items listed on the agenda are intended to give notice to members of the public of a general description of matters to be discussed or acted upon. The posting of the recommended actions does not indicate what action will be taken. The Board may take any action that it deems to be appropriate on the agenda item and is not limited in any way by the notice of the recommended action.

To obtain additional information on any items, please contact the staff person listed under each item. You are encouraged to obtain any clarifying information prior to the meeting to allow the Board to move expeditiously in its deliberations. Additional "*Meeting Procedures*" and agenda explanations are attached to the end of this agenda.

CALL TO ORDER

(Meeting Chaired by Dawn Rowe)

- i. Pledge of Allegiance
- ii. Attendance
- iii. Announcements
- iv. Agenda Notices/Modifications Alexandria Ojeda

Possible Conflict of Interest Issues

Note agenda item contractors, subcontractors and agents which may require member abstentions due to conflict of interest and financial interests. Board Member abstentions shall be stated under this item for recordation on the appropriate item.

1. Information Relative to Possible Conflict of Interest

Pg. 11

Note agenda items and contractors/subcontractors, which may require member abstentions due to possible conflicts of interest.

This item is prepared monthly for review by Board and Committee members.

CONSENT CALENDAR

Items listed on the Consent Calendar are expected to be routine and non-controversial. The Consent Calendar will be acted upon as a single motion. Items on the Consent Calendar may be removed for discussion by Board Members.

Consent - Administrative Matters

2. November 2022 Procurement Report

Pg. 13

Receive the November 2022 Procurement Report.

Presenter: Beatriz Valdez

This item is not scheduled for review by any other policy committee or technical advisory committee.

3. Budget to Actual Report for first Quarter Ending September 30, 2022

Pg. 29

Receive and file Budget to Actual Report for the first quarter ending September 30, 2022.

Presenter: Lisa Lazzar

This item is not scheduled for review by any other policy committee or technical advisory committee.

DISCUSSION ITEMS

Discussion - Administrative Matters

4. Fiscal Year 2022/2023 Budget Action Plan - Second Quarter Report

Pg. 39

Pg. 50

Receive the Fiscal Year 2022/2023 Budget Action Plan - Second Quarter Report.

Presenter: Raymond Wolfe

This item is not scheduled for any other policy committee or technical advisory committee review.

5. Amendment No. 5 to Contract No. 17-1001615 with Crowe LLP, to Extend the Contract Termination Date

That the General Policy Committee recommend the Board, acting as the San Bernardino County Transportation Authority:

Approve Amendment No. 5 to Contract No. 17-1001615 with Crowe LLP to exercise the second option year, extending the termination date to April 30, 2024, and increase the contract amount by \$138,000, for a revised not-to-exceed amount of \$980,083.

Presenter: Lisa Lazzar

This item is not scheduled for review by any other policy committee or technical advisory committee. SBCTA General Counsel, Procurement Manager and Risk Manager have reviewed this item and the draft amendment.

6. Fiscal Year 2023/2024 Budget Schedule

Pg. 57

That the General Policy Committee recommend the Board, acting as the San Bernardino County Transportation Authority and the San Bernardino Associated Governments:

Approve the Fiscal Year 2023/2024 Budget Schedule.

Presenter: Lisa Lazzar

This item is not scheduled for review by any other policy committee or technical advisory committee.

7. Revisions to Policies No. 11000, 20000, and 34509

Pg. 59

That the General Policy Committee recommend the Board, acting as the San Bernardino County Transportation Authority and the San Bernardino Associated Governments:

- A. Approve modifications to Contracting and Procurement Policy No. 11000, formerly the Procurement and Special Risk Assessment Policy No. 11000, as indicated in this report.
- B. Approve revisions to Financial Policy No. 20000 to modify Section VII, Revenue Policies, to remove the Executive Director authority to approve and execute funding/revenue agreements or amendments as this is now incorporated into Policy 11000, minor changes to Section VI budget adjustments, and Section X, to update recording of donated assets at acquisition value.
- C. Approve minor revisions to Policy No. 34509 to be consistent with classification changes created in January 2021 reorganization and to remove the Executive Director's authority to approve amendments to cooperative agreements and memorandum of understanding as this is now incorporated into Policy 11000.

Presenter: Beatriz Valdez

This item is not scheduled for review by any other policy committee or technical advisory committee. SBCTA General Counsel and Procurement Manager have reviewed this item and the proposed policy revisions.

8. Reassignment of the Deputy Director of Planning to Senior Management Group

Pg. 110

Approve reassignment of the Deputy Director of Planning from the Professional/Administrative Staff group to Senior Management group.

Presenter: Colleen Franco

This item has not received prior policy committee or technical advisory committee review.

Discussion - Regional/Subregional Planning

9. Transportation Development Act Article 3 Extension Request - Rialto Fiscal Year Pg. 113 2017/2018 Cedar Railroad Crossing Improvement

That the General Policy Committee recommend the Board, acting as the San Bernardino County Transportation Authority:

Approve the City of Rialto's extension request from December 31, 2022 to December 31, 2023 for their Fiscal Year 2017/2018 Cedar Avenue Railroad Crossing Pedestrian Improvements Project Transportation Development Act Article 3 award.

Presenter: Ginger Koblasz

This item is not scheduled for review by any other policy committee or technical advisory committee.

10. 2024 Regional Transportation Plan/Sustainable Communities Strategy Project List Update

Receive information on the 2024 Regional Transportation Plan/Sustainable Communities Strategy project list.

Presenter: Ginger Koblasz

This item is not scheduled for review by any other policy committee. The material in this item was reviewed by the Transportation Technical Advisory Committee on December 5, 2022.

11. Active Transportation Program Cycle 6 Award List and Twenty Points Allocation

Pg. 122

Pg. 117

That the General Policy Committee, acting as the San Bernardino County Transportation Authority (SBCTA):

A. Adopt the Metropolitan Planning Organization (MPO) portion of the State Active Transportation Program (ATP) Cycle 6 project award list (Attachment A), specifically for:

- City of Upland City of Upland Mobility Master Plan
- County of San Bernardino San Bernardino Valley Safe Routes to School Plan (21 schools)
- City of Montclair Montclair SRTS Implementation Project
- Town of Apple Valley Powhatan Road Complete Streets, Apple Valley
- City of Twentynine Palms Sullivan Road/Hatch Road Side Path/Bicycle Lanes
- City of Rialto Rialto Pacific Electric Trail Extension
- City of Yucaipa 15th Street (Avenue D to Yucaipa Blvd)
- City of Adelanto Adelanto Safe Routes to School
- City of Needles City of Needles Schools and Seniors Sidewalk Project
- City of Barstow Pedestrian, Bicyclist, and Safety Improvements (Partial)
- City of Fontana Foothill Boulevard Active Transportation Improvement (Partial)
- B. Adopt an additional 20 points allocation in the grant evaluation process to all projects in the MPO portion of the ATP as they have been determined to be consistent with regional plans, which is consistent with the methodology adopted by the SBCTA Board of Directors for ATP Cycles 1 through 5.

Presenter: Josh Lee

This item is not scheduled for review by any other policy committee. The Transportation Technical Advisory Committee has been briefed on the results of the ATP awards.

12. San Bernardino County Comprehensive Pedestrian Sidewalk Connectivity Plan – Phase II Final Report

Receive information relating to the completion of the San Bernardino County Comprehensive Pedestrian Sidewalk Connectivity Plan – Phase II Project.

Presenter: Tricia Vivian

This item was reviewed by the Planning Directors Technical Forum on July 27, 2022 and the Transportation Technical Advisory Committee on August 1, 2022. Technical aspects of this project were also presented at the ESRI Conference for peer review on July 12, 2022.

Pg. 126

Discussion - Transportation Programming and Fund Administration

13. Summary Report of the Measure I Five-Year Capital Improvement Plans of Member Agencies

That the General Policy Committee recommend the Board, acting as the San Bernardino County Transportation Authority:

Accept the Summary Report of the Measure I Five-Year Capital Improvement Plans for Local Pass-Through Funds for Member Agencies for Fiscal Year (FY) 2022/2023 through FY 2026/2027.

Presenter: Marc Lucius

This item is not scheduled for review by any other policy committee or technical advisory committee.

Meeting Procedures and Rules of Conduct

<u>Meeting Procedures</u> - The Ralph M. Brown Act is the state law which guarantees the public's right to attend and participate in meetings of local legislative bodies. These rules have been adopted by the Board of Directors in accordance with the Brown Act, Government Code 54950 et seq., and shall apply at all meetings of the Board of Directors and Policy Committees.

<u>Accessibility</u> - The meeting facility is accessible to persons with disabilities. If assistive listening devices or other auxiliary aids or services are needed in order to participate in the public meeting, requests should be made through the Clerk of the Board at least three (3) business days prior to the Board meeting. The Clerk can be reached by phone at (909) 884-8276 or via email at <u>clerkoftheboard@gosbcta.com</u> and office is located at 1170 W. 3rd Street, 2nd Floor, San Bernardino, CA.

<u>Agendas</u> – All agendas are posted at <u>www.gosbcta.com/board/meetings-agendas/</u> at least 72 hours in advance of the meeting. Staff reports related to agenda items may be reviewed online at that web address. Agendas are also posted at 1170 W. 3rd Street, 1st Floor, San Bernardino at least 72 hours in advance of the meeting.

<u>Agenda Actions</u> – Items listed on both the "Consent Calendar" and "Discussion" contain recommended actions. The Board of Directors will generally consider items in the order listed on the agenda. However, items may be considered in any order. New agenda items can be added and action taken by two-thirds vote of the Board of Directors or unanimous vote of members present as provided in the Ralph M. Brown Act Government Code Sec. 54954.2(b).

<u>Closed Session Agenda Items</u> – Consideration of closed session items excludes members of the public. These items include issues related to personnel, pending litigation, labor negotiations and real estate negotiations. Prior to each closed session, the Chair will announce the subject matter of the closed session. If action is taken in closed session, the Chair may report the action to the public at the conclusion of the closed session.

Public Testimony on an Item — Members of the public are afforded an opportunity to speak on any listed item. Individuals wishing to address the Board of Directors or Policy Committee Members should complete a "Request to Speak" form, provided at the rear of the meeting room, and present it to the Clerk prior to the Board's consideration of the item. A "Request to Speak" form must be completed for each item an individual wishes to speak on. When recognized by the Chair, speakers should be prepared to step forward and announce their name and address for the record. In the interest of facilitating the business of the Board, speakers are limited to three (3) minutes on each item. Additionally, a twelve (12) minute limitation is established for the total amount of time any one individual may address the Board at any one meeting. The Chair or a majority of the Board may establish a different time limit as appropriate, and parties to agenda items shall not be subject to the time limitations. Members of the public requesting information be distributed to the Board of Directors must provide 40 copies of such information in advance of the meeting, except for noticed public hearings. Information provided as public testimony is not read into the record by the Clerk.

The Consent Calendar is considered a single item, thus the three (3) minute rule applies. Consent Calendar items can be pulled at Board member request and will be brought up individually at the specified time in the agenda allowing further public comment on those items.

<u>Agenda Times</u> – The Board is concerned that discussion take place in a timely and efficient manner. Agendas may be prepared with estimated times for categorical areas and certain topics to be discussed. These times may vary according to the length of presentation and amount of resulting discussion on agenda items.

<u>Public Comment</u> – At the end of the agenda, an opportunity is also provided for members of the public to speak on any subject within the Board's authority. Matters raised under "Public Comment" may not be acted upon at that meeting. "Public Testimony on any Item" still applies.

<u>Disruptive or Prohibited Conduct</u> – If any meeting of the Board is willfully disrupted by a person or by a group of persons so as to render the orderly conduct of the meeting impossible, the Chair may recess the meeting or order the person, group or groups of person willfully disrupting the meeting to leave the meeting or to be removed from the meeting. Disruptive or prohibited conduct includes without limitation addressing the Board without first being recognized, not addressing the subject before the Board, repetitiously addressing the same subject, failing to relinquish the podium when requested to do so, bringing into the meeting any type of object that could be used as a weapon, including without limitation sticks affixed to signs, or otherwise preventing the Board from conducting its meeting in an orderly manner. Your cooperation is appreciated!

General Practices for Conducting Meetings of Board of Directors and Policy Committees

Attendance.

- The Chair of the Board or a Policy Committee (Chair) has the option of taking attendance by Roll Call or Self-Introductions. If attendance is taken by Roll Call, the Clerk of the Board will call out by jurisdiction or supervisorial district. The Member or Alternate will respond by stating his/her name. If attendance is by Self-Introduction, the Member or Alternate will state his/her name and jurisdiction or supervisorial district.
- A Member/Alternate, who arrives after attendance is taken, shall announce his/her name prior to voting on any item.
- A Member/Alternate, who wishes to leave the meeting after attendance is taken but before remaining items are voted on, shall announce his/her name and that he/she is leaving the meeting.

Basic Agenda Item Discussion.

- The Chair announces the agenda item number and states the subject.
- The Chair calls upon the appropriate staff member or Board Member to report on the item.
- The Chair asks members of the Board/Committee if they have any questions or comments on the item. General discussion ensues.
- The Chair calls for public comment based on "Request to Speak" forms which may be submitted.
- Following public comment, the Chair announces that public comment is closed and asks if there is any further discussion by members of the Board/Committee.
- The Chair calls for a motion from members of the Board/Committee.
- Upon a motion, the Chair announces the name of the member who makes the motion. Motions require a second by a member of the Board/Committee. Upon a second, the Chair announces the name of the Member who made the second, and the vote is taken.
- The "aye" votes in favor of the motion shall be made collectively. Any Member who wishes to oppose or abstain from voting on the motion, shall individually and orally state the Member's "nay" vote or abstention. Members present who do not individually and orally state their "nay" vote or abstention shall be deemed, and reported to the public, to have voted "aye" on the motion.

The Vote as specified in the SANBAG Bylaws.

- Each Member of the Board of Directors shall have one vote. In the absence of the official representative, the alternate shall be entitled to vote. (Board of Directors only.)
- Voting may be either by voice or roll call vote. A roll call vote shall be conducted upon the demand of five official representatives present, or at the discretion of the presiding officer.

Amendment or Substitute Motion.

- Occasionally a Board Member offers a substitute motion before the vote on a previous motion. In instances where there is a motion and a second, the maker of the original motion is asked if he or she would like to amend his or her motion to include the substitution or withdraw the motion on the floor. If the maker of the original motion does not want to amend or withdraw, the substitute motion is voted upon first, and if it fails, then the original motion is considered.
- Occasionally, a motion dies for lack of a second.

Call for the Question.

- At times, a Member of the Board/Committee may "Call for the Question."
- Upon a "Call for the Question," the Chair may order that the debate stop or may allow for limited further comment to provide clarity on the proceedings.
- Alternatively and at the Chair's discretion, the Chair may call for a vote of the Board/Committee to determine whether or not debate is stopped.
- The Chair re-states the motion before the Board/Committee and calls for the vote on the item.

The Chair.

- At all times, meetings are conducted in accordance with the Chair's direction.
- These general practices provide guidelines for orderly conduct.
- From time-to-time circumstances require deviation from general practice.
- Deviation from general practice is at the discretion of the Chair.

Courtesy and Decorum.

- These general practices provide for business of the Board/Committee to be conducted efficiently, fairly and with full participation.
- It is the responsibility of the Chair and Members to maintain common courtesy and decorum.

Adopted By SANBAG Board of Directors January 2008 Revised March 2014 Revised May 4, 2016

Minute Action

AGENDA ITEM: 1

Date: December 14, 2022

Subject:

Information Relative to Possible Conflict of Interest

Recommendation:

Note agenda items and contractors/subcontractors, which may require member abstentions due to possible conflicts of interest.

Background:

In accordance with California Government Code 84308, members of the Board may not participate in any action concerning a contract where they have received a campaign contribution of more than \$250 in the prior twelve months from an entity or individual, except for the initial award of a competitively bid public works contract. This agenda contains recommendations for action relative to the following contractors:

Item No.	Contract No.	Principals & Agents	Subcontractors
5	17-1001615-05	Crowe LLP Brad Schelle, Partner	None
9	TDA Extension	City of Rialto	None
11	Allocation	City of Upland	None
		County of San Bernardino	None
		City of Montclair	None
		Town of Apple Valley	None
		City of Twentynine Palms	None
		City of Rialto	None
		City of Yucaipa	None
		City of Adelanto	None
		City of Needles	None
		City of Barstow	None
		City of Fontana	None

Financial Impact:

This item has no direct impact on the Budget.

AGENDA ITEM: 2

Date: December 14, 2022

Subject:

November 2022 Procurement Report

Recommendation:

Receive the November 2022 Procurement Report.

Background:

The Board of Directors adopted the Procurement and Special Risk Assessment Policy (Policy No. 11000) on January 3, 1997, and approved the last revision on October 6, 2021. The Board of Directors authorized the Executive Director, or his designee, to approve: a) contracts and purchase orders up to \$100,000; b) Contract Task Orders (CTO) up to \$500,000 and for CTOs originally \$500,000 or more, increasing the CTO amount up to \$250,000; c) amendments with a zero dollar value; d) amendments to exercise the option term if the option term was approved by the Board of Directors in the original contract; e) amendments that cumulatively do-not-exceed 50% of the original contract or purchase order value or \$100,000, whichever is less; f) amendments that do-not-exceed contingency amounts authorized by the Board of Directors; and g) release Request for Proposals (RFP), Request for Qualifications (RFQ), and Invitation for Bids (IFB) for proposed contracts from which funding has been approved and the solicitation has been listed in the Annual Budget, and are estimated not-to-exceed \$1,000,000.

The Board of Directors further authorized General Counsel to award and execute legal services contracts up to \$100,000 with outside counsel as needed, and authorized Department Directors to approve and execute Contingency Amendments that do-not-exceed contingency amounts authorized by the Board of Directors.

Lastly, the Board of Directors authorized CityCom Real Estate Services, Inc. (CityCom) to issue contracts and purchase orders.

Below is a summary of the actions taken by SBCTA authorized staff:

- One (1) new contract was executed in the amount of \$23,500.00.
- Five (5) contract amendments were executed in the amount of \$535,689.00.
- Thirteen (13) contract CTOs were executed for a total cost of \$2,161,108.45.
- One (1) CTO amendment was executed in the amount of \$3,189,589.00.
- Three (3) Contingency Amendments were executed for a total cost of \$1,630,730.38.
- Six (6) purchase orders were executed for a total cost of \$70,195.00.
- One (1) purchase order amendment was executed in the amount of \$513.00.
- One (1) RFP was released.

Below is a summary of the actions taken by CityCom:

- One (1) contract was executed in the amount of \$6,822.50.
- No purchase orders.

Entity: San Bernardino Council of Governments, San Bernardino County Transportation Authority

General Policy Committee Agenda Item December 14, 2022 Page 2

A list of all Contracts and Purchase Orders that were executed by the Executive Director, Department Director, General Counsel, and/or CityCom during the month of November 2022 are presented herein as Attachment A, all RFPs and IFBs are presented in Attachment B, and all CityCom's contracts and purchase orders are presented in Attachment C.

Financial Impact:

This item is consistent with the Fiscal Year 2022/2023 Budget. Presentation of the monthly procurement report demonstrates compliance with the Procurement and Special Risk Assessment Policy.

Minute Action

AGENDA ITEM: 3

Date: December 14, 2022

Subject:

Budget to Actual Report for first Quarter Ending September 30, 2022

Recommendation:

Receive and file Budget to Actual Report for the first quarter ending September 30, 2022.

Background:

The Fiscal Year 2022/2023 Budget for new activity was adopted by the Board of Directors (Board) on June 1, 2022. Budgetary information includes the original and revised budgets and expenditures as of September 30, 2022.

The report is broken down by Fund group and provides a percentage of the budget received or expended through September 30, 2022.

The following is an explanation for significant percentage changes by Fund type:

General Fund

A. Revenues:

- 1. Measure I Sales Tax revenue is low since July and August receipts pertain to the prior fiscal year.
- 2. Interest is distributed to the appropriate funds at year-end based on ending cash balances. The positive balance is due to a reversal of prior year negative accruals related to fair value adjustment.

B. Expenditures:

1. Expenditures to date are low mainly due to the timing of capital expenditures or program activities.

C. Other Financing Sources:

- 1. Operating transfers in represent cash transfers to reimburse expenditures funded by the Local Transportation Fund, State Transit Assistance Fund, and State of Good Repair Fund.
- 2. Operating transfers out are from cash transfers within the General Fund to fund the Indirect Cost Fund.

Federal Highway Fund

A. Revenues:

1. The timing for collection of revenue fluctuates as all federal grants are on a reimbursement basis. The negative balance is due to prior year accrual reversals being higher than actual revenues thus far this year.

Entity: San Bernardino Council of Governments, San Bernardino County Transportation Authority

General Policy Committee Agenda Item December 14, 2022

Page 2

B. Expenditures:

- 1. Expenditures to date are low mainly due to the timing of capital expenditures, which can take several years.
- 2. Transit is negative due to the prior year accrual reversals have being higher than actual expenditures thus far this year.

Federal Transit Administration Fund

A. Revenues:

1. The timing for collection of revenue fluctuates as all federal grants are on a reimbursement basis. The negative balance is due to prior year accrual reversals being higher than actual revenues thus far this year.

B. Expenditures:

1. Expenditures to date are low mainly due to the timing of capital expenditures, which can take several years.

State Highway Fund

A. Revenues:

1. The timing for collection of revenue fluctuates as most state grants are on a reimbursement basis. The negative balance is due to prior year accrual reversals being higher than actual revenues thus far this year.

B. Expenditures:

1. Expenditures to date are low mainly due to the timing of capital expenditures, which can take several years.

Proposition 1B Fund

A. Revenues:

1. The revenue recognition for most Proposition 1B funds is when expenditures are incurred since the funds are received in advance.

B. Expenditures:

1. Expenditures to date are low mainly due to the timing of capital expenditures, which can take several years.

Local Transportation Fund (LTF)

A. Revenues:

- 1. LTF revenue is low since July and August receipts pertain to the prior fiscal year.
- 2. The positive investment earnings balance is due to a reversal of prior year negative accruals related to fair value adjustment.

B. Expenditures:

1. Expenditures to date represent claims received and paid.

General Policy Committee Agenda Item December 14, 2022

Page 3

C. Other Financing Sources:

1. Operating transfers out represent cash transfers to the General Fund to fund administrative, planning and transit activities, and transit projects. These transfers are based on a reimbursement basis.

State Transit Assistance Fund (STAF)

A. Revenues:

- 1. The timing for recording of revenues fluctuates based on the period of performance upon distribution from the state.
- 2. The positive investment earnings balance is due to a reversal of prior year negative accruals related to fair value adjustment.

B. Expenditures:

1. Expenditures to date are negative due to the prior year accrual reversals being higher than actual claims thus far this year.

C. Other Financing Sources:

1. Operating transfers out represent cash transfers to the General Fund to fund transit activities, which are based on a reimbursement basis. The amount is negative due to accrual reversals being higher than actual reimbursements thus far.

Senate Bill 1

A. Revenues:

1. The timing for collection of revenue fluctuates as most state grants are on a reimbursement basis.

B. Expenditures:

1. Expenditures to date are low mainly due to the timing of capital expenditures, which can take several years.

Measure I 1990-2010 Fund

A. Revenues:

- 1. Measure I 1990-2010 ended on March 31, 2010, and only interest earnings are accrued based on cash balances.
- 2. The positive investment earnings balance is due to a reversal of prior year negative accruals related to fair value adjustment.

B. Expenditures:

1. Expenditures to date are low mainly due to the timing of capital expenditures, which can take several years.

Measure I 2010-2040 Fund

A. Revenues:

1. Measure I Sales Tax revenue is low since July and August receipts pertain to the prior fiscal year.

San Bernardino Council of Governments

San Bernardino County Transportation Authority

General Policy Committee Agenda Item December 14, 2022

Page 4

2. The positive investment earnings balance is due to a reversal of prior year negative accruals related to fair value adjustment.

B. Expenditures:

- 1. Expenditures to date are low mainly due to the timing of capital expenditures, which can take several years.
- 2. Funds for the Transit and Fund Administration program are encumbered to ensure they are available to pay for the allocations approved by the Board.

C. Other Financing Sources:

- 1. Operating transfers in represent cash transfers from the Enterprise fund for draws on the Transportation Infrastructure Finance Innovation Act (TIFIA) loan.
- 2. Operating transfers out represent cash transfers to the General Fund to fund the Indirect Cost Fund and Debt Service Fund to cover debt service expenditures.

Debt Service Fund

A. Revenues:

1. Investment earnings are not budgeted.

B. Expenditures:

1. Expenditures to date are low mainly due to the timing debt service payments.

C. Other Financing Sources:

1. Transfers in represent cash transfers from the Measure I funds to cover debt service expenditures.

Capital Projects Fund

A. Revenues:

- 1. The timing for collection of revenue fluctuates as most projects are funded on a reimbursement basis.
- 2. Intergovernmental and Miscellaneous revenues are negative due to prior year accrual reversals that have been higher than actual earnings thus far this year.
- 3. The positive investment earnings balance is due to a reversal of prior year negative accruals related to fair value adjustment.

B. Expenditures:

- 1. Expenditures to date are low mainly due to the timing of capital expenditures, which can take several years.
- 2. Transit is negative due to the prior year accrual reversals being higher than actual expenditures thus far this year.

C. Other Financing Sources:

1. Operating transfers in represent cash transfers resulting from transfers within the West Valley Connector project to reflect the proper funding allocation.

General Policy Committee Agenda Item December 14, 2022 Page 5

Nonmajor Governmental Funds – Excluding Council of Governments

A. Revenues:

- 1. The timing for collection of revenue fluctuates as most of the state grants are on a reimbursement basis.
- 2. The positive investment earnings balance is due to a reversal of prior year negative accruals related to fair value adjustment.

B. Expenditures:

1. Expenditures to date are low mainly due to the timing of capital expenditures, which can take several years.

C. Other Financing Sources:

1. Operating transfers out represent cash transfers to fund the Indirect Cost Fund.

Council of Governments Fund

A. Revenues:

- 1. The timing for collection of revenue fluctuates as this program is mostly funded on a reimbursement basis.
- 2. Intergovernmental revenues are negative due to prior year accrual reversals being higher than actual earnings thus far this year.
- 3. The positive investment earnings balance is due to a reversal of prior year negative accruals related to fair value adjustment.

B. Expenditures:

- 1. Expenditures to date are low mainly due to the timing of program activities.
- 2. Environment and Energy Conservation is negative due to the prior year accrual reversals being higher than actual expenditures thus far this year.

C. Other Financing Sources:

1. Operating transfers out represent cash transfers to fund the Indirect Cost Fund.

Financial Impact:

This item reports the status of expenditures against budget and imposes no financial impact on the Fiscal Year 2022/2023 Budget.

Minute Action

AGENDA ITEM: 4

Date: December 14, 2022

Subject:

Fiscal Year 2022/2023 Budget Action Plan - Second Quarter Report

Recommendation:

Receive the Fiscal Year 2022/2023 Budget Action Plan - Second Quarter Report.

Background:

The San Bernardino County Transportation Authority's (SBCTA) Fiscal Year 2022/2023 Budget Action Plan (BAP) establish the Board of Directors priorities for the year. The Executive Director uses this as a tool with the Executive Management Team to evaluate SBCTA's progress in achieving the Board's priorities. The Executive Director or his designee will provide quarterly updates on the status of the goals as listed in the attached BAP.

Financial Impact:

This item is consistent with the Adopted Fiscal Year 2022/2023 Budget.

Reviewed By:

This item is not scheduled for any other policy committee or technical advisory committee review.

Responsible Staff:

Raymond Wolfe, Executive Director

Approved General Policy Committee Date: December 14, 2022

Witnessed By:

Minute Action

AGENDA ITEM: 5

Date: December 14, 2022

Subject:

Amendment No. 5 to Contract No. 17-1001615 with Crowe LLP, to Extend the Contract Termination Date

Recommendation:

That the General Policy Committee recommend the Board, acting as the San Bernardino County Transportation Authority:

Approve Amendment No. 5 to Contract No. 17-1001615 with Crowe LLP to exercise the second option year, extending the termination date to April 30, 2024, and increase the contract amount by \$138,000, for a revised not-to-exceed amount of \$980,083.

Background:

On April 5, 2017, the San Bernardino County Transportation Authority (SBCTA) Board of Directors (Board) approved Contract No. 17-1001615 with Crowe Horwath, LLP, via a competitive process, for an amount not-to-exceed \$585,000 for a five-year term, with two (2) one-year options for a total not-to-exceed amount of \$834,000, to perform auditing services. These services include the annual audit for the Annual Comprehensive Financial Report (ACFR) and several agreed-upon procedures required for compliance purposes including Single Audit, Local Transportation Fund, State Transit Assistance Fund, GANN Limit and State Transportation Improvement Program.

On May 31, 2018, the Executive Director approved Amendment No. 1, which incorporated additional costs associated with the review of construction in-progress for prior years and also incorporated additional scope to perform separate compliance reports for the Public Transportation Modernization, Improvement, and Service Enhancement Account and the Low Carbon Transit Operations Program funds and to add a report for the Planning, Programming and Monitoring funds. Amendment No. 1 added \$72,000 to the contract.

On December 16, 2019, the Executive Director approved Amendment No. 2, which addressed the auditing firm's name change, from Crowe Horwath, LLP, to Crowe LLP, and incorporated two additional agreed-upon procedure reports. These reports are necessary to comply with Federal Transit Administration requirements for the Vanpool Program. Amendment No. 2 increased the not-to-exceed amount by \$25,290.

On October 6, 2021, the Board approved Amendment No. 3, to increase the overall contract amount by \$8,213, for review of new Government Accounting Standards Board (GASB) pronouncement implementations that include implementation guide 2019-1 Revenue Recognition and GASB 84 Fiduciary Activities. This increased the overall contract not-to-exceed amount to \$690,503.

On April 6, 2022, the Board approved Amendment No. 4 to the Contract, extending the term to April 30, 2023 to incorporate additional auditing services, and increasing the contract amount by \$151,580.

Entity: San Bernardino County Transportation Authority

General Policy Committee Agenda Item December 14, 2022 Page 2

The current amendment is to exercise the second of two (2) one-year options, to extend the contract by one year, expiring on April 30, 2024. The overall cost of this one-year extension is \$138,000 (of which \$124,500 was approved by the Board with the original contract) for a total not-to-exceed amount of \$980,083. Additional costs included in this amendment include \$13,500 from Amendment No. 1 for additional scope to perform separate compliance reports for the Public Transportation Modernization, Improvement, and Service Enhancement Account and the Low Carbon Transit Operations Program funds and to add a report for the Planning, Programming and Monitoring funds.

Financial Impact:

This item is consistent with Fiscal Year 2022/2023 Budget.

Reviewed By:

This item is not scheduled for review by any other policy committee or technical advisory committee. SBCTA General Counsel, Procurement Manager and Risk Manager have reviewed this item and the draft amendment.

Responsible Staff:

Lisa Lazzar, Chief of Fiscal Resources

Approved General Policy Committee Date: December 14, 2022

AMENDMENT NO. 5 TO CONTRACT NO. 17-1001615

FOR

PROFESSIONAL FINANCIAL AUDITING SERVICES

(CROWE LLP)

This AMENDMENT No. 5 to Contract No. 17-1001615 ("Amendment") is made by and between Crowe LLP ("CONSULTANT") and the San Bernardino County Transportation Authority ("SBCTA"). SBCTA and CONSULTANT are each a "Party" and collectively "Parties" herein.

RECITALS:

- A. SBCTA, under Contract No. 17-1001615, engaged CONSULTANT to provide professional financial auditing services ("Contract"); and
- B. On May 7, 2018, the Parties entered Amendment No. 1 to the Contract, increasing the scope of work and adding \$72,000 to the contract amount; and
- C. On December 19, 2019, the Parties entered Amendment No. 2 to the Contract, increasing the scope of work and adding \$25,290 to the contract amount, and also acknowledging CONSULTANT's change of name; and
- D. On October 14, 2021, the Parties entered Amendment No. 3 to the Contract, again increasing the scope of work and adding \$8,213 to the contract amount; and
- E. On April 11, 2022, the Parties entered Amendment No. 4 to the Contract, extending the term to April 30, 2023 to incorporate additional auditing services and increasing the Contract amount by \$ 151,580; and
- F. The Parties desire to exercise the second option year, extending the term to April 30, 2024, and increasing the Contract amount by \$138,000.

NOW THEREFORE, the Parties mutually agree to amend Contract No. 17-1001615 as follows:

1. Article 2, "CONTRACT TERM," is deleted in its entirety and replaced with the following:

"The Contract term shall commence upon issuance of a written Notice To Proceed (NTP) issued by SBCTA's Procurement Analyst, and shall continue in full force and effect through April 30, 2024 until otherwise terminated, or unless extended as hereinafter provided by written amendment, except that all indemnity and defense obligations hereunder shall survive termination of this contract. CONSULTANT shall not be compensated for any Work performed or costs incurred prior to issuance of the NTP.

The maximum term of this Contract, including the exercised Option Terms, will not exceed April 30, 2024."

- 2. Delete paragraph 3.2 of Article 3 "COMPENSATION" in its entirety and replace with the following:
 - "3.2 The total Contract Not-To-Exceed Amount is Nine Hundred Eighty Thousand Eighty-Three Dollars (\$980,083.00). All Work provided under this Contract is to be performed as set forth in Exhibits A, A.1, A.2 A.3, and A.4 "Scope of Work", and shall be reimbursed pursuant to Exhibits B, B.1, B.2, B.3, B.4 and B.5 "Price Form" or "Fees". The hourly labor rates identified in Exhibit B shall remain fixed for the term of this Contract and include CONSULTANT's direct labor costs, indirect costs, and profit. All expenses shall be reimbursed for the amounts identified in Exhibits B, B.1, B.2, B.3, B.4 and B.5. Any travel expenses must be pre-approved by SBCTA and shall be reimbursed for per diem expenses at a rate not-to-exceed the currently authorized rates for state employees under the State Department of Personnel Administration rules. SBCTA will not reimburse CONSULTANT for any expenses not shown in Exhibits B, B.1, B.2, B.3, B.4 and B.5 or agreed to and approved by SBCTA as required under this Contract."
- 3. The Price Form as contained in Exhibits B, B.1, B.2, B.3, and B.4 to the Contract is hereby amended to include the fee described in B.5, attached to this Amendment and incorporated herein by this reference. Except as to the amounts specifically added in B.5, the current Price Form shall remain in force and effect.
- 4. Except as amended by this Amendment No. 5, all other provisions of Contract No. 17-1001615, as previously amended, shall remain in full force and effect.
- 5. The Recitals set forth above are incorporated herein by this reference.
- 6. This Amendment No. 5 shall be effective upon execution by both Parties.

IN WITNESS WHEREOF, the Parties have duly executed this Amendment No. 5 below.

AGENDA ITEM: 6

Date: December 14, 2022

Subject:

Fiscal Year 2023/2024 Budget Schedule

Recommendation:

That the General Policy Committee recommend the Board, acting as the San Bernardino County Transportation Authority and the San Bernardino Associated Governments:

Approve the Fiscal Year 2023/2024 Budget Schedule.

Background:

The preparation of the Fiscal Year (FY) 2023/2024 Budget requires a schedule for development, consideration and adoption of the final budget appropriations. The General Policy Committee is primarily responsible for policy input for the development and review of the budget. Other policy committees are also scheduled to consider proposed tasks under their review.

A Board of Directors (Board) Budget Workshop will be scheduled in conjunction with the May 2023 Board meeting for consideration of the proposed budget. The final budget adoption for FY 2023/2024 is scheduled for the June 2023 Board meeting. The attached schedule is similar to the prior year.

Financial Impact:

This item has no financial impact on the Fiscal Year 2023/2024 Budget.

Reviewed By:

This item is not scheduled for review by any other policy committee or technical advisory committee.

Responsible Staff:

Lisa Lazzar, Chief of Fiscal Resources

AGENDA ITEM: 7

Date: December 14, 2022

Subject:

Revisions to Policies No. 11000, 20000, and 34509

Recommendation:

That the General Policy Committee recommend the Board, acting as the San Bernardino County Transportation Authority and the San Bernardino Associated Governments:

- A. Approve modifications to Contracting and Procurement Policy No. 11000, formerly the Procurement and Special Risk Assessment Policy No. 11000, as indicated in this report.
- B. Approve revisions to Financial Policy No. 20000 to modify Section VII, Revenue Policies, to remove the Executive Director authority to approve and execute funding/revenue agreements or amendments as this is now incorporated into Policy 11000, minor changes to Section VI budget adjustments, and Section X, to update recording of donated assets at acquisition value.
- C. Approve minor revisions to Policy No. 34509 to be consistent with classification changes created in January 2021 reorganization and to remove the Executive Director's authority to approve amendments to cooperative agreements and memorandum of understanding as this is now incorporated into Policy 11000.

Background:

Policies and procedures are reviewed on a routine basis to help identify any changes that will ensure the effective operations of the Agency. Staff is recommending your approval of the following policy updates.

The Contracting and Procurement Policy No. 11000, formerly the Procurement and Special Risk Assessment Policy No. 11000, is being updated with additional definitions, non-substantial revisions, and the following substantive changes:

- Section IV. General:
 - Allows software license and subscription agreements to be evergreen as long as identified separately in the current adopted budget.
- Section V.A.3 Goods Amendments removed the previously approved provisions regarding re-competition.
- Section V.B.3 Construction Amendments Added this section to clarify that amendments are allowed and for what purposes.
- Section V.C.3 Professional Services Architecture and Engineering Amendments revised to clarify that contracts amendments are allowed following the instances listed in the policy unless it is disallowed by applicable laws or regulations.
- Section V.D.3 Professional Services for Non-Architecture and Engineering Amendments

 revised to delineate when contract amendments are allowed instead of referencing to other sections of the Policy.
- Section VI.4 Uniformity Exception revised to expand to incorporate subscriptions and brand or trade name products.
- Section VIII.B.4.a Delegation of Authority authorizes the Executive Director to

Entity: San Bernardino County Transportation Authority

General Policy Committee Agenda Item December 14, 2022 Page 2

- approve and execute perpetual software license and subscription agreements up to \$100,000.
- Section VIII.4.e Delegation of Authority authorizes the Executive Director to approve and execute Non-Procurement agreements, if they meet specific criteria.
- Section VIII.4.f Delegation of Authority authorizes the Executive Director to approve and execute amendments to Non-Procurement agreements up to a net funding change of \$100,000 and for any period of time if they meet specific criteria.
- Section VIII.7 Delegation of Authority authorizes the Director of Management Services, or their designee, to execute software license and subscription agreements and/or online terms and conditions for any agreements approved by the Board of Directors (Board) or Executive Director via Purchase Order and/or Contract.

Financial Policy No. 20000 sets the basic framework for the overall fiscal management of the San Bernardino County Transportation Authority (SBCTA) and the San Bernardino Associated Governments (SBCOG). The Policy provides guidance on how to operate with fiscal responsibility independent of changing circumstances and conditions. The Policy states the importance of fiscal management and delineates management's responsibility to establish internal controls to safeguard SBCTA's and SBCOG's assets.

Staff recommends the following changes to Financial Policy No. 20000:

- Update Section VI, Budget Amendment Policy, to clarify that Board approval of budget amendments is required except in three specific circumstances and define the circumstances that qualify for administrative budget amendments.
- Update Section VII, Revenue Policies, to remove the Executive Director, or designee, authority to approve and execute funding/revenue agreements or amendments as long as SBCTA is not required to incur additional cost or staff that is not budgeted. It also removes the restriction that all SBCOG funding/revenue agreements required Board of Directors' approval. This authority language has been incorporated into Policy 11000.
- Update Section X, Capital Outlay, to update recording of donated assets based on acquisition value at date of donation that complies with Statement 72 of the Governmental Accounting Standards Board.

Policy No. 34509 was initially approved by the Board in June 2013 to delegate signature authority to certain SBCTA staff to enable projects to be carried out efficiently. The Policy has been revised several times since then, most recently in November 2021. Staff recommends two further, minor, revisions: 1) update classifications due to the most recent reorganization approved by the Board on June 5, 2022 and 2) remove the Executive Director's authority to approve funding agreement changes of up to \$100,000 as this is now part of Policy 11000.

Financial Impact:

III. POLICY

All procurement activity on behalf of SBCTA/SANBAG and SBCOG is required to demonstrate that the expenditure of funds is conducted in an honest, competitive, fair, and transparent manner that achieves the best value for money and protects SBCTA's the agency's reputation.

IV. GENERAL

A. Definitions

<u>Awarding Authority</u> means the Board, a Board Committee, or the Executive Director to whom the Board delegated authority to award a contract or purchase order under this Policy or by other action of the Board.

<u>Construction (Public Works)</u> as defined by Public Contract Code (PCC) § 22002, means construction, reconstruction, erection, alteration, renovation, demolition, painting, and repair work involving any publicly owned, leased or operated facility, building, structure, real property, street or highway, or other public improvement of any kind.

Contract means an agreement with a third party for acquisition of Goods, Services or Construction work.

Change Order is a written order issued after execution of a construction contract authorizing: (1) an addition, deletion or revision to the Work; (2) adjustment in the contract amount; and/or (3) adjustment to the performance time.

<u>Executive Director</u> means the Executive Director of SBCTA and shall be deemed to include any designee specified by the Executive Director to act in his or her behalf.

Goods means supplies, materials, equipment, and other movable/tangible things.

Independent Cost Estimates (ICE) means the best 'estimate' as to the cost of the Goods, services or construction work being procured. The method and degree of analysis is dependent on the complexity of the Goods, services or construction work being procured. An ICE should be prepared in advance of the receipt of any bids or proposals, amendments or change orders. Change Orders. The United States Department of Transportation, Federal Highways Administration and Federal Transit Administration require recipients of federal dollars to "perform a cost or price analysis in connection with every procurement action, including contract modifications..." The starting point for cost or price analysis is the development of an ICE which should be used in the evaluation of the consultant's or contractor's price proposal.

<u>Invitation for Bids (IFB)</u> means a competitive procurement process that requires the award be made to the lowest responsive responsible bidder whose bid conforms to all the material terms and conditions of the IFB.

<u>Invitation for Quotes (IFQ)</u> means a competitive procurement process which the award of a contract or purchase order will be to the lowest responsive responsible bidder whose bid conforms to SBCTA's requirements or is most advantageous to the agency based on price and other factors considered.

Non-Procurement Agreement refers to an agreement other than those utilized to acquire Goods. Services, and Construction work, which includes but is not limited to, a cooperative agreement, memorandum of understanding, and revenue/funding agreement.

<u>Non-Professional Services</u> means janitorial, maintenance, security, advertising, printing, postal, landscape maintenance, including mowing, weeding, watering, trimming/pruning, planting, and servicing of irrigation and sprinkler systems, the maintaining or servicing of Goods, and other services that are not deemed a professional service.

<u>Procurement Professional</u> means procurement staff responsible for overseeing the Procurement Solicitation.

<u>Procurement Solicitation</u> means Invitation for Bids (IFB), Request for Proposals (RFP), Request for <u>Qualifications (RFQ)</u>, Invitation for Quotes (IFQ), or other forms of written or verbal solicitations for the procurement of Goods, Non-Professional and Professional Services, and Construction work.

<u>Professional Services (A & E)</u> means architectural, engineering, environmental, land surveying, construction engineering, construction project management services, or other professional services of an architectural or engineering nature that are required to be performed or approved by a person licensed, registered, or certified to provide such services.

<u>Professional Services (Non A & E)</u> means advisory, information technology, legal, financial, accounting, auditing, legislative advocacy, marketing, freeway service patrol, program management, and any other services which involve the exercise of professional discretion and independent

judgment based on advanced or specialized knowledge, expertise or training gained by formal studies or experience, but excludes Professional Services (A & E).

<u>Purchase Order (PO)</u> is a written authorization issued by a buyer committing to pay the seller for the sale of specific Goods or services to be delivered in the future.

Receivable means any agreement by in which the agency expects to receive monetary or in-kind value.

Request for Information (RFI) means a solicitation used to obtain general information about products, services, or suppliers.

Request for Proposal/Request for Qualifications (RFP/RFQ) means a competitive procurement process that requires evaluation of a consultant's proposal and qualifications.

Split Procurement means a willful splitting of a single transaction into a series of transactions for the purpose of evading the applicable procurement requirements.

B. Standard Requirements

- Concurrence. All Contracts_shall be reviewed by the Procurement Manager prior to approval by the Board or the Executive Director. The Procurement Manager's concurrence ensures the procurement process was completed in accordance with SBCTA policies and procedures, and applicable State and/or Federal contracting laws-
- Consultant Selection. When procuring a consulting firm for architectural and engineering services
 utilizing federal funds through Caltrans, SBCTA will advertise, award and administer the project in
 accordance with Caltrans current Local Assistance Procedures per 23 CFR part 172 unless
 otherwise stated in the executed Caltrans project-specific Program Supplement.
- 3. <u>Contract Provisions</u>. All Contracts shall specify a period of performance, description of the function to be performed, total contract amount, and appropriate performance standards.
- 4. Contract Term. Unless otherwise authorized by the Board, the maximum term for Contracts or Purchase Orders awarded in accordance with this Policy-shall be five years, except for with the following exceptions: (1) Contracts or Purchase Orders for software license agreements and related maintenance and support services, which can be have a period of up to 10 years. (2) Contracts or Purchase Orders for software agreements, including but not limited to, licenses and subscriptions may be for any period of time, including perpetual.
- 5. Federal/State Requirements. When utilizing state and federal funds which require more rigorous or different procurement standards than required by this policy, such standards will apply. SBCTA is responsible for ensuring that such standards, including those set out in 2 CFR part 200 and 2 CFR part 1201, are met and are included in appropriate Contracts.
- 6. <u>Independent Cost Estimates Estimate (ICE)</u>. Except for purchases under \$1,000, <u>an ICE are is required for allevery procurement actions</u> action.
- 7. <u>Insurance</u>. SBCTA's Risk Manager is responsible for: 1) ensuring that all insurance requirements are reviewed and approved prior to the solicitation being released for all procurements, and 2) reviewing certificates of insurance and endorsements for compliance with Contract and Purchase Order requirements.
- 8. <u>Legal Counsel Review</u>. All Contracts shall be reviewed by legal counsel prior to approval by the Board or the Executive Director. All Contracts will be approved as to form by legal counsel prior to execution by SBCTA.
- 9. Non-Discrimination. All Contracts shall contain a standard non-discrimination clause.

- 10. Split Procurements. Under no circumstances shall related procurement activity be split into subparts, smaller similar actions, multiple purchases or orders to avoid compliance with the applicable competitive selection process, avoid requirements of higher approval authority for a contract or amendment, or otherwise circumvent SBCTA procurement policies and/or procedures.
- <u>Ho.11.</u> Written Contracts, and Non-Procurement Agreements. All Contracts and Non-Procurement Agreements shall be in writing and signed by authorized representatives of all parties.

V. TYPES OF PROCUREMENTS

- A. Goods Competitive Procurement
 - 1. Informal Procurement (PUC § 130232(b))

The following procedures will generally be used when each expected procurement for Goods is valued in excess of \$1,000, but not exceeding \$25,000:

- a. Whenever possible, informal procurements should be based on the solicitation of at least three (3) bids, either written or oral, that permit prices and terms to be compared.
- b. An IFQ or letters may be required if the Goods being requested require more detailed bids. IFQ or letters will be issued to a limited number of prospective bidders.
- c. Award of a Purchase Order or Contract will be to the lowest responsive responsible bidder whose bid conforms to SBCTA's requirements or is most advantageous to the agency based on price and other factors considered.
- d. SBCTA will document the results of all such informal procurement actions.
- 2. Formal Procurement (PUC § 130232(a))

The following applies to procurements valued in excess of \$25,000:

- a. An Invitation for Bids (IFB) will be distributed and a notice inviting bids will be published at least once in a newspaper of general circulation or the equivalent. The publication shall be made at least 10 days before the date for the receipt of the bids. The competitive sealed bid method will be used.
- b. A control record will be maintained as the IFB is distributed, indicating the date, time, and/or place of distribution or notice. The record shall contain the names and addresses of offerors receiving the IFB and details regarding the publication of the notice of IFB. The control record shall be used as a mailing or distribution list for the issuance of notices relative to the IFB and as a verification record in the case of vendor protests.
- Award of a Contract or Purchase Order shall be made to the lowest responsive responsible bidder whose bid conforms to all the material terms and conditions of the IFB.
- d. The Board, at its discretion, may reject any and all bids and readvertise.

3. Amendments:

a. Contracts and Purchase Orders may be amended to increase the not to exceed amount, quantity and/or extend the term.

b. —

Contracts and Purchase Orders may be amended to add additional scope of work and quantities, increase compensation, and/or extend the delivery period for additional workGoods that was not foreseen at the timewere listed in the original Contract or Purchase Order was awarded pursuant to competitive procurement, if the Awarding Authority determines it is in the best interests of SBCTA to do so. The Awarding Authority shall consider cost-effectiveness, timeliness, prior quality of performance of services in determining if it is in the best interests of SBCTA.

- c. Re-competition for required services serves to assess the competitive market conditions relative to expertise and pricing for such services and may be prudent on a periodic basis. However, where services relate to specific on-going projects or levels of unique qualifications, skills, and experience, it may be appropriate to extend such Contracts or Purchase Order without re-competition. Staff shall analyze each Contract or Purchase Order based upon the specific project needs and include justification for such recommendation in the report to the Board or Executive Director.
- d. It may be prudent for staff to recommend against a renewed competitive process in provided the proposed amendment complies with one or more of the following instances: circumstances.
- i. When the amendments are the result of an increase in the scope of work for the same project, wherein the qualifications and experience required to perform the new work were clearly examined as part
 - a. Cumulatively, any additional quantity does not exceed 25% of the prior quantity listed in the original competitive procurement process-
- :ii. When, on the basis of a specific finding or competitive process prior to approval
- b. An ICE prepared in advance of the original-proposed amendment demonstrates it would be more cost effective to amend the Contract or Purchase Order, the firm was determined to be add quantities than procuring the most qualified and responsive to undertake the work addressed by the Contract or Purchase Order amendment.additional quantities under a separate procurement process.
- iii. Where the firm, based upon findings presented to the Board, is found to be preeminently positioned to perform the work due to its: (1) specific qualifications, (2) unique knowledge of the project, or (3) unique knowledge of the work required.

B. Construction - Competitive Procurement

1. Informal Procurement

The following generally applies to Construction procurements valued at \$25,000 or less:

- a. Whenever possible, informal procurements should be based on the solicitation of at least three (3) bids.
- b. An Invitation for Quotes (IFQ) will be issued to a limited number of prospective bidders.
- c. Award of a Contract will be to the lowest responsive responsible bidder whose bid conforms to the SBCTA's requirements.
- d. SBCTA will document results of all such informal procurement actions.

2. Formal Procurement

The following applies to Construction procurements in excess of \$25,000. (PUC § 130232)

- a. An Invitation for Bids (IFB) will be distributed and a notice inviting bids will be published at least once in a newspaper of general circulation or the equivalent. The publication shall be made at least 10 days before the date for the receipt of the bids. The competitive sealed bid method will be used.
- b. A control record will be maintained as the IFB is distributed indicating the date, time, and/or place of distribution or notice. The record shall contain the names and addresses of offerors receiving the IFB and details regarding the publication of the notice of IFB. The control record shall be used as a mailing or distribution list for the issuance of notices relative to the IFB and as a verification record in the case of vendor protests.
- c. Award of a Construction Contract shall be made to the lowest responsive responsible bidder whose bid conforms to all the material terms and conditions of the IFB.
- d. Award of a Construction Contract may proceed directly to the Board without prior review or recommendation by a Board Committee if the Contract award recommended is to the lowest responsive responsible bidder.
- The Board, at its discretion, may reject any and all bids and re-advertise.

3. Amendments

Contracts may be amended to extend the term, increase the not-to-exceed amount of the contract, or as otherwise needed.

C. Professional Services (A & E) - Qualifications Based Procurement

1. Informal Procurement

The following generally applies to Professional Services (A & E) procurements valued at \$25,000 or less:

- a. An Invitation for Quotes (IFQ) will be issued to a limited number of prospective proposers.
- b. Whenever possible, informal procurements should be based on the solicitation of at least three (3) proposals.
- c. Award of a Contract will be made to the consultant whose proposal conforms to the requirements of the IFQ and is most advantageous to the agency based on price and other factors considered.
- d. SBCTA will document results of all such informal procurement actions.

2. Formal Procurement

The following applies to Professional Services (A & E) procurements valued at more than \$25,000:

- a. The Request for Proposal (RFP)/Request for Qualifications (RFQ) process will be used to solicit proposals.
- b. These Contracts shall be awarded based upon demonstrated competence and professional qualifications and capabilities necessary to perform the services at a fair and reasonable price. This procurement process does not require award to the lowest cost proposer.
- c. Staff will maintain a control record as RFP packets are distributed indicating the date and time of distribution. The record shall contain the names and addresses of consultants receiving the RFP and attendance at pre-proposal conferences, if any.
- d. Pre-proposal conferences will be held, when appropriate, to discuss the basic requirements such as instructions to the consultants, funding, Contract type, evaluation criteria, and specific points that should be addressed in each proposal.
- e. Special consideration is required in the instances of a formal competitive process resulting in only one response. In those instances, SBCTA staff shall evaluate factors relative to the competitive process, including adequacy of notification to qualified competitors, requirements of the RFQ/RFP, the amount of time provided to respond to the RFQ/RFP, adequacy of the one proposal received, and urgency. After such an analysis, the Executive Director shall make a recommendation to either accept or reject the proposal. Each circumstance will require consideration of facts relevant to the specific solicitation and work to be performed.

3. Amendments:

- a. The Board or the Executive Director may periodically approve amendments to professional and technical services consulting Contracts contingent upon consultant performance and negotiation. Amendments may address all Contract components, but typically relate to increased cost, the period of performance to accomplish the project, or adjustments to the scope of work.
- a.b. Amendments to increase the cost and/or period of performance of an established scope of work are approved as a matter of prudence and necessity. These result from increased difficulty or range of work effort to accomplish the defined scope. Examples requiring such amendments include actions in response to review comments, the imposition of new state or

- federal regulations, various design complications, and other factors generally beyond the consultant's control and not anticipated during the initial cost proposal.
- b.c. In those instances where it has been determined that professional services are required beyond the term of the existing Contract, the standard practice shall be for the Contract to be reviewed prior to the end of the contracted performance period and assessed relative to (1) the scope and continued need for the function performed, (2) the adequacy of performance under the Contract, and (3) other terms and conditions of the Contract.
- c. In certain instances, SBCTA consultants are required to work closely with other public agency partners and SBCTA member jurisdictions. When such a professional services Contract is being considered for a revised scope or extension, staff will solicit input from the representatives of those public agencies on the performance, demeanor, and timely implementation of work performed by the consultant.
- d. Based upon the demonstrated competence and on the professional qualifications of the consultant and upon the particular project needs, Professional Services Contracts may be recommended for extension or be recommended for re-competition.
 - Re-competition for required professional services serves to assess the competitive market conditions relative to expertise and pricing for such services and may be prudent on a periodic basis. However, where professional services relate to specific on going projects or levels of unique qualifications, skills, and experience, it may be appropriate to extend such Contracts without re-competition. Staff shall analyze
- d. Unless otherwise disallowed, it may be prudent for staff to recommend in favor of Contract amendments in the following instances, after staff analyzes each Contract based upon the specific project needs and includes justification for such recommendation in the report to the Board or Executive Director:
 - i. When the amendments are the result of an increase in the scope of work for the same project, wherein the qualifications and experience required to perform the additional tasks were clearly examined as part of the prior competitive process.
 - <u>ii.</u> When, on the basis of a specific finding or competitive process prior to approval of the original Contract, the consultant was determined to be the most qualified and responsive to undertake the work addressed by the Contract amendment.
 - iii. Where the consultant, based upon findings presented to the Board, is found to be preeminently positioned to perform the work due to its: (1) specific qualifications, (2) unique knowledge of the project, or (3) unique knowledge of the work required.
- <u>D. Non A & E Services (Non A & E Professional Services and Non-Professional Services) –</u>

 Qualifications Based Procurement
 - 1. Informal Procurement
 - a. The provisions of Section V.C.1 for the Informal Procurement for A & E Professional Services Contracts generally apply to Non A & E Professional Services procurements.
 - <u>b.</u> The provisions of Section V.A.1 for the Informal Procurement for Goods generally apply to Non-Professional Services procurements.
 - 2. Formal Consultant Selection Process

The provisions of Section V.C.2 for the Formal Procurement for A & E Professional Services Contracts generally apply to Non A & E Services procurements. Award of a Contract will be made to the consultant whose proposal conforms to the requirements of the RFP and is most advantageous to the agency based on qualifications, price and other factors considered.

3. Amendments

a. The Board or the Executive Director may periodically approve amendments to Non-A & E

Professional and Non-Professional Services Contracts contingent upon consultant
performance and negotiation. Amendments may address all Contract components, but

- typically relate to increased cost, the period of performance to accomplish the project, or adjustments to the scope of work.
- b. Amendments to increase the cost and/or period of performance of an established scope of work are approved as a matter of prudence and necessity. These result from increased difficulty or range of work effort to accomplish the defined scope.
- c. In those instances where it has been determined that Non A & E Professional Services or Non-Professional Services are required beyond the term of the existing Contract, the standard practice shall be for the Contract to be reviewed prior to the end of the contracted performance period and assessed relative to (1) the scope and continued need for the function performed, (2) the adequacy of performance under the Contract, and (3) other terms and conditions of the Contract.
- a.d. It may be prudent for staff to recommend in favor of Contract amendments in the following instances, after staff analyzes each Contract based upon the specific project needs and include justification for such recommendation in the report to the Board or Executive Director.:
- e. It may be prudent for staff to recommend against a renewed competitive process in the following instances:
 - i. When the amendments are the result of an increase in the scope of work for the same project, wherein the qualifications and experience required to perform the newadditional tasks were clearly examined as part of the prior competitive process.
 - ii. When, on the basis of a specific finding or competitive process prior to approval of the original Contract, the consultant was determined to be the most qualified and responsive to undertake the work addressed by the Contract amendment.
 - iii. Where the consultant, based upon findings presented to the Board, is found to be preeminently positioned to perform the work due to its: (1) specific qualifications, (2) unique knowledge of the project, or (3) unique knowledge of the work required.
- f. The Board or the Executive Director may periodically approve amendments to professional and technical services consulting Contracts centingent upon consultant performance and negotiation. Amendments may address all Contract components, but typically relate to increased cost, the period of performance to accomplish the project, or adjustments to the scope of work.
- D.A. Non A & E Services (Non A & E Prefessional Services and Non-Prefessional Services)

 Qualifications Based Procurement

2.1. Informal Procurement

- a. The provisions of Section V.C.1 for the Informal Procurement for A & E Professional Services Contracts generally apply to Non A & E Professional Services procurements.
- b.a. The provisions of Section V.A.1 for the Informal Procurement for Goods generally apply to Non-Professional Services procurements.

3.1. Formal Consultant Selection Process

The provisions of Section V.C.2 for the Formal Procurement for A & E Professional Services Contracts generally apply to Non A & E Services procurements. Award of a Contract will be made to the consultant whose proposal conforms to the requirements of the RFP and is most advantageous to the agency based on qualifications, price and other factors considered.

4.1. Amondments

Amendments to Contracts for Non A & E Services shall be processed in accordance with the provisions contained in Section V.A.3 or V.C.3.

VI. EXCEPTIONS

A. Non-Competitive Procurements

Any recommendation for approval of a Contract or Purchase Order for which a competitive process has not been completed shall contain justification for the lack of competition based on the following standards, and any Contracts or Purchase Orders exceeding the Executive Director's authority must be presented to the Board for approval, specifically calling out the Non-Competitive finding, and shall be placed on the discussion calendar.

Competitive processes are not required for purchases of Goods and services under \$1,000, but
the prices shall be reasonable. No ICE is required. Selection should be based on quality and cost.
To the extent practicable, purchases must be distributed equitably among qualified suppliers or
vendors.

2. Services - Sole Source

- a. In those instances when it may be necessary or prudent to enter into sole source Contracts or Purchase Orders, specific approval shall be required.
- b. All sole source Contracts or Purchase Orders shall be governed by the following guidelines:
 - Sole source Contracts or Purchase Orders may be recommended for approval upon a finding of appropriateness and that it is in the best interest of the agency to do so.
 - a. Contracts or Purchase Orders may be recommended for approval on a sole source selection based upon a requirement for unique qualifications, the existence of significant time constraints, substantial duplication costs, and/or in certain instances of demonstrated experience.
 - b. After solicitation of a number of sources, the competition is determined inadequate.

3. Goods - Single Source

Pursuant to Public Utilities Code § 130237, the Board may direct the purchase of any Goods without engaging in a competitive procurement process upon a finding by two-thirds (2/3) of all Board members that there is only a single source of procurement and the purchase is for the sole purpose of duplicating or replacing the supply, equipment, or material already in use.

4. Uniformity Exemption for technology related procurements

The For non-federalized purchases, the competitive process shall not apply to purchases of software licenses/subscriptions and maintenance support services that are required to maintain compatibility, functionality, or conformity with existing designs, products, equipment, facilities, systems, software, technologies, standardizations, proprietary product and the like; (i.e., an article of a specified brand or trade name is the only article that will properly meet the needs of SBCTA), or to maintain current warranties, or are the "only authorized distributor" circumstances, or contractual obligations deemed to". All federalized technology purchases shall be in the Agency's best interests in the determination of the awarding authority.compliance with requirements stipulated by the associated funding source.

Any recommendation for approval of a Contract or Purchase Order for which a competitive process has not been completed shall contain justification for the lack of competition.

Contracts or Purchase Orders exceeding the Executive Director's approval must be presented to the Board for approval specifically calling out the Non-Competitive finding and shall be placed on the discussion calendar.

B. Cooperative Procurements (piggybacking)

SBCTA may contract with the vendor or supplier of any federal, state or local governmental department or agency (Public Agency) that has selected the vendor or supplier after complying with the Public Agency's competitive procurement requirements, and if it is in the best interest of SBCTA to do so. SBCTA's Procurement Manager will determine whether the purchase of Goods and

services directly from the vendor or supplier of a Public Agency is in the best interest of SBCTA based upon price, quality and whether the terms and conditions of the cooperative procurement Contract meet SBCTA's procurement policy.

C. Emergency Procurements (PUC § 130234)

In the event of great public calamity, as defined by Public Utilities Code § 130234, the Board may declare and determine, by resolution adopted by two-thirds (2/3) vote of all its members, that public interest and necessity demand the immediate expenditure of funds to safeguard life, health, or property, and enter into a Contract without observance of the provisions of this policy and/or Public Utilities Code § 130232.

D. Remedial Measures (PUC § 130235)

Upon determining that immediate remedial measures are necessary to avert or alleviate damage to property, or to replace, repair, or restore damaged/destroyed property in order to ensure that SBCTA's facilities are available to serve the transportation needs of the public, and upon determining that available remedial measures are inadequate, including the procurement of Goods and services or construction in accordance with Public Utilities Code §§ 130232-130234, the Executive Director may authorize the expenditure of funds for the procurement of Goods and services without observance of the provisions of this policy and/or Public Utilities Code §§ 130232-130234. The Executive Director shall submit a report to the Board explaining the necessity of any such expenditure.

E. Prototype Equipment (PUC § 130236)

Upon a finding by two-thirds (2/3) vote by all members of the Board that a proposed competitive bid or open market purchase, in accordance with Public Utilities Code §§ 130232 and 130233, does not constitute an adequate method of procurement for the operation of SBCTA facilities or equipment, the Board may direct the procurement of prototype equipment or modifications in an amount sufficient to conduct and evaluate operational testing without further observance of the provisions of this policy and/or Public Utilities Code § 130232.

F. Specialized Equipment (PUC § 130238)

The Board may, upon a finding by two-thirds (2/3) vote by all its members, direct that the procurement of (1) specialized rail transit equipment, including rail cars, and (2) computers, telecommunications equipment, fare collections equipment, microwave equipment, and other related electronic equipment and apparatus be conducted through competitive negotiation as set forth in Public Utilities Code § 130238.

G. Open Market (PUC § 130233)

If after rejecting bids received from a formal competitive procurement process, the Board determines by a majority vote that the Goods may be purchased at a lower price in the open market, the procurement of such Goods or services may proceed without further observance of the provisions of this policy regarding Contracts, bids, advertisement, or notice.

H. Design-Build

Procurements may be authorized by the Board, pursuant to the Public Contract Code § 6820 et seq. Public Contract Code § 222160 et seq., or other applicable law, for the design and construction of eligible projects through design—build Contracts. Such procurements shall be performed in accordance with applicable state and federal laws.

I. Utilities Services

The provisions of this policy are not required for procuring utility services including but not limited to water, sewer, electricity, natural gas, waste disposal, and telecommunications (telephone and internet).

J. Venues

The provisions of this policy are not required for the selection of venues for SBCTA's events. Venues are selected based on location, size, and other specific needs as required depending on the event.

VII. PURCHASE ORDERS

Issuance of Purchase Orders shall follow the competitive and non-competitive processes set forth in this Policy, but do not require legal counsel approval as to form or written concurrence of the Procurement Manager. Purchase Orders are authorized for the following purposes only:

- A. Purchase of Goods
- B. Purchase of Services under \$10,000, when the risks to SBCTA are considered low, in the discretion of the Procurement Manager and the Risk Manager.
- C. Software license and related maintenance and support agreements, unless software customization is required.

VIII. DELEGATION OF AUTHORITY

- A. Invitations for Quotes, Requests for Proposals, Requests for Qualifications, Invitations for Bids
 - The Executive Director is authorized to release and advertise Requests for Proposals (RFP), Requests for Qualifications (RFQ) and Invitations for Bids (IFB) for proposed Contracts/projects for which <u>funding the solicitation</u> has been <u>approved listed</u> in SBCTA's <u>current Annual most recent</u> <u>adopted</u> Budget and which are estimated not to exceed \$1 Million.
 - Board approval must be obtained prior to circulation of any RFP/RFQ/IFB if <u>fundingthe solicitation</u> has not been <u>approved[isted]</u> in SBCTA's <u>current Annualmost recent adopted</u> Budget, or if the anticipated value of the RFP/RFQ/IFB exceeds \$1 Million.
 - 2. General Counsel is authorized to issue RFQs for the purpose of creating and maintaining panels of qualified lawyers and law firms to provide legal services.
 - The Procurement Manager or Department Director, or their designee, are authorized to release and advertise Invitations for Quotes (IFQ) for proposed Contracts or Purchase Orders estimated not to exceed \$25,000 and Requests for Information.
- B. Contracts, Purchase Orders, Non-Procurement Agreements, Amendments and Contingency Amendments
 - 1. General Policy.
 - a. Except as provided in VIII.B.4.c.ii, all Contracts, Purchase Orders, and amendments in excess of \$100,000 require approval by the Board, unless otherwise authorized by the Board.
 - b. In order to prevent delays that would result in negative impacts to projects and/or programs, staff will provide sufficient time for Policy Committees and/or the Board to review and consider staff recommendations for approval of Contracts and Contract amendments. Refer to Policy 10025.
 - 2. <u>Board President</u>. The Board President is the officer designated to sign Contracts on behalf of the organization, unless otherwise authorized by the Board. In the absence of the Board President, the Board Vice President is authorized to sign Contracts on behalf of the organization.
 - 3. <u>General Policy Committee</u>. The General Policy Committee is authorized to approve Contracts in excess of \$100,000, <u>CTOsContract Task Orders</u> in excess of \$500,000, and amendments exceeding the Executive Director's authority in the event of significant time constraints, extenuating circumstances, or emergencies when approval is required, with notification to the Board. Notification shall be made at the next regularly scheduled meeting of the Board following such approval.

- 4. Executive Director. The Executive Director is authorized to approve and execute:
 - a. All Contracts and, Purchase Orders-, and Non-Procurement Agreements (not Receivable) up
 to \$100,000. The Executive Director can only approve perpetual software licenses and
 subscriptions if listed in the current adopted budget.
 - b. Contract amendments and, Purchase Order amendments, and Non-Procurement Agreements (not Receivable) amendments:
 - i. With zero dollar value.
 - ii. For Contracts-or, Purchase Orders, or Non-Procurement Agreements originally less than \$100,000, up to 50% of the original Contract-or, Purchase Order, or Non-Procurement Agreement value.
 - iii. For Contracts-or, Purchase Orders, or Non-Procurement Agreements originally over \$100,000, amendments that cumulatively do not exceed 50% of the original Contract-or, Purchase Order, or Non-Procurement Agreement value or \$100,000, whichever is less.
 - iv. Amendments to extend Contract term of performance, either by exercising the optional term(s) set out in Contracts or Purchase Orders approved by the Board, or, if the Contract or Purchase Order has no such options, to extend the term up to a total five year performance period.
 - v. Non-Procurement Agreements that extend time for any period.
 - vi. For Contracts with Board-approved contingencies, releases of contingency up to, but that do not exceed, the authorized contingency amounts.
 - c. Contract Task Orders (CTO):
 - i. All CTOs up to \$500,000, not-to-exceed the available Contract balance.
 - ii. CTO amendments within available Contract balance:
 - With zero dollar value.
 - For CTOs originally less than \$500,000, increasing the CTO amount up to \$500,000.
 - For CTOs originally \$500,000 or more, increasing the CTO amount by up to \$250,000.
 - d. Sole source procurements for services up to \$100,000 per Section VI, and sole source procurement of Goods up to a maximum amount of \$50,000 (PUC § 130232(c)). Such sole source procurements shall be routinely reported to the Board.
 - ee. Zero Dollar and Receivable Non-Procurement Agreements up to \$100,000, as long as they:
 - i. Are not the original cooperative agreement for new projects with an overall project value in excess of \$100,000;
 - ii Do not require hiring additional staff not budgeted;
 - iii. Do not result in increased agency costs that are not reimbursed in excess of \$100,000; and
 - iv. Are included in the SBCOG work plan (if it is for a SBCOG activity).
 - f. Amendments to Zero Dollar and Receivable Non-Procurement Agreements:
 - i. That extend time, for any period; and
 - ii. Do not exceed a net funding change of \$100,000.
 - g. Leases of real property by SBCTA: (lessee):
 - With a term not to exceed five (5) years.
 - ii. Total rent not to exceed \$100,000 for entire lease term.
 - iii. Lease amendments within available term limit and total rent value, as set forth in i. and ii. above.

(Note: the delegation of authority granted under this policy does not affect the authority granted to the Executive Director under any applicable Board Resolution.)

- 5. <u>General Counsel</u>. In order to address the agency's legal needs, General Counsel is authorized to directly award, execute, and amend legal services agreements up to \$100,000. All such agreements shall be routinely reported to the Board. The procurement requirements set forth in Section V.D are not applicable to legal services agreements awarded under this provision.
- 6. <u>Department Director</u>. The Department Director, or their designee, is authorized to approve and execute contingency amendments (SBCTA Form 305) for services Contracts and change ordersChange Orders for construction Contracts that do not exceed contingency amounts authorized by Board, or the Executive Director. Contingency amendments and change ordersChange Orders approved by the Department Directors will be presented monthly for review to the appropriate Policy Committee and/or Board.
- 7. Director of Management Services. The Director of Management Services, or their designee, is authorized to effect final execution of software agreements and/or terms and conditions for POs and/or Contracts that have been approved by the appropriate authority.

IX. Delegation of Authority to Act Upon Special Risks or Circumstances related To Insurance Requirements In Awarded Contracts, Purchase Orders, and License/Lease Agreements

A. Delegation of Authority

- 1. <u>Risk Manager and Director of Special Projects and Strategic Initiatives</u>. The Risk Manager and the Director of Special Projects and Strategic Initiatives are authorized to:
 - a. Make changes to the general insurance requirements, including limits of coverage, after considering the nature of the risk exposures, prior experience, insurer(s), coverage terms and conditions, or other special circumstances, as provided in b. and c., below.
 - b. Reconsider and make changes to the insurance coverage limits that do not exceed a 50% difference above or below the originally accepted limits of insurance.
 - c. Approve deductibles and self-insured retention up to \$500,000.
- 2. Executive Director. The Executive Director is authorized to:
 - a. Make changes to the general insurance requirements, including limits of coverage, after considering the nature of the risk exposures, prior experience, insurer(s), coverage terms and conditions, or other special circumstances, as provided in b., c., and d., below.
 - b. Reconsider and make changes to the insurance coverage limits that <u>may</u> exceed a 50% difference above or below the originally accepted limits of insurance.
 - c. Eliminate any coverage conditions, limits, other requirements, including eliminating specific coverage(s) entirely.
 - d. Approve deductibles and self-insured retention up to \$5,000,000 for utility companies, up to stated insurance requirements for government agencies, and up to \$1,000,000 for all other companies.

B. Special Circumstances

- 1. The following are special circumstances that may be grounds for changing insurance requirements:
 - a. Changes in scope of services, including, but not limited to, Contracts with multiple notice to proceed and on-call providers with multiple Contract Task Orders
 - b. Insurance market-related constraints, such as type of insurers or coverage available
 - c. Change in company size
 - d. Change in number of vehicles owned by company

- e. Changes that may trigger or eliminate requirement of worker's compensation coverage
- f. Insurance policy required is no longer applicable or insurance policy that was not previously applicable becomes applicable and must be added
- Insurance levels required are too high for company size and consequently not available in the market
- Company-secured insurance that requires a deductible or self-insured retention
- C. Assessing Risks and Identifying Mitigating Controls
 - Some of the circumstances listed above do not change SBCTA's exposure, others do. In order to ensure that SBCTA is protected, the Risk Manager will review each request and assess the associated risk, if any, and any potential mitigating controls.
 - a. The review will include the following steps:
 - i. Review scope of work and reassess insurance types and limits
 - Review vendor's insurance broker recommendations and consult with SBCTA insurance broker if necessary.
 - iii. When appropriate, assess vendor's financial strength by reviewing the vendor's:
 - 1. Financial statements
 - 2. Actuary reports for self-insured program
 - 3. Third Party Administrator reputation
 - 4. Number of claims in the past five years
 - iv. Review the insurers' financial strength and, when applicable, require an increase to their financial rating to mitigate additional risks.
- D. Mechanism to Incorporate Approved Changes
 - 1. The following will require amendments that will be approved by the Executive Director or the Board of Directors, as is appropriate under this Policy's provisions:
 - a. Changes to insurance limits.
 - b. Elimination of any coverage, limits, or other requirements.
 - 2. The following changes can be done by preparing a memo that is provided to the vendor and a copy is filed with the Contract or Purchase Order:
 - a. Financial rating of insurers (Financial rating lower than A-VII will require Board of Directors' approval).
 - b. Deductibles and self-insured retention.
 - c. Endorsements.

X. STANDARD OF ETHICS

- A. No SBCTA staff shall solicit, demand or accept from any person anything of a monetary value for or because of any action taken, or to be taken, in the performance of his or her duties. SBCTA staff failing to adhere to the above will be subject to any disciplinary proceeding deemed appropriate by SBCTA, including possible dismissal.
- B. No SBCTA staff shall use confidential information for his or her actual or anticipated personal gain, or the actual or anticipated personal gain of any other person related to such SBCTA staff by blood, marriage, or by common commercial or financial interest. SBCTA staff failing to adhere to the above will be subject to any disciplinary proceeding deemed appropriate by SBCTA, including possible dismissal.
- C. SBCTA procurements shall be conducted in accordance with SBCTA's Procurement Standards of Conduct and in compliance with the SBCTA Conflicts of Interest Policy and applicable federal and state law.

XI. REVISION HISTORY

Revision No.	Revisions	Adopted
0	New Policy. Adopted by the Board of Directors	01/03/97
1	Modified Para. 11000.10	01/07/98
2	Modified Para. 11000.7.2	01/07/98
3	Deleted & replaced Para. 11000.7.3	01/07/98
4	Added Para. 11000.10 B	03/04/98
5	Modified Para. 11000.10	06/03/99
6	-Added Para. 11000.7.2.f -Modified Para. 11000.7.3.5.B -Modified Para. 11000.9.3.2	09/01/99
7	-Added new Para. 11000.5.G -Re-identified Para. 11000.5.H (was Para. 11000.5.G) and revised to add "or the Plans and Programs Committee" -Re-identified Para. 11000.5.I (was Para. 11000.5.H) -Moved Para. 11000.7.5.3 to new paragraph 11000.7.5.1.d and added "and shall be placed on the discussion calendar." -Added Para 11000.12 REVISION HISTORY	07/05/00
8	-Revised Par. 11000.2 DEFINITIONS to REFERENCES and added Policy 10025, Guidelines for Agenda MaterialsRevised Paragraphs 11000.5.H and 11000.5.I -Re-numbered original Par. 11000.5.I to 11000.5.J -Deleted Par. 11000.10 POLICY GOVERNING DISADVANTAGED BUSINESS ENTERPRISES; renumbered original Paragraphs 11000.11 and 11000.12 to 11000.10. and 11000.11.	01/09/02
9	Par. IX.A.1: Added additional paragraph "In certain instances, SANBAG professional services contractors are required to work closely with other public agency partners". Re-formatted paragraph numbering to match current policy format, e.g., 11000.1 PURPOSE changed to I. PURPOSE.	07/02/03

11	Par. IV.E.2 and 3: Increased the Executive Director's authority for approving Purchase Orders from \$25,000 to \$50,000.	12/03/08
12	Revised the "Director of Freeway Construction" to "Director of Project Delivery". Par. VII.D.2: Increased the Executive Director's authority for approving sole source procurements from \$25,000 to \$50,000. All other changes in language were made for clarity.	10/06/10
13	Par. V.K: Added authorization for SANBAG General Counsel to award and execute legal services agreements up to \$50,000. Par. VII.B.1.b: Added authorization for SANBAG General Counsel to issue RFQs.	07/11/12
14	Par. IX.C: Changed 'Director of Project Delivery' to 'SANBAG Department Directors'. Par. V.F: Changed the maximum term for standard SANBAG contracts, unless otherwise authorized by the Board of Directors, to five years (was three years).	08/01/12
15	Par. V.L: Added Requirement for Independent Cost Estimates. Adopted by Board of Directors on 10/3/12, Agenda Item 6.	10/03/12
16	Par. VII.A.2: Added Insurance Requirements. Par. VII.C: Major Projects Negotiating Guidelines removed since Policy 34504, Major Projects Program, Contract Negotiation Guidelines, was repealed on 9/5/12 (Board Agenda Item 5). Par. VII.D, Sole Source Process renamed to Par. VII.C	11/07/12
17	Par. VII.A.1.c: Deleted "Use of electronic quotation systems operating within San Bernardino County" and replaced with language on Cooperative Procurements.	12/05/12
18	Changes approved by the Board of Directors on February 6, 2013, Agenda Item 32. Approve modifications, granting the SANBAG Executive Director or designee, contracting and/or signature authority as follows: 1. To release and advertise Requests for Proposals, Request for Quotes and Invitation for Bids, for proposed contracts for which funding has been approved in SANBAG's Annual Budget, and which are estimated not to exceed \$1,000,000. 2. To approve and execute all purchase orders and contracts up to \$100,000; and 3. To approve and execute contract amendments that meet at least one of the following criteria: a. Amendments with zero dollar value;	02/06/13
	 b. Amendments to exercise the option term(s) set out in contracts approved by the SANBAG Board of Directors; or c. Amendments that cumulatively do not exceed 50% of the original contract value or \$100,000 individually whichever is less. Paragraphs IV.E.3, V.B, V.H, VII.B.1.a, VII.C.2, IX, and IX.B revised to incorporate these changes. Par. V.H: Revised to incorporate Board-approved agenda items (9/5/12 Agenda Item 7 and 11/7/12 Agenda Item 28) on the renaming and deletion of policy committees. 	

Revision No.	Revisions	Adopted
19	Change approved by the Board of Directors on May 1, 2013, Agenda Item 6. VII.B.3. Removed "In this instance of SANBAG's Major Projects contracts, the selection team shall consist of 2 Caltrans representatives and 3 representatives from member counterpart agencies, or members of the Board of Directors or their designees."	05/01/13
20	Change approved by the Board of Directors on April 9, 2014, Agenda Item 7. Par. V.F: Further identified term duration and description of procurement contracts. Par. V.H.3 Approved modification, granting the SANBAG Executive Director authority to approve and execute purchase order amendments.	04/09/14
21	Change approved by the Board of Directors on January 4, 2017, Agenda Item 6. Change SANBAG to SBCTA. Revised to reorganize sections and incorporate statutory provisions of SB1305 applicable to SBCTA. Deleted requirement for Committee approval of contract awards to low bidders. Increased General Counsel contract authority to \$100,000.	01/04/17
22	Change approved by the Board of Directors on December 6, 2017, Agenda Item 4. Incorporated language regarding 2 CFR part 200 federal requirements.	12/06/17
23	Changes approved by the Board of Directors on January 8, 2020, Agenda Item 6. Added in Executive Director CTO signature limit.	01/08/20
24	Changes approved by the Board of Directors on June 3, 2020, Agenda Item 3. Added provisions recontingency amendments.	06/03/20
25	Changes approved by the Board of Directors on 10/6/21, Agenda Item 3. Expanded the Risk Management review, revised Leasing of Real Property, added exceptions for uniformity and Utilities, clarify the use of Purchase Orders, added provisions for changes to insurance requirements after contract award.	10/06/21
<u>26</u>	Changes approved by Board of Directors on XXXXX, Agenda Item XX. Expanded definitions, modified the amendment sections for procurements of Goods and services, updated the Uniformity Exception clause, and expanded the Executive Director authority to incorporate approval of Non-Procurement agreements and amendments.	1/04/23

I. PURPOSE

This policy establishes contracting and procurement standards to guide the selection of the most qualified vendors to perform services to the best advantage of the Agency and to acquire goods at a fair and reasonable price. It provides guidance to San Bernardino County Transportation Authority (SBCTA) staff with respect to policy considerations adopted by the SBCTA and San Bernardino Associated Governments (SANBAG or SBCOG) Board of Directors.

III. POLICY

All procurement activity on behalf of SBCTA and SBCOG is required to demonstrate that the expenditure of funds is conducted in an honest, competitive, fair, and transparent manner that achieves the best value for money and protects the agency's reputation.

IV. GENERAL

A. Definitions

<u>Awarding Authority</u> means the Board, a Board Committee, or the Executive Director to whom the Board delegated authority to award a contract or purchase order under this Policy or by other action of the Board.

<u>Construction (Public Works)</u> as defined by Public Contract Code (PCC) § 22002, means construction, reconstruction, erection, alteration, renovation, demolition, painting, and repair work

involving any publicly owned, leased or operated facility, building, structure, real property, street or highway, or other public improvement of any kind.

<u>Contract</u> means an agreement with a third party for acquisition of Goods, Services or Construction work.

<u>Change Order</u> is a written order issued after execution of a construction contract authorizing: (1) an addition, deletion or revision to the Work; (2) adjustment in the contract amount; and/or (3) adjustment to the performance time.

<u>Executive Director</u> means the Executive Director of SBCTA and shall be deemed to include any designee specified by the Executive Director to act in his or her behalf.

Goods means supplies, materials, equipment, and other movable/tangible things.

Independent Cost Estimates (ICE) means the best 'estimate' as to the cost of the Goods, services or construction work being procured. The method and degree of analysis is dependent on the complexity of the Goods, services or construction work being procured. An ICE should be prepared in advance of the receipt of any bids or proposals, amendments or Change Orders. The United States Department of Transportation, Federal Highways Administration and Federal Transit Administration require recipients of federal dollars to "perform a cost or price analysis in connection with every procurement action, including contract modifications..." The starting point for cost or price analysis is the development of an ICE which should be used in the evaluation of the consultant's or contractor's price proposal.

<u>Invitation for Bids (IFB)</u> means a competitive procurement process that requires the award be made to the lowest responsive responsible bidder whose bid conforms to all the material terms and conditions of the IFB.

<u>Invitation for Quotes (IFQ)</u> means a competitive procurement process which the award of a contract or purchase order will be to the lowest responsive responsible bidder whose bid conforms to SBCTA's requirements or is most advantageous to the agency based on price and other factors considered.

Non-Procurement Agreement refers to an agreement other than those utilized to acquire Goods, Services, and Construction work, which includes but is not limited to, a cooperative agreement, memorandum of understanding, and revenue/funding agreement.

<u>Non-Professional Services</u> means janitorial, maintenance, security, advertising, printing, postal, landscape maintenance, including mowing, weeding, watering, trimming/pruning, planting, and servicing of irrigation and sprinkler systems, the maintaining or servicing of Goods, and other services that are not deemed a professional service.

<u>Procurement Professional</u> means procurement staff responsible for overseeing the Procurement Solicitation.

<u>Procurement Solicitation</u> means Invitation for Bids (IFB), Request for Proposals (RFP), Request for Qualifications (RFQ), Invitation for Quotes (IFQ), or other forms of written or verbal solicitations for the procurement of Goods, Non-Professional and Professional Services, and Construction work.

<u>Professional Services (A & E)</u> means architectural, engineering, environmental, land surveying, construction engineering, construction project management services, or other professional services of an architectural or engineering nature that are required to be performed or approved by a person licensed, registered, or certified to provide such services.

<u>Professional Services (Non A & E)</u> means advisory, information technology, legal, financial, accounting, auditing, legislative advocacy, marketing, freeway service patrol, program management, and any other services which involve the exercise of professional discretion and independent judgment based on advanced or specialized knowledge, expertise or training gained by formal studies or experience, but excludes Professional Services (A & E).

<u>Purchase Order (PO)</u> is a written authorization issued by a buyer committing to pay the seller for the sale of specific Goods or services to be delivered in the future.

Receivable means any agreement by in which the agency expects to receive monetary or in-kind value.

<u>Request for Information (RFI)</u> means a solicitation used to obtain general information about products, services, or suppliers.

Request for Proposal/Request for Qualifications (RFP/RFQ) means a competitive procurement process that requires evaluation of a consultant's proposal and qualifications.

<u>Split Procurement</u> means a willful splitting of a single transaction into a series of transactions for the purpose of evading the applicable procurement requirements.

B. Standard Requirements

- Concurrence. All Contracts shall be reviewed by the Procurement Manager prior to approval by the Board or the Executive Director. The Procurement Manager's concurrence ensures the procurement process was completed in accordance with SBCTA policies and procedures, and applicable State and/or Federal contracting laws
- Consultant Selection. When procuring a consulting firm for architectural and engineering services
 utilizing federal funds through Caltrans, SBCTA will advertise, award and administer the project in
 accordance with Caltrans current Local Assistance Procedures per 23 CFR part 172 unless
 otherwise stated in the executed Caltrans project-specific Program Supplement.
- 3. <u>Contract Provisions</u>. All Contracts shall specify a period of performance, description of the function to be performed, total contract amount, and appropriate performance standards.
- 4. <u>Contract Term.</u> Unless otherwise authorized by the Board, the maximum term for Contracts or Purchase Orders shall be five years, with the following exceptions: (1) Contracts or Purchase Orders for software related maintenance and support services can have a period of up to 10 years; (2) Contracts or Purchase Orders for software agreements, including but not limited to, licenses and subscriptions may be for any period of time, including perpetual.
- 5. Federal/State Requirements. When utilizing state and federal funds which require more rigorous or different procurement standards than required by this policy, such standards will apply. SBCTA is responsible for ensuring that such standards, including those set out in 2 CFR part 200 and 2 CFR part 1201, are met and are included in appropriate Contracts.
- 6. <u>Independent Cost Estimate (ICE)</u>. Except for purchases under \$1,000, an ICE is required for every procurement action.
- 7. <u>Insurance</u>. SBCTA's Risk Manager is responsible for: 1) ensuring that all insurance requirements are reviewed and approved prior to the solicitation being released for all procurements, and 2) reviewing certificates of insurance and endorsements for compliance with Contract and Purchase Order requirements.
- 8. <u>Legal Counsel Review</u>. All Contracts shall be reviewed by legal counsel prior to approval by the Board or the Executive Director. All Contracts will be approved as to form by legal counsel prior to execution by SBCTA.
- 9. Non-Discrimination. All Contracts shall contain a standard non-discrimination clause.
- 10. Split Procurements. Under no circumstances shall related procurement activity be split into subparts, smaller similar actions, multiple purchases or orders to avoid compliance with the applicable competitive selection process, avoid requirements of higher approval authority for a contract or amendment, or otherwise circumvent SBCTA procurement policies and/or procedures.

11. <u>Written Contracts and Non-Procurement Agreements</u>. All Contracts and Non-Procurement Agreements shall be in writing and signed by authorized representatives of all parties.

V. TYPES OF PROCUREMENTS

A. Goods - Competitive Procurement

1. Informal Procurement (PUC § 130232(b))

The following procedures will generally be used when each expected procurement for Goods is valued in excess of \$1,000, but not exceeding \$25,000:

- a. Whenever possible, informal procurements should be based on the solicitation of at least three (3) bids, either written or oral, that permit prices and terms to be compared.
- b. An IFQ or letters may be required if the Goods being requested require more detailed bids. IFQ or letters will be issued to a limited number of prospective bidders.
- c. Award of a Purchase Order or Contract will be to the lowest responsive responsible bidder whose bid conforms to SBCTA's requirements or is most advantageous to the agency based on price and other factors considered.
- d. SBCTA will document the results of all such informal procurement actions.

2. Formal Procurement (PUC § 130232(a))

The following applies to procurements valued in excess of \$25,000:

- a. An Invitation for Bids (IFB) will be distributed and a notice inviting bids will be published at least once in a newspaper of general circulation or the equivalent. The publication shall be made at least 10 days before the date for the receipt of the bids. The competitive sealed bid method will be used.
- b. A control record will be maintained as the IFB is distributed, indicating the date, time, and/or place of distribution or notice. The record shall contain the names and addresses of offerors receiving the IFB and details regarding the publication of the notice of IFB. The control record shall be used as a mailing or distribution list for the issuance of notices relative to the IFB and as a verification record in the case of vendor protests.
- c. Award of a Contract or Purchase Order shall be made to the lowest responsive responsible bidder whose bid conforms to all the material terms and conditions of the IFB.
- d. The Board, at its discretion, may reject any and all bids and readvertise.

3. Amendments:

Contracts and Purchase Orders may be amended to add quantities, increase compensation, and/or extend the delivery period for Goods that were listed in the original competitive procurement process, provided the proposed amendment complies with one or more of the following circumstances.

- a. Cumulatively, any additional quantity does not exceed 25% of the quantity listed in the original competitive procurement process; or
- b. An ICE prepared in advance of the proposed amendment demonstrates it would be more cost effective to amend the Contract or Purchase Order to add quantities than procuring the additional quantities under a separate procurement process.

B. Construction - Competitive Procurement

1. Informal Procurement

The following generally applies to Construction procurements valued at \$25,000 or less:

- Whenever possible, informal procurements should be based on the solicitation of at least three (3) bids.
- b. An Invitation for Quotes (IFQ) will be issued to a limited number of prospective bidders.
- Award of a Contract will be to the lowest responsive responsible bidder whose bid conforms to the SBCTA's requirements.
- d. SBCTA will document results of all such informal procurement actions.

2. Formal Procurement

The following applies to Construction procurements in excess of \$25,000. (PUC § 130232)

- a. An Invitation for Bids (IFB) will be distributed and a notice inviting bids will be published at least once in a newspaper of general circulation or the equivalent. The publication shall be made at least 10 days before the date for the receipt of the bids. The competitive sealed bid method will be used.
- b. A control record will be maintained as the IFB is distributed indicating the date, time, and/or place of distribution or notice. The record shall contain the names and addresses of offerors receiving the IFB and details regarding the publication of the notice of IFB. The control record shall be used as a mailing or distribution list for the issuance of notices relative to the IFB and as a verification record in the case of vendor protests.
- Award of a Construction Contract shall be made to the lowest responsive responsible bidder whose bid conforms to all the material terms and conditions of the IFB.
- d. Award of a Construction Contract may proceed directly to the Board without prior review or recommendation by a Board Committee if the Contract award recommended is to the lowest responsive responsible bidder.
- e. The Board, at its discretion, may reject any and all bids and re-advertise.

3. Amendments

Contracts may be amended to extend the term, increase the not-to-exceed amount of the contract, or as otherwise needed.

C. Professional Services (A & E) – Qualifications Based Procurement

1. Informal Procurement

The following generally applies to Professional Services (A & E) procurements valued at \$25,000 or less:

- a. An Invitation for Quotes (IFQ) will be issued to a limited number of prospective proposers.
- b. Whenever possible, informal procurements should be based on the solicitation of at least three (3) proposals.
- c. Award of a Contract will be made to the consultant whose proposal conforms to the requirements of the IFQ and is most advantageous to the agency based on price and other factors considered.
- d. SBCTA will document results of all such informal procurement actions.

2. Formal Procurement

The following applies to Professional Services (A & E) procurements valued at more than \$25,000:

 a. The Request for Proposal (RFP)/Request for Qualifications (RFQ) process will be used to solicit proposals.

- b. These Contracts shall be awarded based upon demonstrated competence and professional qualifications and capabilities necessary to perform the services at a fair and reasonable price. This procurement process does not require award to the lowest cost proposer.
- c. Staff will maintain a control record as RFP packets are distributed indicating the date and time of distribution. The record shall contain the names and addresses of consultants receiving the RFP and attendance at pre-proposal conferences, if any.
- d. Pre-proposal conferences will be held, when appropriate, to discuss the basic requirements such as instructions to the consultants, funding, Contract type, evaluation criteria, and specific points that should be addressed in each proposal.
- e. Special consideration is required in the instances of a formal competitive process resulting in only one response. In those instances, SBCTA staff shall evaluate factors relative to the competitive process, including adequacy of notification to qualified competitors, requirements of the RFQ/RFP, the amount of time provided to respond to the RFQ/RFP, adequacy of the one proposal received, and urgency. After such an analysis, the Executive Director shall make a recommendation to either accept or reject the proposal. Each circumstance will require consideration of facts relevant to the specific solicitation and work to be performed.

3. Amendments:

- a. The Board or the Executive Director may periodically approve amendments to professional and technical services consulting Contracts contingent upon consultant performance and negotiation. Amendments may address all Contract components, but typically relate to increased cost, the period of performance to accomplish the project, or adjustments to the scope of work.
- b. Amendments to increase the cost and/or period of performance of an established scope of work are approved as a matter of prudence and necessity. These result from increased difficulty or range of work effort to accomplish the defined scope. Examples requiring such amendments include actions in response to review comments, the imposition of new state or federal regulations, various design complications, and other factors generally beyond the consultant's control and not anticipated during the initial cost proposal.
- c. In those instances where it has been determined that professional services are required beyond the term of the existing Contract, the standard practice shall be for the Contract to be reviewed prior to the end of the contracted performance period and assessed relative to (1) the scope and continued need for the function performed, (2) the adequacy of performance under the Contract, and (3) other terms and conditions of the Contract.
- d. Unless otherwise disallowed, it may be prudent for staff to recommend in favor of Contract amendments in the following instances, after staff analyzes each Contract based upon the specific project needs and includes justification for such recommendation in the report to the Board or Executive Director:
 - i. When the amendments are the result of an increase in the scope of work for the same project, wherein the qualifications and experience required to perform the additional tasks were clearly examined as part of the prior competitive process.
 - ii. When, on the basis of a specific finding or competitive process prior to approval of the original Contract, the consultant was determined to be the most qualified and responsive to undertake the work addressed by the Contract amendment.
 - iii. Where the consultant, based upon findings presented to the Board, is found to be preeminently positioned to perform the work due to its: (1) specific qualifications, (2) unique knowledge of the project, or (3) unique knowledge of the work required.
- D. Non A & E Services (Non A & E Professional Services and Non-Professional Services) Qualifications Based Procurement
 - 1. Informal Procurement

- a. The provisions of Section V.C.1 for the Informal Procurement for A & E Professional Services Contracts generally apply to Non A & E Professional Services procurements.
- The provisions of Section V.A.1 for the Informal Procurement for Goods generally apply to Non-Professional Services procurements.

2. Formal Consultant Selection Process

The provisions of Section V.C.2 for the Formal Procurement for A & E Professional Services Contracts generally apply to Non A & E Services procurements. Award of a Contract will be made to the consultant whose proposal conforms to the requirements of the RFP and is most advantageous to the agency based on qualifications, price and other factors considered.

3. Amendments

- a. The Board or the Executive Director may periodically approve amendments to Non-A & E Professional and Non-Professional Services Contracts contingent upon consultant performance and negotiation. Amendments may address all Contract components, but typically relate to increased cost, the period of performance to accomplish the project, or adjustments to the scope of work.
- b. Amendments to increase the cost and/or period of performance of an established scope of work are approved as a matter of prudence and necessity. These result from increased difficulty or range of work effort to accomplish the defined scope.
- c. In those instances where it has been determined that Non A & E Professional Services or Non-Professional Services are required beyond the term of the existing Contract, the standard practice shall be for the Contract to be reviewed prior to the end of the contracted performance period and assessed relative to (1) the scope and continued need for the function performed, (2) the adequacy of performance under the Contract, and (3) other terms and conditions of the Contract.
- d. It may be prudent for staff to recommend in favor of Contract amendments in the following instances, after staff analyzes each Contract based upon the specific project needs and include justification for such recommendation in the report to the Board or Executive Director:
 - i. When the amendments are the result of an increase in the scope of work for the same project, wherein the qualifications and experience required to perform the additional tasks were clearly examined as part of the prior competitive process.
 - ii. When, on the basis of a specific finding or competitive process prior to approval of the original Contract, the consultant was determined to be the most qualified and responsive to undertake the work addressed by the Contract amendment.
 - iii. Where the consultant, based upon findings presented to the Board, is found to be preeminently positioned to perform the work due to its: (1) specific qualifications, (2) unique knowledge of the project, or (3) unique knowledge of the work required.

VI. EXCEPTIONS

A. Non-Competitive Procurements

Any recommendation for approval of a Contract or Purchase Order for which a competitive process has not been completed shall contain justification for the lack of competition based on the following standards, and any Contracts or Purchase Orders exceeding the Executive Director's authority must be presented to the Board for approval, specifically calling out the Non-Competitive finding, and shall be placed on the discussion calendar.

Competitive processes are not required for purchases of Goods and services under \$1,000, but
the prices shall be reasonable. No ICE is required. Selection should be based on quality and cost.
To the extent practicable, purchases must be distributed equitably among qualified suppliers or
vendors.

2. Services - Sole Source

- a. In those instances when it may be necessary or prudent to enter into sole source Contracts or Purchase Orders, specific approval shall be required.
- b. All sole source Contracts or Purchase Orders shall be governed by the following guidelines:
 - i. Sole source Contracts or Purchase Orders may be recommended for approval upon a finding of appropriateness and that it is in the best interest of the agency to do so.
 - a. Contracts or Purchase Orders may be recommended for approval on a sole source selection based upon a requirement for unique qualifications, the existence of significant time constraints, substantial duplication costs, and/or in certain instances of demonstrated experience.
 - b. After solicitation of a number of sources, the competition is determined inadequate.

3. Goods - Single Source

Pursuant to Public Utilities Code § 130237, the Board may direct the purchase of any Goods without engaging in a competitive procurement process upon a finding by two-thirds (2/3) of all Board members that there is only a single source of procurement and the purchase is for the sole purpose of duplicating or replacing the supply, equipment, or material already in use.

4. Uniformity Exemption for technology related procurements

For non-federalized purchases, the competitive process shall not apply to purchases of software licenses/subscriptions and maintenance support services that are required to maintain compatibility, functionality, or conformity with existing designs, products, equipment, facilities, systems, software, technologies, standardizations, proprietary product and the like (i.e., an article of a specified brand or trade name is the only article that will properly meet the needs of SBCTA), or to maintain current warranties, or are the "only authorized distributor". All federalized technology purchases shall be in compliance with requirements stipulated by the associated funding source.

B. Cooperative Procurements (piggybacking)

SBCTA may contract with the vendor or supplier of any federal, state or local governmental department or agency (Public Agency) that has selected the vendor or supplier after complying with the Public Agency's competitive procurement requirements, and if it is in the best interest of SBCTA to do so. SBCTA's Procurement Manager will determine whether the purchase of Goods and services directly from the vendor or supplier of a Public Agency is in the best interest of SBCTA based upon price, quality and whether the terms and conditions of the cooperative procurement Contract meet SBCTA's procurement policy.

C. Emergency Procurements (PUC § 130234)

In the event of great public calamity, as defined by Public Utilities Code § 130234, the Board may declare and determine, by resolution adopted by two-thirds (2/3) vote of all its members, that public interest and necessity demand the immediate expenditure of funds to safeguard life, health, or property, and enter into a Contract without observance of the provisions of this policy and/or Public Utilities Code § 130232.

D. Remedial Measures (PUC § 130235)

Upon determining that immediate remedial measures are necessary to avert or alleviate damage to property, or to replace, repair, or restore damaged/destroyed property in order to ensure that SBCTA's facilities are available to serve the transportation needs of the public, and upon determining that available remedial measures are inadequate, including the procurement of Goods and services or construction in accordance with Public Utilities Code §§ 130232-130234, the Executive Director may authorize the expenditure of funds for the procurement of Goods and services without observance of the provisions of this policy and/or Public Utilities Code §§ 130232-130234. The

Executive Director shall submit a report to the Board explaining the necessity of any such expenditure.

E. Prototype Equipment (PUC § 130236)

Upon a finding by two-thirds (2/3) vote by all members of the Board that a proposed competitive bid or open market purchase, in accordance with Public Utilities Code §§ 130232 and 130233, does not constitute an adequate method of procurement for the operation of SBCTA facilities or equipment, the Board may direct the procurement of prototype equipment or modifications in an amount sufficient to conduct and evaluate operational testing without further observance of the provisions of this policy and/or Public Utilities Code § 130232.

F. Specialized Equipment (PUC § 130238)

The Board may, upon a finding by two-thirds (2/3) vote by all its members, direct that the procurement of (1) specialized rail transit equipment, including rail cars, and (2) computers, telecommunications equipment, fare collections equipment, microwave equipment, and other related electronic equipment and apparatus be conducted through competitive negotiation as set forth in Public Utilities Code § 130238.

G. Open Market (PUC § 130233)

If after rejecting bids received from a formal competitive procurement process, the Board determines by a majority vote that the Goods may be purchased at a lower price in the open market, the procurement of such Goods or services may proceed without further observance of the provisions of this policy regarding Contracts, bids, advertisement, or notice.

H. Design-Build

Procurements may be authorized by the Board, pursuant to the Public Contract Code § 6820 et seq., Public Contract Code § 222160 et seq., or other applicable law, for the design and construction of eligible projects through design-build Contracts. Such procurements shall be performed in accordance with applicable state and federal laws.

I. Utilities Services

The provisions of this policy are not required for procuring utility services including but not limited to water, sewer, electricity, natural gas, waste disposal, and telecommunications (telephone and internet).

J. Venues

The provisions of this policy are not required for the selection of venues for SBCTA's events. Venues are selected based on location, size, and other specific needs as required depending on the event.

VII. PURCHASE ORDERS

Issuance of Purchase Orders shall follow the competitive and non-competitive processes set forth in this Policy, but do not require legal counsel approval as to form or written concurrence of the Procurement Manager. Purchase Orders are authorized for the following purposes only:

- A. Purchase of Goods
- B. Purchase of Services under \$10,000, when the risks to SBCTA are considered low, in the discretion of the Procurement Manager and the Risk Manager.
- C. Software license and related maintenance and support agreements, unless software customization is required.

- A. Invitations for Quotes, Requests for Proposals, Requests for Qualifications, Invitations for Bids
 - The Executive Director is authorized to release and advertise Requests for Proposals (RFP), Requests for Qualifications (RFQ) and Invitations for Bids (IFB) for proposed Contracts/projects for which the solicitation has been listed in SBCTA's most recent adopted Budget and which are estimated not to exceed \$1 Million.
 - Board approval must be obtained prior to circulation of any RFP/RFQ/IFB if the solicitation has not been listed in SBCTA's most recent adopted Budget, or if the anticipated value of the RFP/RFQ/IFB exceeds \$1 Million.
 - 2. General Counsel is authorized to issue RFQs for the purpose of creating and maintaining panels of qualified lawyers and law firms to provide legal services.
 - 3. The Procurement Manager or Department Director, or their designee, are authorized to release and advertise Invitations for Quotes (IFQ) for proposed Contracts or Purchase Orders estimated not to exceed \$25,000 and Requests for Information.
- B. Contracts, Purchase Orders, Non-Procurement Agreements, Amendments and Contingency Amendments
 - 1. General Policy.
 - a. Except as provided in VIII.B.4.c.ii, all Contracts, Purchase Orders, and amendments in excess of \$100,000 require approval by the Board, unless otherwise authorized by the Board.
 - b. In order to prevent delays that would result in negative impacts to projects and/or programs, staff will provide sufficient time for Policy Committees and/or the Board to review and consider staff recommendations for approval of Contracts and Contract amendments. Refer to Policy 10025.
 - Board President. The Board President is the officer designated to sign Contracts on behalf of the
 organization, unless otherwise authorized by the Board. In the absence of the Board President,
 the Board Vice President is authorized to sign Contracts on behalf of the organization.
 - 3. General Policy Committee. The General Policy Committee is authorized to approve Contracts in excess of \$100,000, Contract Task Orders in excess of \$500,000, and amendments exceeding the Executive Director's authority in the event of significant time constraints, extenuating circumstances, or emergencies when approval is required, with notification to the Board. Notification shall be made at the next regularly scheduled meeting of the Board following such approval.
 - 4. Executive Director. The Executive Director is authorized to approve and execute:
 - All Contracts, Purchase Orders, and Non-Procurement Agreements (not Receivable) up to \$100,000. The Executive Director can only approve perpetual software licenses and subscriptions if listed in the current adopted budget.
 - b. Contract amendments, Purchase Order amendments, and Non-Procurement Agreements (not Receivable) amendments:
 - i. With zero dollar value.
 - ii. For Contracts, Purchase Orders, or Non-Procurement Agreements originally less than \$100,000, up to 50% of the original Contract, Purchase Order, or Non-Procurement Agreement value.
 - iii. For Contracts, Purchase Orders, or Non-Procurement Agreements originally over \$100,000, amendments that cumulatively do not exceed 50% of the original Contract, Purchase Order, or Non-Procurement Agreement value or \$100,000, whichever is less.
 - iv. Amendments to extend term of performance, either by exercising the optional term(s) set out in Contracts or Purchase Orders approved by the Board, or, if the Contract or Purchase Order has no such options, to extend the term up to a total five year performance period.

- v. Non-Procurement Agreements that extend time for any period.
- vi. For Contracts with Board-approved contingencies, releases of contingency up to, but that do not exceed, the authorized contingency amounts.
- c. Contract Task Orders (CTO):
 - All CTOs up to \$500,000, not-to-exceed the available Contract balance.
 - ii. CTO amendments within available Contract balance:
 - With zero dollar value.
 - For CTOs originally less than \$500,000, increasing the CTO amount up to \$500,000.
 - For CTOs originally \$500,000 or more, increasing the CTO amount by up to \$250,000.
- d. Sole source procurements for services up to \$100,000 per Section VI, and sole source procurement of Goods up to a maximum amount of \$50,000 (PUC § 130232(c)). Such sole source procurements shall be routinely reported to the Board.
- e. Zero Dollar and Receivable Non-Procurement Agreements up to \$100,000, as long as they:
 - i. Are not the original cooperative agreement for new projects with an overall project value in excess of \$100,000;
 - ii Do not require hiring additional staff not budgeted;
 - iii. Do not result in increased agency costs that are not reimbursed in excess of \$100,000; and
 - iv. Are included in the SBCOG work plan (if it is for a SBCOG activity).
- f. Amendments to Zero Dollar and Receivable Non-Procurement Agreements:
 - i. That extend time, for any period; and
 - ii. Do not exceed a net funding change of \$100,000.
- g. Leases of real property by SBCTA (lessee):
 - i. With a term not to exceed five (5) years.
 - ii. Total rent not to exceed \$100,000 for entire lease term.
 - iii. Lease amendments within available term limit and total rent value, as set forth in i. and ii. above.

(Note: the delegation of authority granted under this policy does not affect the authority granted to the Executive Director under any applicable Board Resolution.)

- 5. <u>General Counsel</u>. In order to address the agency's legal needs, General Counsel is authorized to directly award, execute, and amend legal services agreements up to \$100,000. All such agreements shall be routinely reported to the Board. The procurement requirements set forth in Section V.D are not applicable to legal services agreements awarded under this provision.
- 6. <u>Department Director</u>. The Department Director, or their designee, is authorized to approve and execute contingency amendments (SBCTA Form 305) for services Contracts and Change Orders for construction Contracts that do not exceed contingency amounts authorized by Board or the Executive Director. Contingency amendments and Change Orders approved by the Department Directors will be presented monthly for review to the appropriate Policy Committee and/or Board.
- 7. <u>Director of Management Services</u>. The Director of Management Services, or their designee, is authorized to effect final execution of software agreements and/or terms and conditions for POs and/or Contracts that have been approved by the appropriate authority.

IX. Delegation of Authority to Act Upon Special Risks or Circumstances related To Insurance Requirements In Awarded Contracts, Purchase Orders, and License/Lease Agreements

A. Delegation of Authority

- 1. <u>Risk Manager and Director of Special Projects and Strategic Initiatives</u>. The Risk Manager and the Director of Special Projects and Strategic Initiatives are authorized to:
 - a. Make changes to the general insurance requirements, including limits of coverage, after considering the nature of the risk exposures, prior experience, insurer(s), coverage terms and conditions, or other special circumstances, as provided in b. and c., below.
 - b. Reconsider and make changes to the insurance coverage limits that do not exceed a 50% difference above or below the originally accepted limits of insurance.
 - c. Approve deductibles and self-insured retention up to \$500,000.
- 2. <u>Executive Director</u>. The Executive Director is authorized to:
 - a. Make changes to the general insurance requirements, including limits of coverage, after considering the nature of the risk exposures, prior experience, insurer(s), coverage terms and conditions, or other special circumstances, as provided in b., c., and d., below.
 - b. Reconsider and make changes to the insurance coverage limits that <u>may</u> exceed a 50% difference above or below the originally accepted limits of insurance.
 - c. Eliminate any coverage conditions, limits, other requirements, including eliminating specific coverage(s) entirely.
 - d. Approve deductibles and self-insured retention up to \$5,000,000 for utility companies, up to stated insurance requirements for government agencies, and up to \$1,000,000 for all other companies.

B. Special Circumstances

- 1. The following are special circumstances that may be grounds for changing insurance requirements:
 - a. Changes in scope of services, including, but not limited to, Contracts with multiple notice to proceed and on-call providers with multiple Contract Task Orders
 - b. Insurance market-related constraints, such as type of insurers or coverage available
 - c. Change in company size
 - d. Change in number of vehicles owned by company
 - e. Changes that may trigger or eliminate requirement of worker's compensation coverage
 - f. Insurance policy required is no longer applicable or insurance policy that was not previously applicable becomes applicable and must be added
 - Insurance levels required are too high for company size and consequently not available in the market
 - h. Company-secured insurance that requires a deductible or self-insured retention

C. Assessing Risks and Identifying Mitigating Controls

- Some of the circumstances listed above do not change SBCTA's exposure, others do. In order to ensure that SBCTA is protected, the Risk Manager will review each request and assess the associated risk, if any, and any potential mitigating controls.
 - a. The review will include the following steps:
 - i. Review scope of work and reassess insurance types and limits
 - ii. Review vendor's insurance broker recommendations and consult with SBCTA insurance broker if necessary.
 - iii. When appropriate, assess vendor's financial strength by reviewing the vendor's:
 - 1. Financial statements
 - 2. Actuary reports for self-insured program

- 3. Third Party Administrator reputation
- 4. Number of claims in the past five years
- iv. Review the insurers' financial strength and, when applicable, require an increase to their financial rating to mitigate additional risks.

D. Mechanism to Incorporate Approved Changes

- The following will require amendments that will be approved by the Executive Director or the Board of Directors, as is appropriate under this Policy's provisions:
 - a. Changes to insurance limits.
 - b. Elimination of any coverage, limits, or other requirements.
- 2. The following changes can be done by preparing a memo that is provided to the vendor and a copy is filed with the Contract or Purchase Order:
 - a. Financial rating of insurers (Financial rating lower than A-VII will require Board of Directors' approval).
 - b. Deductibles and self-insured retention.
 - c. Endorsements.

X. STANDARD OF ETHICS

- A. No SBCTA staff shall solicit, demand or accept from any person anything of a monetary value for or because of any action taken, or to be taken, in the performance of his or her duties. SBCTA staff failing to adhere to the above will be subject to any disciplinary proceeding deemed appropriate by SBCTA, including possible dismissal.
- B. No SBCTA staff shall use confidential information for his or her actual or anticipated personal gain, or the actual or anticipated personal gain of any other person related to such SBCTA staff by blood, marriage, or by common commercial or financial interest. SBCTA staff failing to adhere to the above will be subject to any disciplinary proceeding deemed appropriate by SBCTA, including possible dismissal.
- C. SBCTA procurements shall be conducted in accordance with SBCTA's Procurement Standards of Conduct and in compliance with the SBCTA Conflicts of Interest Policy and applicable federal and state law.

XI. REVISION HISTORY

Revision	Revisions	Adopted
No.		
0	New Policy. Adopted by the Board of Directors	01/03/97
1	Modified Para. 11000.10	01/07/98
2	Modified Para. 11000.7.2	01/07/98
3	Deleted & replaced Para. 11000.7.3	01/07/98
4	Added Para. 11000.10 B	03/04/98
5	Modified Para. 11000.10	06/03/99
6	-Added Para. 11000.7.2.f	09/01/99
	-Modified Para. 11000.7.3.5.B	
	-Modified Para. 11000.9.3.2	
7	-Added new Para. 11000.5.G	07/05/00
	-Re-identified Para. 11000.5.H (was Para. 11000.5.G) and revised to add "or the Plans and	
	Programs Committee"	
	-Re-identified Para. 11000.5.I (was Para. 11000.5.H)	
	-Moved Para. 11000.7.5.3 to new paragraph 11000.7.5.1.d and added "and shall be placed on the	
	discussion calendar."	
	-Added Para 11000.12 REVISION HISTORY	
8	-Revised Par. 11000.2 DEFINITIONS to REFERENCES and added Policy 10025, Guidelines for	01/09/02
	Agenda Materials.	
	-Revised Paragraphs 11000.5.H and 11000.5.I

	numbered original Paragraphs 11000.11 and 11000.12 to 11000.10. and 11000.11.	

Policy11000

Revision No.	Revisions	Adopted
9	Par. IX.A.1: Added additional paragraph "In certain instances, SANBAG professional services contractors are required to work closely with other public agency partners". Re-formatted paragraph numbering to match current policy format, e.g., 11000.1 PURPOSE changed to I. PURPOSE.	07/02/03
10	Eliminated the Local Preference Policy – Paragraph VII.C; subsequent paragraphs VII.D and E renumbered to VII.C and D.	11/07/07
11	Par. IV.E.2 and 3: Increased the Executive Director's authority for approving Purchase Orders from \$25,000 to \$50,000.	12/03/08
12	Revised the "Director of Freeway Construction" to "Director of Project Delivery". Par. VII.D.2: Increased the Executive Director's authority for approving sole source procurements from \$25,000 to \$50,000. All other changes in language were made for clarity.	10/06/10
13	Par. V.K: Added authorization for SANBAG General Counsel to award and execute legal services agreements up to \$50,000. Par. VII.B.1.b: Added authorization for SANBAG General Counsel to issue RFQs.	07/11/12
14	Par. IX.C: Changed 'Director of Project Delivery' to 'SANBAG Department Directors'. Par. V.F: Changed the maximum term for standard SANBAG contracts, unless otherwise authorized by the Board of Directors, to five years (was three years).	08/01/12
15	Par. V.L: Added Requirement for Independent Cost Estimates. Adopted by Board of Directors on 10/3/12, Agenda Item 6.	10/03/12
16	Par. VII.A.2: Added Insurance Requirements. Par. VII.C: Major Projects Negotiating Guidelines removed since Policy 34504, Major Projects Program, Contract Negotiation Guidelines, was repealed on 9/5/12 (Board Agenda Item 5). Par. VII.D, Sole Source Process renamed to Par. VII.C	11/07/12
17	Par. VII.A.1.c: Deleted "Use of electronic quotation systems operating within San Bernardino County" and replaced with language on Cooperative Procurements.	12/05/12
18	Changes approved by the Board of Directors on February 6, 2013, Agenda Item 32. Approve modifications, granting the SANBAG Executive Director or designee, contracting and/or signature authority as follows: 1. To release and advertise Requests for Proposals, Request for Quotes and Invitation for Bids, for proposed contracts for which funding has been approved in SANBAG's Annual Budget, and which are estimated not to exceed \$1,000,000.	02/06/13
	To approve and execute all purchase orders and contracts up to \$100,000; and To approve and execute contract amendments that meet at least one of the following criteria: a. Amendments with zero dollar value; b. Amendments to exercise the option term(s) set out in contracts approved by the SANBAG Board of Directors; or	
	c. Amendments that cumulatively do not exceed 50% of the original contract value or \$100,000 individually whichever is less. Paragraphs IV.E.3, V.B, V.H, VII.B.1.a, VII.C.2, IX, and IX.B revised to incorporate these changes. Par. V.H: Revised to incorporate Board-approved agenda items (9/5/12 Agenda Item 7 and 11/7/12 Agenda Item 28) on the renaming and deletion of policy committees.	
19	Change approved by the Board of Directors on May 1, 2013, Agenda Item 6. VII.B.3. Removed "In this instance of SANBAG's Major Projects contracts, the selection team shall consist of 2 Caltrans representatives and 3 representatives from member counterpart agencies, or members of the Board of Directors or their designees."	05/01/13
20	Change approved by the Board of Directors on April 9, 2014, Agenda Item 7. Par. V.F: Further identified term duration and description of procurement contracts. Par. V.H.3 Approved modification, granting the SANBAG Executive Director authority to approve and execute purchase order amendments.	04/09/14
21	Change approved by the Board of Directors on January 4, 2017, Agenda Item 6. Change SANBAG to SBCTA. Revised to reorganize sections and incorporate statutory provisions of SB1305 applicable to SBCTA. Deleted requirement for Committee approval of contract awards to low bidders. Increased General Counsel contract authority to \$100,000.	01/04/17
22	Change approved by the Board of Directors on December 6, 2017, Agenda Item 4. Incorporated language regarding 2 CFR part 200 federal requirements.	12/06/17
23	Changes approved by the Board of Directors on January 8, 2020, Agenda Item 6. Added in Executive Director CTO signature limit.	01/08/20
24	Changes approved by the Board of Directors on June 3, 2020, Agenda Item 3. Added provisions re: contingency amendments.	06/03/20
25	Changes approved by the Board of Directors on 10/6/21, Agenda Item 3. Expanded the Risk Management review, revised Leasing of Real Property, added exceptions for uniformity and Utilities, clarify the use of Purchase Orders, added provisions for changes to insurance requirements after contract award.	10/06/21
26	Changes approved by Board of Directors on XXXXX, Agenda Item XX. Expanded definitions, modified the amendment sections for procurements of Goods and services, updated the Uniformity Exception	01/04/23

Revision No.	Revisions	Adopted
	clause, and expanded the Executive Director authority to incorporate approval of Non-Procurement agreements and amendments.

III. DEFINITIONS

None

Encumbrance is a commitment for goods and services that reduces the budget available for the fiscal year.

Budget is a plan of financial operation of proposed expenditure for a given period, such as fiscal year, and the proposed means of financing the expenditure. The means of funding is from reserves, new revenue expected for the period covered, or issuance of short-term debt such as commercial paper or loans, or long-term debt such as sales tax revenue bonds.

Expense or Revenue Map is a document issued within the annual budget that shows the complete strings for expenditure and revenue. The string format is as follows:

Revenue string format: XXXX.XXX.XXXXX.XXXXXXXXXX = Fund.Program.Task.Sub-Task.Revenue Code

Fund is the first segment of an expenditure or revenue string that represents a specific fund received that is segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations.

<u>Program is the second segment of expenditure or revenue string that identifies organizational units</u> directed to attaining specific purposes or objectives.

Policy20000Policy 20000

1 of 5

<u>Task Manager is the person responsible for developing the detailed line item budget for the various tasks</u> that are included in the Budget.

IV. POLICY

Operating independently of changing circumstances and conditions, the following financial policies shall assist in the decision-making process and fiscal management -of- SBCTA and SBCOG.

V. OPERATING BUDGET POLICIES

The Annually, the Boards of Directors of SBCTA and SBCOG adopt an annual a fiscal year budget that includes SBCOG as a blended component unit separate program of the SBCTA budget. The following principles shall apply to the SBCTA and SBCOG operating budget:

- A. SBCTA and SBCOG shall utilize a decentralized operating budget process, whereby all task managers participate.
- B. The budget shall be balanced with total anticipated revenues plus beginning undesignated/unreserved fund balances and funds available from proceeds of long or short-term debt.
- C. Encumbrance accounting <u>relatedshall</u> be <u>available</u> to <u>commit goods and services purchased with a purchase <u>orders shall be usedorder</u> as an element of control in the formal budgetary integration-<u>process.</u></u>
- D. No new or expanded contracts shall be authorized for expenditure in the current year without implementing adjustments of expenses or revenues at the same time.
- ED. Costs of administration for Measure I will be budgeted at whatever is reasonable and necessary, but no more than one percent of Measure I transactions and use tax revenues will be used for salary and benefit expenditures for administration, as prescribed in the Measure I Strategic Plan.
- FE. Contracts will be budgeted by fiscal year for multi-year projects based on best estimates with the understanding that to the extent actual expenditures vary from estimates, and the project is ongoing, adjustments will be made during the year.

VI. BUDGET AMENDMENT POLICY

When it becomes necessary to modify the adopted budget, the A Board-approved budget amendment procedure-shall be determined by the type of change that is needed. necessary except in the following circumstances:

A. Administrative Budget Amendment

An administrative budget amendment shall not increase the overall program's budget.

There are four types of administrative budget amendments:

- 1. Transfers from one line item to another task, subtask, object code, or revenue code to another task, subtask, object code, or revenue code within the same program Fund and fund Program. This amendment shall require the approval of the program/task manager Task Manager.
- Reallocation of budgeted salary and benefits costs, and associated revenues, from one
 program Fund or Program to another within the same fund or from one approved funding
 source/grant to another approved funding source/grant within a program. Fund or Program when
 both Funds and Programs are included in the adopted budget. This amendment shall require the
 approval of the Chief Financial Officer.
- 3. Change of sales tax revenue which affects the Measure I Pass-Through allocation to the various participating agencies. This amendment shall require the approval of the Chief Financial Officer.
- 4.3. Substitution of one approved funding source/grant Fund for another approved funding source/grant within a program Fund where both Funds are included in the adopted budget within the same Program, not to exceed \$1 million. This amendment shall require the approval of the Executive Director or their designee.

Policy20000Policy 20000 2 of 5

B. Board Approved Budget Amendment

A Board-approved budget amendment shall be necessary to address changes in the total expenditures or revenue sources for a program. These changes shall include, but are not limited to:

- 1. The acceptance of additional grant monies.
- 2. The inclusion of expenditures that are projected to exceed budgeted amounts within the fund.
- 3. The re-appropriation of monies/expenditures (excluding SBCTA staff salary costs) from one program or fund to another.

These changes shall require a budget authorization and a formal agenda item to be reviewed by the appropriate Policy Committee and forwarded to the Board of Directors for final approval. If the budget amendment is time sensitive, in recognition of time constraints and extenuating circumstances, the authorization request may be submitted to the Board of Directors without Policy Committee review.

The agenda items requesting budget amendment shall define the expected funding source and shall adhere to the balanced budget requirements.

All budget amendments shall be documented by the Finance Department and be tracked in SBCTA's electronic financial system.

VII. REVENUE POLICIES

SBCOG establishes General Assessment Dues for all member jurisdictions based on jurisdictions' populations and net assessed property values. In addition, the The following principles shall apply to other sources of revenue for SBCOG and SBCTA:

- A. Aggressively seek additional federal, state, and local funding/grants.
- B. Review and monitor changes in Measure I Sales Tax receipts.
- C. Monitor sales tax projections to ensure use of current and relevant data and adjust amounts annually to reflect the most current economic trends.
- D. Notwithstanding any other provision in this policy, the Executive Director, or designee, is authorized to approve and execute funding/revenue agreements, and amendments to funding/revenue agreements, as long as SBCTA is not required to incur additional cost or staff that is not budgeted. Board approval will be required in the event additional cost or staff is required. All SBCOG revenue agreements must be approved by SBCOG Board.

VIII. CASH MANAGEMENT POLICIES

- A. All funds received shall be deposited in a timely manner at least once per week...
- B. Measure I funds shall be electronically transferred to SBCTA's accounts to reduce any delays in depositing the funds. When possible, additional sources of revenue shall also be electronically transferred.
- - 1. Funds must be deposited and maintained in insured accounts whenever possible and in interest-bearing accounts.
 - Interest earned amounts up to \$500 per year may be retained for administrative expenses. Any additional interest earned will be remitted annually to the federal government.

Policy20000Policy 20000 3 of 5

- D. Cash disbursements to local jurisdictions and vendors/consultants will be done in an expeditious and timely manner.
- E. Idle funds shall be invested in accordance with <u>established investment policy</u> the Investment Policy, <u>Policy No. 20100</u> emphasizing, in order of priority, safety, liquidity, diversification, and a reasonable market rate of return.
- F.Wire transfers are infrequent, but when processing wires the initiator and approver must not be performed by the same person. Confirmation receipt must be obtained within minutes of processing wire. Wire information must be sent via secured method; such as encrypted e-mail or drop box.

IIXIX. DEBT POLICIES

- A. SBCTA shall judiciously issue bondsincur debt for capital improvements after careful study and analysis of revenue and expenditure projections and accumulated debt burden (See, in accordance with the Debt Management Policy, Policy No. 20300).
- B. All beard or note issuesincurred debt shall be in accordance with the Strategic Plan and 10-Year Delivery Plan approved by the Board of Directors.
- C. SBCTA shall publish and distribute an official statement for each bond issue. SBCTA shall meet all disclosure requirements in accordance with Generally Accepted Accounting Principles (GAAP).
- D. SBCTA shall meet all disclosure requirements.
- ED. SBCTA will maintain, at a minimum, a 2.0 debt coverage ratio on all senior lien debt.
- FE. SBCOG will only issue debt in accordance with the Debt Management Policy No. 20400. Policy No. 20400.

X. CAPITAL OUTLAY

- A. SBCTA's capital assets, which include land, buildings, building improvements, call box network, communications, -computer network, electric vehicle charging stations, equipment, furniture, vehicles, infrastructure, rail stations, rail tracks, and train cars are recorded at historical cost or estimated historical cost when -purchased or constructed. Donated capital assets are recorded at estimated fairacquisition value at the date of donation.
 - Depreciation will be recorded based on life of assets, as provided in Procedure 20000-10. Procedure 20000-10.
 - 2. Inventory of capital assets and inventoriable items will be conducted biennially.
- B. Costs for construction or improvements on SBCTA-owned assets will be capitalized as construction in progress (CIP). CIP will be capitalized upon completion of the construction or improvements. CIP additions, deletions, and transfers to land, building, building improvements, and other capital assets categories will be reviewed annually.
- C. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend the life of the asset are not capitalized.

XI. INVESTMENT POLICIES

- A. SBCTA shall instruct financial institutions to make investments in accordance with the original indenture and investment policy. (See Investment Policy No. (Investment Policy, Policy No 20100) 20100)
- B. SBCTA shall engage the services of an investment advisor who shall provide on-going advice on portfolio performances, current investment strategies, cash management and cash flow projections.
- C. SBCTA shall <u>presentprovide</u> a monthly and quarterly investment status report to the Board of Directors.

Policy20000Policy 20000

4 of 5

D. SBCTA shall perform the above functions on behalf of SBCOG.

XII. AUDITING POLICIES

Laws applicable to SBCTA and bylaws applicable to SBCOG direct that an independent audit, by a recognized Certified Public Accountant (CPA) firm, be conducted annually. In addition, the following principles shall apply:

- A. SBCTA shall produce annual financial statements in accordance with Generally Accepted Accounting Principles (GAAP)GAAP as outlined by the Governmental Accounting Standards Board.
- B. The financial statements are the responsibility of SBCTA's managementChief Financial Officer.
- C. Completeness and reliability of the information contained in the financial statements is based upon a comprehensive framework of internal controls that is established for this purpose.
- D. SBCTA shall establish internal controls to provide reasonable, rather than absolute assurances that: the financial statements are free of any material misstatements; operations are effective and efficient; and the agency has maintained compliance with applicable laws and regulations.
- E. An annual internal control assessment will be conducted to analyze the controls throughout the organization and determine if changes are required. <u>The Executive Director or designee shall review and approve the assessment, recommendations, and final corrective action plan, if any.</u>
 1. The assessment and recommendations will be reviewed by the Executive Director or designee.
- F. The costs of internal controls should not exceed the anticipated benefits.

XII. REVISION HISTORY

Revision No.	Revisions	Adopted
0	Adopted.	08/07/91
1	Modified Section 20000.5.1 – adopted April 1, 1998)	04/01/98
2	Revised Par. X: AUDITING POLICIES to clarify the SANBAG internal control standards	08/06/08

III. DEFINITIONS

<u>Encumbrance</u> is a commitment for goods and services that reduces the budget available for the fiscal year.

<u>Budget</u> is a plan of financial operation of proposed expenditure for a given period, such as fiscal year, and the proposed means of financing the expenditure. The means of funding is from reserves, new revenue expected for the period covered, or issuance of short-term debt such as commercial paper or loans, or long-term debt such as sales tax revenue bonds.

<u>Expense or Revenue Map</u> is a document issued within the annual budget that shows the complete strings for expenditure and revenue. The string format is as follows:

<u>Fund</u> is the first segment of an expenditure or revenue string that represents a specific fund received that is segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations.

<u>Program</u> is the second segment of expenditure or revenue string that identifies organizational units directed to attaining specific purposes or objectives.

<u>Task Manager</u> is the person responsible for developing the detailed line item budget for the various tasks that are included in the Budget.

Policy20000 1 of 4

IV. POLICY

Operating independently of changing circumstances and conditions, the following financial policies shall assist in the decision-making process and fiscal management of SBCTA and SBCOG.

V. OPERATING BUDGET POLICIES

Annually, the Boards of Directors of SBCTA and SBCOG adopt a fiscal year budget that includes SBCOG as a separate program of the SBCTA budget. The following principles shall apply to the SBCTA and SBCOG operating budget:

- A. SBCTA and SBCOG shall utilize a decentralized operating budget process, whereby all task managers participate.
- B. The budget shall be balanced with total anticipated revenues plus beginning undesignated/unreserved fund balances and funds available from proceeds of long or short-term debt.
- C. Encumbrance accounting shall be available to commit goods and services purchased with a purchase order as an element of control in the formal budgetary integration process.
- D. Costs of administration for Measure I will be budgeted at whatever is reasonable and necessary, but no more than one percent of Measure I transactions and use tax revenues will be used for salary and benefit expenditures for administration, as prescribed in the Measure I Strategic Plan.
- E. Contracts will be budgeted by fiscal year for multi-year projects based on best estimates with the understanding that to the extent actual expenditures vary from estimates, and the project is ongoing, adjustments will be made during the year.

VI. BUDGET AMENDMENT POLICY

A Board-approved budget amendment shall be necessary except in the following circumstances:

- 1. Transfers from one task, subtask, object code, or revenue code to another task, subtask, object code, or revenue code within the same Fund and Program. This amendment shall require the approval of the Task Manager.
- Reallocation of budgeted salary and benefits costs, and associated revenues, from one Fund or Program to another Fund or Program when both Funds and Programs are included in the adopted budget. This amendment shall require the approval of the Chief Financial Officer.
- 3. Substitution of one Fund for another Fund where both Funds are included in the adopted budget within the same Program, not to exceed \$1 million. This amendment shall require the approval of the Executive Director or their designee.

VII. REVENUE POLICIES

The following principles shall apply to sources of revenue:

- A. Aggressively seek additional federal, state, and local funding/grants.
- B. Review and monitor changes in Measure I Sales Tax receipts.
- C. Monitor sales tax projections to ensure use of current and relevant data and adjust amounts annually to reflect the most current economic trends.

VIII. CASH MANAGEMENT POLICIES

A. All funds received shall be deposited in a timely manner at least once per week.

Policy20000 2 of 4

- B. Measure I funds shall be electronically transferred to SBCTA's accounts to reduce any delays in depositing the funds. When possible, additional sources of revenue shall also be electronically transferred.
- C. Revenues shall be collected in accordance with contractual requirements. For federal reimbursable agreements, reimbursement requests shall be submitted to granting agency only after expenditures have been both obligated and liquidated. For federal agreements under which cash is advanced prior to expenditures being incurred, the advance funds must comply with federal guidelines established in 2 C.F.R. Part 200, including, but not limited to, 2 C.F.R. 200.305.
- D. Cash disbursements to local jurisdictions and vendors/consultants will be done in an expeditious and timely manner.
- E. Idle funds shall be invested in accordance with the <u>Investment Policy</u>, <u>Policy No. 20100</u> emphasizing, in order of priority, safety, liquidity, diversification, and a reasonable market rate of return.
- F.Wire transfers are infrequent, but when processing wires the imitator and approver must not be performed by the same person. Confirmation receipt must be obtained within minutes of processing wire. Wire information must be sent via secured method; such as encrypted e-mail or drop box.

IX. DEBT POLICIES

- A. SBCTA shall judiciously incur debt for capital improvements after careful study and analysis of revenue and expenditure projections and accumulated debt burden, in accordance with the Debt Management Policy, Policy No. 20300.
- B. All incurred debt shall be in accordance with the Strategic Plan and 10-Year Delivery Plan approved by the Board of Directors.
- C. SBCTA shall meet all disclosure requirements in accordance with Generally Accepted Accounting Principles (GAAP).
- D. SBCTA will maintain, at a minimum, a 2.0 debt coverage ratio on all senior lien debt.
- E. SBCOG will only issue debt in accordance with the Debt Management Policy No. 20400.

X. CAPITAL OUTLAY

- A. SBCTA's capital assets, which include land, buildings, building improvements, call box network, communications, computer network, electric vehicle charging stations, equipment, furniture, vehicles, infrastructure, rail stations, rail tracks, and train cars are recorded at historical cost or estimated historical cost when purchased or constructed. Donated capital assets are recorded at acquisition value at the date of donation.
 - 1. Depreciation will be recorded based on life of assets, as provided in Procedure 20000-10.
 - 2. Inventory of capital assets and inventoriable items will be conducted biennially.
- B. Costs for construction or improvements on SBCTA-owned assets will be capitalized as construction in progress (CIP). CIP will be capitalized upon completion of the construction or improvements. CIP additions, deletions, and transfers to land, building, building improvements, and other capital assets categories will be reviewed annually.
- C. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend the life of the asset are not capitalized.

XI. INVESTMENT POLICIES

A. SBCTA shall instruct financial institutions to make investments in accordance with the original indenture and investment policy. (Investment Policy, Policy No 20100)

Policy20000 3 of 4

- B. SBCTA shall engage the services of an investment advisor who shall provide on-going advice on portfolio performances, current investment strategies, cash management and cash flow projections.
- C. SBCTA shall provide a monthly and quarterly investment status report to the Board of Directors.
- D. SBCTA shall perform the above functions on behalf of SBCOG.

XII. AUDITING POLICIES

Laws applicable to SBCTA and bylaws applicable to SBCOG direct that an independent audit, by a recognized Certified Public Accountant (CPA) firm, be conducted annually. In addition, the following principles shall apply:

- A. SBCTA shall produce annual financial statements in accordance with GAAP as outlined by the Governmental Accounting Standards Board.
- B. The financial statements are the responsibility of SBCTA's Chief Financial Officer.
- C. Completeness and reliability of the information contained in the financial statements is based upon a comprehensive framework of internal controls that is established for this purpose.
- D. SBCTA shall establish internal controls to provide reasonable, rather than absolute, assurances that: the financial statements are free of any material misstatements; operations are effective and efficient; and the agency has maintained compliance with applicable laws and regulations.
- E. An annual internal control assessment will be conducted to analyze the controls throughout the organization and determine if changes are required. The Executive Director or designee shall review and approve the assessment, recommendations, and final corrective action plan, if any.
- F. The costs of internal controls should not exceed the anticipated benefits.

I. PURPOSE

The intent of this policy is to define delegation of signatory and approval authority for certain documents associated with funding, right-of-way, design, and construction phases of SBCTA transportation projects, and management of SBCTA programs.

II. REFERENCES

Resolution No. 13041

Policy 11000 Contracting and Procurement Policy

Policy 31602 Rail Property Policy

Policy 34507 Measure I Major Projects Program, Administrative Settlement Policy: Right-of-Way Acquisition for Measure I Major Projects

Policy 50100 Environmental Policy and Approval Authority

III. DEFINITIONS

- A. "Permit" means authorization from a Federal, State, or local jurisdiction, to access certain areas, or to perform construction work, repair, maintenance, and/or mitigation.
- B. "Assumption of Liability" means an agreement to indemnify, defend and hold harmless the other party; such assumption may be general and broad in scope.
- C. "Manager" includes Project Corridor Manager, Construction Manager, Project Delivery Manager, and any other equivalent level position.
- D. "Department Director," "for the purposes of this Policy, includes Chief Financial Officer" and ", General Counsel" include, Assistant General Counsel, and Deputy Directors and includes those individuals' designees, identified in writing, when those individuals are out of the office or otherwise unavailable. For purposes of this Policy, "Department Director" includes Director of Project Delivery, Director of Toll Program and Deputy Director of Transit and Rail Capital Delivery.
- E. "Designee," as used in Table 1, may include appropriate project team members, including consultant staff.
- F. "Inspector" includes appropriate project team members, including consultant staff.

<u>Executive Management Team for purposes of this Policy, includes Deputy Executive Director and all Department Directors as defined above.</u>

Chief includes any SBCTA Chief position.

IV. POLICY

Through the life cycle of a project, SBCTA prepares various documents to initiate, study and design the project, and determine the right-of-way needs for the project. This policy will authorize certain designated persons to sign documents as specified below. This policy also authorizes certain designated persons to sign documents associated with management of SBCTA programs.

It is the policy of SBCTA to comply with all Federal, State, and local statutes and regulations. In doing so, certain documents are required. This policy defines the signature and approval authority for these documents in Table 1 below.

In all circumstances, the Executive Director is authorized to sign any listed documents. General Counsel must review any assumption of liability provision, except for those contained in Right-of-Way certifications and data sheets and manifests pertaining to hazardous materials.

V. REVISION HISTORY

Revision No.	Revisions	Adopted
0	Adopted by the Board of Directors, June 5, 2013, Agenda Item 12.	06/05/13
1	Revision adds design and construction phase related delegations.	07/10/19
2	Revision adds additional delegation of signatory and approval authority.	3/3/2021
3	Revision adds delegation for amendments to Co-Ops, MOUs and Utility Agreements.	6/2/2021
4	Revision corrects title of Deputy Director of Transit and Rail – Capital Delivery and deletes "General" in footnote 1 to reflect that approval as to form may be done by outside counsel.	11/03/21
<u>5</u>	Revised Section III Definitions to update classifications based on recent reorganizations and remove the Executive Director's authority to approve amendments to cooperative agreements and MOUs (moved to another policy).	01/04/23

AGENDA ITEM: 8

Date: December 14, 2022

Subject:

Reassignment of the Deputy Director of Planning to Senior Management Group

Recommendation:

Approve reassignment of the Deputy Director of Planning from the Professional/Administrative Staff group to Senior Management group.

Background:

Each classification at San Bernardino County Transportation Authority falls into one of three groups: Senior Management, Professional/Administrative Staff, and Support Staff as established by the Executive Director and approved by the Board of Directors.

On April 6, 2022, the Board approved the reclassification of the Chief of Planning (Range 38) to Deputy Director of Planning (Range 40). The change in classification was to reflect the Council of Governments and Air Quality and Mobility programs being merged into an expanded Planning and Regional Programs Department. The reclassification recognized the increased tasks and staff oversight required with more staff and programs, and the complexity to manage.

At the time of the reclassification the Deputy Director of Planning position remained assigned to the Professional/Administrative Staff group. Staff is now recommending the classification be designated to the Senior Management group based on reporting relationship, the degree of independent decision-making required and the breadth of specialized knowledge and skills required to perform the functions of the position.

AGENDA ITEM: 9

Date: December 14, 2022

Subject:

Transportation Development Act Article 3 Extension Request - Rialto Fiscal Year 2017/2018 Cedar Railroad Crossing Improvement

Recommendation:

That the General Policy Committee recommend the Board, acting as the San Bernardino County Transportation Authority:

Approve the City of Rialto's extension request from December 31, 2022 to December 31, 2023 for their Fiscal Year 2017/2018 Cedar Avenue Railroad Crossing Pedestrian Improvements Project Transportation Development Act Article 3 award.

Background:

San Bernardino County Transportation Authority (SBCTA) oversees the disbursement of two percent (2%) of the Local Transportation Funds (LTF) made available to counties and cities for facilities for the exclusive use of pedestrians and bicyclists, known as the Transportation Development Act (TDA) Article 3 Program. In August 1999, the SBCTA Board of Directors (Board) approved a policy that eighty percent (80%) of the Article 3 program would be made available for projects that improve bicycle and pedestrian facilities. The remaining twenty percent (20%) would be available for projects that improve access to transit stops for pedestrians and persons with disabilities.

According to the TDA Article 3 Guidelines approved by the Board on June 2, 2021, section "IV. Deadline Extensions":

"Two, one-year extensions may be granted at the discretion of SBCTA staff for projects that are moving forward but cannot be completed by the award sunset date. Extension requests must be submitted through the TDA Article 3 portal found at https://gosbcta.com/tda3 (use Chrome or Firefox) at least THREE months before the project sunset date, include appropriate justification for an extension, and provide a revised project schedule with an expected completion date. Subsequent extensions are at the discretion of the Board."

Below is the only current extension request. Please see the attached request letter submitted by the award recipient.

Rialto: Fiscal Year 2017/2018 Cedar Ave Railroad Crossing Pedestrian Improvements

Additional Extension Requested: December 31, 2022 to December 31, 2023

Reason: The city and contractor have been trying to satisfy Southern California Regional Rail Authority's (SCRRA) additional requirements to restart work and there have been delays with SCRRA to set up training for access to the project site.

Entity: San Bernardino County Transportation Authority

Project Information:

T	DA Article	3		Total	Deadline						
Award Amount	Dispersed to Date	Balance Available	Local Match	Project Cost	Original	Last Approved	Extension Requested	No. of Yrs. Extended (if approved)			
\$250,000	\$225,000	\$25,000	\$428,000	\$678,000	2019-10-04	2021-10-04	2023-12-31	4.20			

Financial Impact:

This item is consistent with the Fiscal Year 2022/2023 Budget.

Ginger Koblasz, Senior Planner San Bernardino County Transportation Authority 1170 W. 3rd Street, 2nd Floor San Bernardino, CA 92410-1715 08-SBD-0-RIA SR2SL-5205(018)

SUBJECT: REQUEST FOR EXTENSION FOR THE FY2017/2018 CEDAR AVE RAILROAD CROSSING PED IMPROVEMENTS

Dear Ms. Koblasz:

We are submitting this request for a deadline extension to complete the San Bernardino County Transportation Authority (SBCTA) Board of Directors approved Transportation Development Act (TDA) Article 3 grant funded project, the Cedar Avenue Railroad Crossing Ped Improvements, Allocation number L18-0702-0747-00 due to the following reasons:

- The city and contractor have been trying to satisfy SCRRA's additional requirements to restart work to no avail thus far.
- There have been delays with SCRRA to set up training for access to the project.

Considering the amount of time required for SCRRA's additional requirements to restart work, the time to schedule and complete training, and construction completion, the City is requesting for a one (1) year extension to December 31, 2023 to be granted by the SBCTA Board. Considering the difficulties of the last several months to restart the project, the City believes it would be best to request a 12-month extension as opposed to a 6-month extension. The revised project schedule is as follows but is subjected to additional delays by SCRRA:

PROJECT SCHEDULE

DATES	TASK DESCRIPTION
December 2022 - January 2023	 Satisfy SCRRA's additional requests Complete Railroad Safety Training class for construction personnel
	City Contractor remobilize
February 2023 – April 2023	City Contractor to complete railroad crossing improvements
May 2023	Begin project closeout.

Request for Extension Letter November 2, 2022 Page 2

Should you have any questions regarding this project, please contact me at (909) 820-2531 or via email at acervantes@rialtoca.gov

Sincerely,

Art Cervantes

AGENDA ITEM: 10

Date: December 14, 2022

Subject:

2024 Regional Transportation Plan/Sustainable Communities Strategy Project List Update

Recommendation:

Receive information on the 2024 Regional Transportation Plan/Sustainable Communities Strategy project list.

Background:

The San Bernardino County Transportation Authority (SBCTA) currently collaborates with the Southern California Association of Governments (SCAG) on a broad range of transportation and sustainability initiatives. As part of these collaborative efforts, SBCTA was directly involved in the development of the 2020-2045 Regional Transportation Plan/Sustainable Communities Strategy (RTP/SCS) and is currently involved in development of the 2024-2050 RTP/SCS (also called "Connect SoCal 2024"). The 2024-2050 RTP/SCS was adopted by SCAG's Regional Council on September 3, 2020.

While SCAG develops the RTP/SCS, the land use and transportation changes within it are largely driven by the respective actions of local governments, transit agencies, California Department of Transportation (Caltrans), and County Transportation Commissions. It is, therefore, critical that the County Transportation Commissions be engaged in the implementation of the Plan in order for its benefits to be realized. In addition, progress toward the implementation of the RTP/SCS needs to be reflected in each subsequent RTP/SCS cycle.

The RTP portion of the RTP/SCS is a long-range transportation plan that is developed and updated by SCAG every four years. The RTP provides a vision for transportation investments throughout the region. Using growth forecasts and economic trends that project out over a 25 to 30-year period, the RTP considers the role of transportation in the broader context of economic, environmental, and quality-of-life goals for the future, identifying regional transportation strategies to address our mobility needs.

The SCS was required by Senate Bill 375 to better integrate land use and transportation strategies that will achieve Greenhouse Gas (GHG) reduction targets set by the California Air Resources Board (CARB). The focus of the SCS is on GHG reductions from automobiles and light trucks through integrated transportation, land use, housing and environmental planning.

The long range Countywide Transportation Plan (CTP) for San Bernardino County, maintained by SBCTA, is the foundation for SBCTA's submittal of projects to SCAG for the RTP/SCS. SCAG requested that County Transportation Commissions submit their lists of transportation projects by November 1, 2022. SBCTA staff has worked with the jurisdictions within the county on revisions, additions, and deletions to this list and has submitted those to SCAG. Changes to those project lists may occur as the development of the 2024 RTP/SCS continues, but SBCTA staff wanted to bring this submittal to the attention of the SBCTA Board of Directors (Board), given the number of critical projects needing to be reflected. Approval of the project list by the

Entity: San Bernardino County Transportation Authority

Board is not required, but staff typically briefs the Board when the project list is being developed.

Concurrent with the development of the 2024 RTP/SCS project list, staff is working on an update to the SBCTA 10-Year Delivery Plan, with a target date for completion by the end of calendar year 2023. The projects in the 10-Year Plan have specific funding sources and schedules identified. Projects beyond the 10-Year Plan forecasted for construction through 2050 are also included in the RTP/SCS, but there is less certainty for those projects on funding and schedule. Staff must make estimates of cost and schedule for the RTP/SCS in five-year increments, but it is likely that these estimates would change in subsequent RTP/SCS cycles or amendments. Inclusion in the RTP/SCS is typically necessary for initiating project development where federal funds or federal approvals are involved, and schedules can be adjusted based on funding availability and Board priorities. The project list for San Bernardino County can be summarized into three sections:

- The Federal Transportation Improvement Program (FTIP). The FTIP forms the foundation of the RTP Project Investment Strategy and represents the first six years of committed funding. It is part of the "Financially Constrained" RTP/SCS.
- The Financially Constrained Plan. The Financially Constrained Plan also contains additional transportation projects out beyond the timeline of the FTIP. The federal government allows for "reasonably available" sources of funding to be included in the pool of funding allowable in the Financially Constrained Plan. It is the Financially Constrained Plan that undergoes tests of conformity with the federal Clean Air Act.
- The Strategic Plan. The Strategic Plan represents an unconstrained list of potential projects that the region might be able to pursue given additional funding and commitment.

The Financially Constrained Plan is being used as the framework for submittal of projects to SCAG for the 2020 RTP/SCS. This is consistent with the strategy for inclusion of projects for the 2024 RTP/SCS, which was based on SCAG's discussions with the Federal Highway Administration (FHWA) on potential funding that could be expected in the future. This does not financially commit SBCTA to all of the projects, but it does provide additional flexibility on which projects can be advanced for further project development. In addition, SBCTA and its partner agencies are beginning the preparation of the Long Range Multimodal Transportation Plan (LRMTP) in early 2023. This will help to further refine project scopes and schedules, including how/when to invest in high-capacity transit projects such as additional Bus Rapid Transit (BRT) projects, but not in time for input to the 2024 RTP/SCS.

It should be noted that SCAG is currently evaluating projections of revenue to determine funding levels that can be considered as "reasonably available" according to the FHWA definition. It is possible that SCAG could request that agencies reexamine their project lists and scale back on projects that cannot be accommodated with funding levels that hold to that definition. If requested by SCAG, staff will come back to the Board with proposals for scaling back on projects to fit within the forecast revenue under the Financially Constrained Plan. Funding limitations on transit operating costs could result in how much additional transit capital investment is feasible. The LRMTP will attempt to address that question.

It is important to note that funding for maintenance and operations is a critical issue not only for the RTP/SCS, but for the San Bernardino County CTP as well. Consideration of life-cycle costs is an increasingly important topic and will be an issue going forward for San Bernardino County and the Region. The project lists in this agenda item represent estimates for capital projects after consideration of operations needs as they are known at this time. However, these future needs are very difficult to predict. SBCTA has no current responsibility for local jurisdiction street or state highway maintenance, but estimates of those costs are included in the RTP/SCS. However, maintenance and operations for the Express Lanes are accounted for through toll revenue.

Capital Projects for the FTIP and 10-Year Plan

The FTIP and 10-Year Plan include all projects identified in the 2021 Update to the 10-Year Plan. These projects include, but are not limited to, the following:

FTIP and 10-Year Plan Projects for the Valley

- Interstate (I)-215/Mt Vernon Avenue (Ave) Interchange (Caltrans project)
- State Route (SR)-210 widening from Highland Ave to I-10 (in construction)
- I-10 Express Lanes from San Antonio Ave to I-15 (Contract 1, under construction)
- I-10 Express Lanes from I-15 to Pepper Ave (Contract 2, in design)
- I-15 Express Lanes from Riverside County Line to SR-210 (in design)
- I-10 Eastbound Truck Climbing Lane (Yucaipa, in design)
- Various freeway interchange projects, including the Nexus Interchange Top 10 List
- Gold Line extension to Montclair
- West Valley Connector BRT from Pomona to Victoria Gardens
- Metrolink double track project (Rancho to Lilac)
- Tunnel to Ontario International Airport
- Brightline from Las Vegas to Rancho Cucamonga (privately funded)

FTIP and 10-Year Plan Projects for the Mountain/Desert

- Yucca Loma Corridor Green Tree Boulevard (Blvd) extension and widening
- Ranchero Road (Rd) Corridor widening
- Main Street (St) widening from US-395 to 11th Ave, Phases 1 and 2
- US-395 widening, Phase 2 from I-15 to SR-18
- First Ave bridge projects over BNSF and Mojave River (Barstow)
- El Mirage Rd from US 395 to Koala Rd
- Apple Valley Rd and SR 18 Realignment
- Stoddard Wells Rd widening from I-15 to Johnson Rd
- Bear Valley Rd bridge over Mojave Rd
- Central Rd widening from SR-8 to Bear Valley Rd
- Johnson Rd widening from Stoddard Wells Rd to Navajo Rd
- Dale Evans Parkway Phase 1 (Waalew realignment)
- Bear Valley Rd overhead at BNSF
- Rock Springs Rd bridge over Mojave River
- Phelan Rd widening from SR-138 to Hesperia city limits

San Bernardino County Transportation Authority

Additional Capital Projects included for the Financially Constrained Plan (i.e. beyond the 10-Year Plan)

Projects Beyond the 10-Year Plan in the Valley

- Additional Freeway Improvements
 - o Completion of I-10 Express Lanes from Pepper Ave to Ford St in Redlands
 - o I-215 additional lane in each direction from SR-210 to I-15
 - o I-215 mixed flow lane from SR-60 to I-10
 - o SR-210 High Occupancy Vehicle (HOV) lane from I-215 to I-10
 - I-10/I-15 Express Lane Connectors (partial funding of connectors are listed in the Measure I Expenditure Plan)
- Full Interchange Program (including all Nexus Study interchanges plus SR-210/Victoria)
- Arterial Program buildout, per Nexus Study
- All Nexus Study rail/highway grade separations
- Redlands Passenger Rail Phase 2
- Double tracking of single track segments on San Bernardino Line
- BRT for Foothill/5th and express bus and hybrid BRT/express on remainder of planned BRT routes
- Additional facilities in the SBCTA Active Transportation Plan

Projects Beyond the 10-Year Plan in the Mountain/Desert

- SR-18 widening from LA County Line to US-395
- US-395 widening from Chamberlaine Way to 1.8 M s/o Desert Flower
- US-395 widening from 1.8 M s/o Desert Flower to Farmington Rd (Caltrans)
- I-15/Eucalyptus Interchange
- I-15/Muscatel Interchange
- I-15/Mojave Interchange
- SR-247 widening from Yucca Valley to Reche Rd
- Big Bear Blvd widening from East to West City Limits
- Grade separation at Eucalyptus St & BNSF
- Grade separation at Mauna Loa/Lemon St
- Grade separation at Lime & BNSF
- Grade separation at Main St (in Hesperia)
- Grade separation at Vista Rd (in Helendale)
- Arterial Program buildout

In addition, the 2024 RTP/SCS submittal includes I-15 Express Lanes from SR-210 through the Cajon Pass and terminating just north of Victorville.

The current list that SBCTA is providing to SCAG represents a draft RTP/SCS Project List that includes updated and current information for the projects included in the 10-Year Plan, updated San Bernardino County Transportation Authority

and current information for projects that have historically appeared in the RTP/SCS, and new projects added since the 2020 RTP/SCS Project List. If the 2024 RTP/SCS development follows the pattern of the 2020 cycle, it is anticipated that the projects listed above that are beyond the 10-Year Plan will be included in the SCAG Financially Constrained Plan. But it is important to note the caveat mentioned earlier regarding a possible request from SCAG to reduce the project list, pending the determination of "reasonably available" funding levels.

Staff has been coordinating with local jurisdictions regarding local input into the planning process through regular updates at Transportation Technical Advisory Committee meetings. Staff is not requesting approval of the list at this time, but is presenting information so that Board members can provide comments on both overall direction and specific projects.

AGENDA ITEM: 11

Date: December 14, 2022

Subject:

Active Transportation Program Cycle 6 Award List and Twenty Points Allocation

Recommendation:

That the General Policy Committee, acting as the San Bernardino County Transportation Authority (SBCTA):

A. Adopt the Metropolitan Planning Organization (MPO) portion of the State Active Transportation Program (ATP) Cycle 6 project award list (Attachment A), specifically for:

- City of Upland City of Upland Mobility Master Plan
- County of San Bernardino San Bernardino Valley Safe Routes to School Plan (21 schools)
- City of Montclair Montclair SRTS Implementation Project
- Town of Apple Valley Powhatan Road Complete Streets, Apple Valley
- City of Twentynine Palms Sullivan Road/Hatch Road Side Path/Bicycle Lanes
- City of Rialto Rialto Pacific Electric Trail Extension
- City of Yucaipa 15th Street (Avenue D to Yucaipa Blvd)
- City of Adelanto Adelanto Safe Routes to School
- City of Needles City of Needles Schools and Seniors Sidewalk Project
- City of Barstow Pedestrian, Bicyclist, and Safety Improvements (Partial)
- City of Fontana Foothill Boulevard Active Transportation Improvement (Partial)

B. Adopt an additional 20 points allocation in the grant evaluation process to all projects in the MPO portion of the ATP as they have been determined to be consistent with regional plans, which is consistent with the methodology adopted by the SBCTA Board of Directors for ATP Cycles 1 through 5.

Background:

The Active Transportation Program (ATP) was created by Senate Bill (SB) 99 (Chapter 359, Statutes 2013) and Assembly Bill 101 (Chapter 354, Statutes 2013) to encourage increased use of active modes of transportation, such as biking and walking. The Cycle 6 Call-for-Projects was released by the California Department of Transportation (Caltrans) on March 16, 2022, and went through a statewide review process. On October 20, 2022 the California Transportation Commission (CTC) released the staff recommended award list.

For the Cycle 6 ATP funding and review process, the CTC recommended to continue the same fund allocation calculation as in Cycles 1 through 5. Fifty percent (50%) of the total \$1,707,040,000 program funds were apportioned for the Statewide call-for-projects while forty percent (40%) of the total funds were apportioned for Metropolitan Planning Organizations (MPOs). MPO apportionment is recommended to be distributed based on their population share. In total, the Southern California Association of Governments' (SCAG) portion represents \$361,151,000. Based on population, San Bernardino County's, share of the MPO portion is \$41,856,000.

As expected, the selection process for ATP Cycle 6 was highly competitive. Unfortunately, San Bernardino County jurisdictions fared even worse in Cycle 6 when it comes to the State

Entity: San Bernardino County Transportation Authority

portion than in Cycle 5, having secured no funding under that category. In Cycle 5, San Bernardino County local jurisdictions received two project awards (totaling nearly \$6.3 million) from the statewide portion of the ATP and four more projects were awarded through the \$10.2 million MPO portion. SBCTA staff will be meeting with the CTC in February in an attempt to better understand why San Bernardino County has been experiencing a decline in awards through the State portion and what can be done in the future to improve.

As with previous cycles, SCAG deferred project rankings to Caltrans and forfeited its option to issue a supplemental regional call-for-projects. The project scoring and rankings received during the Statewide call-for-projects will be used to determine a project award list for the MPO portion. A separate evaluation committee will not be required at the county or regional level within the SCAG region to separately score the infrastructure projects. However, for the selection of the regional MPO projects, up to 20 additional points can be given to projects based on their consistency with a regional plan. The SBCTA Board has always opted to award all supplemental points to every application submitted by our local jurisdictions and agencies and accepted scores given by the CTC review committee.

Based on the ATP project submittal list, SBCTA staff reviewed the applications from the County and determined that all of the projects are consistent with either SCAG's Regional Transportation Plan/Sustainable Communities Strategy (RTP/SCS), SBCTA's ATP and/or local jurisdiction plans. For San Bernardino County, the SBCTA Board adopted the guideline for assigning the additional points for regional consistency in May 2014 for the ATP Cycle 1 process and the same methodology has been used for all subsequent cycles. SBCTA staff is proposing to apply the same methodology for the ATP Cycle 6 process and will assign 20 points to each of the San Bernardino County projects.

The project award list, Attachment A, will be submitted to SCAG for inclusion in the final ranking of regional projects. The adoption of the final recommended project award list will also be brought forward by SCAG staff for approval at their Regional Council meeting. SBCTA staff will continue its collaboration with SCAG staff to implement the regional projects.

Even though the application review scores from the State did not reflect it, San Bernardino County jurisdictions continue to submit many excellent active transportation project applications (21 total projects - see Attachment A for the full list of projects from San Bernardino County) and will receive over twice the amount previously awarded in any one cycle. The approval of this agenda item will pave the way for distributing nearly \$42 million for the completion of eleven (11) active transportation projects to the following eleven (11) jurisdictions: Adelanto, Apple Valley, Barstow, County of San Bernardino, Fontana, Montclair, Needles, Rialto, Twentynine Palms, Upland, and Yucaipa.

The Cities of Barstow and Fontana both scored 89 points which meant both were eligible to split a partial award. SBCTA reached out to both jurisdictions and both have expressed interest in receiving the partial funding. They have until December 20, 2022, to let SCAG know if they intend to proceed with their projects as is, with additional funding from other sources, or to submit a scope change request commensurate with the reduced funding. There have been occasions where some small amount of additional funds has been available to apply to projects for various reasons. In those rare circumstances, SBCTA staff will first use the funds to increase the award amount for partially funded projects and then move on to awarding projects on the

current contingency list. The table below is a history of ATP project submittals and awards through the first six cycles. Dollars are in \$1000s.

	SI	BC Funds	No. of SBC		CTC Funding SRC N							No. SBC		Total	Total No.

AGENDA ITEM: 12

Date: December 14, 2022

Subject:

San Bernardino County Comprehensive Pedestrian Sidewalk Connectivity Plan – Phase II Final Report

Recommendation:

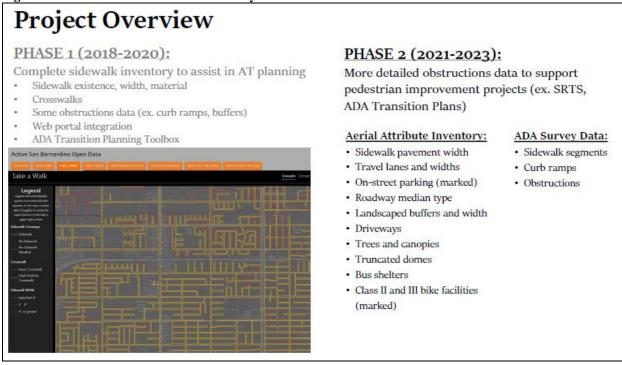

Receive information relating to the completion of the San Bernardino County Comprehensive Pedestrian Sidewalk Connectivity Plan – Phase II Project.

Background:

In March 2021, the San Bernardino County Transportation Authority (SBCTA) Board approved Contract No. 21-1002466 with Fehr and Peers (F&P) for the San Bernardino County Comprehensive Pedestrian Sidewalk Connectivity Plan (Plan) – Phase II in the amount of \$536,905. Development of the Plan was funded by a California Department of Transportation (Caltrans) Sustainable Communities grant award in the amount of \$537,377 (Contract No. 21-1002471).

To assist regional and local agencies in the planning and implementation of pedestrian improvements, SBCTA commissioned an inventory of pedestrian infrastructure to help agencies identify sidewalk gaps and other pedestrian obstructions. The first phase of this Plan inventoried approximately 17,000 miles of sidewalk across San Bernardino County, with attributes containing sidewalk width, condition, and material. Building off of the initial countywide effort, a more refined inventory of pedestrian facilities within the public right-of-way was conducted to support each agency's ongoing efforts to ensure compliance of sidewalks and curb ramps with the American Disabilities Act (ADA). This inventory focused on identifying existing pedestrian barriers that affect pedestrian comfort, connectivity, and access in high demand areas, providing a detailed blueprint for cities to continue the full self-evaluation effort of all remaining sidewalks and curb ramps within their jurisdiction. This blueprint can facilitate future active transportation planning and ADA transition planning efforts. Figure 1 below shows an overview of the work performed during Phase I as compared to the work that was completed in Phase II.

Figure 1. Overview of Sidewalk Connectivity Plan Phases I and II.

Working with F&P, SBCTA will complete Phase II of the Plan by February of 2023 as required by grant guidelines. The data collected in Phase II has been integrated with the results from Phase I into the existing Active San Bernardino Story Map in the Take a Walk tab, which can be viewed at www.gosbcta.com/activesanbernardino, and more specifically summarized into a local-facing ePlan that is accessible by specific agency staff.

The local-facing ePlan for each member agency serves as a foundational guide to help them develop an ADA Transition Plan by outlining the steps required to achieve implementation. These steps include:

- 1. Designating an ADA Coordinator
- 2. Providing Public Notice
- 3. Developing a Grievance Procedure
- 4. Conducting a Self-Evaluation
- 5. Implementing a Transition Plan

The self-evaluation component of a transition plan is critical in assessing the existing conditions of public program facilities to identify where deficiencies exist and the level of remediation that is required. This ePlan kickstarts the self-evaluation of sidewalks and curb ramps and identifies the level of priority based on sidewalk and curb conditions. Figures 2 and 3 highlight a dynamic web application that allows member agencies to view the condition and photos of their sidewalks and curb ramps in high pedestrian demand areas and provides a methodology that they can adopt to achieve a full self-evaluation of all sidewalk and curb ramps within their jurisdiction.

Figure 2. Sample Photo from Database Highlighting Sidewalk in Need of Improvement (segment identification and rating shown on left side of graphic)

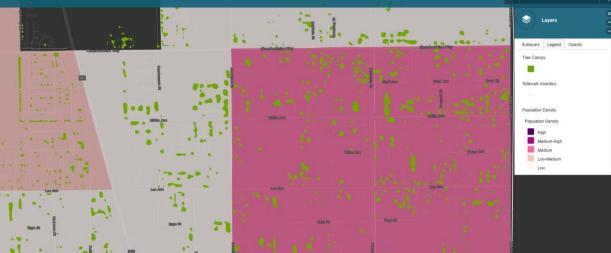

Figure 3. Sample Display Showing Adequacy Evaluation of Curb Ramps

| Layers | Layer

The web application includes additional contextual layers related to the existing transit environment, population density, employment density, and tree canopy as show in Figure 4.

All ADA guidance, data, analysis, media, and references are summarized in a Story Map that serves as the local-facing ePlan (Figure 5).

Figure 5. Exerpt from the Story Map Providing an Overview of the Sidewalk Connectivity Plan Comprehensive **Pedestrian Sidewalk Connectivity Plan** An analysis of the City's pedestrian infrastructure within highdemand areas and the steps needed to implement an ADA Transition Plan. November 15, 2022 ADA Transition Plan Guidance About the Data Viewing the Data Accessing the Data Schedule for Barrier Removal References Overview To assist regional and local agencies in the planning and implementation of pedestrian improvements, SBCTA commissioned an inventory of pedestrian infrastructure to help agencies identify sidewalk gaps and other pedestrian obstructions. The first phase of the Pedestrian Connectivity Plan inventoried approximately 17,000 miles of sidewalk across San Bernardino County, with attributes containing sidewalk width, condition, and SBCTA then secured funding for a second phase to collect additional sidewalk and curb ramp details in high pedestrian demand areas within all San Bernardino County jurisdictions. The intent of this effort is to support each agency's ongoing efforts to ensure compliance with the American Disabilities Act (ADA) as it relates to pedestrian facilities within the public right-of-way. This inventory is focused on identifying barriers that exist only along pedestrian facilities within the public right-of-way and is not inclusive of all potential barriers related to the ADA.

Financial Impact:

This item is consistent with the Fiscal Year 2021/2022 Budget.

Summary Report of the Measure I Five-Year Capital Improvement Plans of Member Agencies

Recommendation:

That the General Policy Committee recommend the Board, acting as the San Bernardino County Transportation Authority:

Accept the Summary Report of the Measure I Five-Year Capital Improvement Plans for Local Pass-Through Funds for Member Agencies for Fiscal Year (FY) 2022/2023 through FY 2026/2027.

Background:

The Measure I Expenditure Plan requires each local jurisdiction to annually adopt a Five-Year Capital Improvement Plan (CIP) that details the specific projects to be funded using Measure I Local Pass-Through Funds. Expenditures must be detailed in the CIP and adopted by resolution of the governing body.

In accordance with Measure I Strategic Plan Policies 40003, 40012, and 40016, the CIP shall:

- 1. Specifically identify improvements to be funded with Measure I Local Pass-Through Funds by street name, boundaries, and project type, or as an eligible program of work.
- 2. Constrain the total amount of planned expenditures to 150% of San Bernardino County Transportation Authority (SBCTA) forecasted revenue for Measure I Local Pass-Through Funds plus any fund balances and/or revenue resulting from bonds secured by Measure I revenue.
- 3. Include total estimated cost of capacity enhancing projects to Nexus Study roadways, the Measure I share of project cost and the development share of cost, as applicable. Maintenance projects or projects that do not enhance the capacity of a roadway do not require a development contribution in the CIP.
- 4. Use the SBCTA-approved forms and/or online database.

In the San Bernardino Valley subarea, 20% of the total Measure I revenue is distributed monthly to the jurisdictions for their Local Streets projects.

In the Rural Mountain/Desert subareas, 68% of the total Measure I revenue is distributed monthly to the jurisdictions for their Local Streets projects. In the Victor Valley subarea, 67% of the total Measure I revenue is distributed monthly to the jurisdictions for their Local Streets projects as 1% has been transferred from the Local Streets Program to the Senior and Disabled Transit Program as per Policy VVLS-7.

Jurisdictions have flexibility to move projects around in their CIP based on the necessities of the jurisdiction. However, in order for a project to be eligible for expenditure of Local Streets funds, the project must be included in the CIP. As the CIP is the basis for the annual audit, if a CIP

Entity: San Bernardino County Transportation Authority

isn't submitted in accordance with the Strategic Plan polices, it could result in an audit finding or withholding of funds until corrected. If changes happen after the CIP has been approved, a revised CIP must be prepared and submitted to SBCTA by September 1 following the end of the Fiscal Year (FY).

Attachment 1 summarizes the CIP project lists as received and approved by the local agencies' approving authorities. SBCTA provides the estimate of available revenues to be included in the CIP, and the jurisdictions determine the amounts programmed for projects for their jurisdiction for FY 2022/2023 through 2026/2027. The CIPs contain locally prioritized and eligible projects for road maintenance, repair and construction.

Attachment 2 contains the Expenditure Strategy provided by each jurisdiction. The Expenditure Strategy provides a general description of the types of uses of Measure I and provides an opportunity for jurisdictions to explain large balances being accumulated for future projects.

A copy of Attachment 1, the Summary Report of the Measure I Five-Year Capital Improvement Plans for FY 2022/2023 through 2026/2027, has been posted on the SBCTA website.

Financial Impact:

This item is consistent with the Fiscal Year 2022/2023 Budget.

MEASURE I EXPENDITURE STRATEGY FISCAL YEARS 2022/2023-2026/2027

Valley Subarea

Chino

The City of Chino will continue to place emphasis on both the regional and sub-regional arterial roadway system during the next five years of the Measure I program. At least 50 percent of the Measure I funds will be earmarked for specific capital projects that are geared toward improving traffic flow and motorist convenience. Failing pavement surfaces will be rehabilitated and traffic striping modified as needed to accommodate increased traffic demand, and intersection capacity will be improved with new and modified traffic signals. In addition to the above capital projects program, Chino will continue to allocate up to 50 percent of the annual Measure I funds toward public works maintenance activities. Maintenance work will continue to include the City's traffic signal maintenance, sidewalk and curb repair, and pavement repair and overlay on the local street system.

Chino Hills

It is the City of Chino Hills' intent to expend Measure I revenue for the following types of projects:

- Construction of the City's Annual Street Improvement Program: Overlay and/or slurry seal of specified streets to maintain a high level of pavement trafficability.
- Make on-going repairs/improvements to the City's sidewalks.
- Provide funding to address ADA accessibility issues within the City's public right-of-way.

Colton

The City of Colton allocates approximately eighty-five (85%) of FY 2022/2023 Measure I projected revenue for street infrastructure pavement rehabilitation. Delivery of these improvements is focused on streets with low pavement condition index (PCI) rating. Improvements includes asphalt paving and restriping. Measure I funds are also being used to provide local match for federal and state grant funded projects; these projects are focused on improving Colton's infrastructure and/or transportation system for pedestrian/bicycle/vehicular traffic. The remaining fifteen percent (15%) of the City's FY 2022/2023 Measure I projected revenue are allocated to Active Transportation components such as sidewalk, handicap ramp installation, and other traffic safety improvements. All identified improvements are consistent with the goals of the city's General Plan Circulation Element.

Fontana

Measure I pass through funds will be used by the City of Fontana for variety of transportation related projects with the goal of continuing to invest in the city's infrastructure by maintaining and improving the city's existing infrastructure. It is the intent of the City to expend all of the Masure I passs through funds as they are received. The program provided focuses on relief of traffic congestion.

Grand Terrace

The City of Grand Terrace has adopted a Measure I expenditure strategy that focuses on improvements to existing facilities through an annual Pavement Management Program. The City of Grand Terrace currently has a carryover balance of over \$407,810 in the Measure I Local Stree Fund and anticpates \$318,116 in new revenue for FY22/23. The City of Grand Terrace is planning to use the entire carryover funds and new revenue in its entirely to resurface main artierals in the City. In addition to slurry and pavement rehabilitation treatment of City streets, the expenditure strategy includes: a tree trimming program to increase visibility along roadways, as well as other necessary improvements to the right of way as needed.

Highland

The City of Highland intends to expend Measure I Local Street Program Pass-Through revenue primarily to (1) improve pavement conditions of the City's roadway network by constructing various pavement management projects including pavement rehabilitation, overlay, slurry seal and crack seal projects, and (2) provide local match to grant funding of roadway/bikeway improvement projects.

Loma Linda

The City of Loma Linda is intent upon efficiently maintaining our existing roadway system. The streets in Loma Linda are constructed of asphalt concrete (AC). These streets are in various stages of their life expectancy. A typical AC street improvement has a life expectancy of 15-20 years. Through proper pavement management, this can be extended by as much as 20 years. Our strategy is to utilize a combination of slurry seal method, grind and overlay the top 0.1′ and pulverize existing AC for base and repave for rehabilitation. This pavement management program has shown to be effective in delaying the eventual complete reconstruction, including subgrade, of a roadway segment.

Measure I funding is critical to this effort. We have dedicated the majority of funding to maintenance activities as described above along with the adjacent sidewalk, curb and gutter and access ramp maintenance. A portion of funding is earmarked for addressing increased capacity demand along certain segments that have experienced growth. New roadway segments are considered and addressed through development planning. Development impact fees are utilized for expansion due to growth. The current carryover balance in the Measure I Local Street fund will be utilized first

Montclair

The City of Montclair plans on using Measure I as matching funds for federal funds associated with the design and construction of the Central Bridge at the Union Pacific Railroad tracks. The funds will also be utilized to service the I-10/Monte Vista Interchange Term Loan Agreements in place. The City also intends to expend Measure I funds on maintenance of City streets to the extent permissible under SBCTA policies.

MEASURE I EXPENDITURE STRATEGY FISCAL YEARS 2022/2023-2026/2027

Ontario

The City of Ontario's Expenditure Strategy is to upgrade the City's roadway system by programming the annual Measure I revenue towards improvements ranging from maintenance work, overlay work, and major street reconstruction. Projects chosen will be selected from current pavement management studies, areas of traffic flow issues, and the Five-Year Capital Improvement Plan. Projects may include safety related items such as upgrading traffic signals, updating striping, and ADA ramps as needed. Roadways to be improved can range from residential to arterial. Funding is to be used in an effective and responsible manner to ensure the best benefit to the residents of the City of Ontario.

Rancho Cucamonga

The City currently has an estimated carryover balance of approximately \$4.9 million in the Measure I Local Street fund and anticipates approximately \$4.5 million in new revenue for Fiscal Year 2022/23. In this next fiscal year, the City is planning to use approximately \$3.6 million on local street capital projects and programs as follows:

Type of Improvement	Estimated Cost FY 2022/23	Percentage
Maintenance, Rehabilitation, and Repair of Existing Roadways	\$1.9 million	53%
Traffic Signal Improvements, Pavement Striping, and Maintenance	\$1.2 million	33%
Concrete Services (ADA, Repairs and Sidewalks)	\$500,000	14%

The remaining revenue estimated at approximately \$900,000 is being accumulated for future projects. Over the Five-Year Plan it is anticipated that the funds will be allocated in the following manner:

Type of Improvement	Estimated Cost FY 2022/23 - 2026/27	Percentage
Maintenance, Rehabilitation, and Repair of Existing Roadways	\$9.4 million	53%
Traffic Signal Improvements, Pavement Striping, and Maintenance	\$6.0 million	34%
Concrete Services (ADA, Repairs and Sidewalks)	\$2.3 million	13%

Redlands

The City of Redlands intends to use Measure I dollars to partially fund the City's City Council-approved Pavement Management Program (PMP). The City's Pavement Management Program, which provides a decision making matrix in identifying streets that are priority paving projects, will be used to determine future Measure I Capital Improvement Plans.

Rialto

The City of Rialto intends to utilize Measure I for streets and right of way maintenance programs, street reconstruction and improvements.

The majority of projects are structured for implementation within the five-year planned schedule. The City intends to accumulate Measure I revenue for specific large project(s) that may span multiple years and budget carried forward appropriately until completion of the project(s).

San Bernardino

The City of San Bernardino will continue to place emphasis on both its regional and sub-regional arterial roadway system. At least fifty percent of the City's Measure I allocation will be earmarked for specific capital projects that are geared toward improving traffic flow and motorist convenience. Failing pavement surfaces will be rehabilitated and traffic striping modified as needed to accommodate increased traffic demand; and intersection capacity will be improved with new and modified traffic signals. In addition to the above Capital Improvement Program, San Bernardino will continue to allocate up to fifty percent of its annual Measure I funds towards public works maintenance activities. Maintenance work will continue to include the City's traffic signal systems, sidewalk and curb repair, and pavement repair and overlay on the local street system.

Upland

The City of Upland's existing road network is fairly well established. Therefore, the City's primary use of Measure I Funds will be for the reconstruction and maintenance of existing City streets. It is the City's intent to design and begin construction of the project the same year the project is identified in the Five-Year Capital Improvement Plan.

Yucaipa

Each jurisdiction shall adopt a Measure I Capital Improvement Plan Expenditure Strategy as part of the annual Capital Improvement Plan adoption. The Expenditure Strategy is not intended to be a narrative description of the projects listed in the Capital Improvement Plan. Instead, the Expenditure Strategy should provide the policy approach adopted by the Council for the expenditure of Measure I funds. The jurisdictional Expenditure Strategy provides an opportunity to document circumstances or analyses which are not otherwise apparent when reviewing the Measure I Capital Improvement Plan. Beginning with the 2014-215 Fiscal Year, the City of Yucaipa has allocated 100% of Measure I revenues to the maintenance of existing streets. Those maintenance efforts are delivered through the City's annual Pavement Management Program (PMP) included in the Capital Improvement Program (CIP) approved and adopted as part of the City's annual budget in June of every year. The attached documents are pages from the adopted/approved FY2022/2023 Budget for the City of Yucaipa.

San Bernardino County

The County intends to expend Measure "1" revenue for a variety of eligible transportation related projects, which includes rehabilitation and maintenance of pavement surfaces countywide (including, but not limited to, asphalt concrete reconstruction, asphalt concrete overlay, surface seals routine patching of existing asphalt concrete and Americans with Disabilities Act improvements) and may include projects to improve circulation, drainage and traffic control devices.

MEASURE I EXPENDITURE STRATEGY FISCAL YEARS 2022/2023-2026/2027

Colorado River Subarea

Needles

THE CITY INTENDS TO ACCUMULATE MEASURE I REVENUE FOR THE SPECIFIC LARGE PROJECTS LISTED (i.e., "PAY-AS" YOU GO'J. PLEASE REFER TO THE LIST OF PROJECTS ON THE ATTACHED FIVE-YEAR CAPITAL IMPROVEMENT PLAN FOR OUR CITY.

San Bernardino County

The County intends to expend Measure "I" revenue for a variety of eligible transportation related projects, which includes rehabilitation and maintenance of pavement surfaces countywide (including, but not limited to, asphalt concrete reconstruction, asphalt concrete overlay, surface seals routine patching of existing asphalt concrete and Americans with Disabilities Act improvements) and may include projects to improve circulation, drainage and traffic control devices.

Morongo Basin Subarea

Twentynine Palms

Pay as you go

Yucca Valley

Elderly/Handicapped Fund: All revenue in the Elderly and Handicapped fund is expended by the Morongo Basin Transit Authority for necessary programs.

Local Street Program (LSP): Measure I Local Streets revenues are allocated to a number of projects, including reconstruction/rehabilitation/maintenance and engineering/design of arterials and residential roads, annual studies and/or reports such as pavement management program updates, traffic census reports, and similar activities. Local street program funds also pay expenditures for personnel on the Town's street crew.

Major Local Highways Program (MLH): Measure I Major Local Highway revenues are managed by SBC TA. By September 30th of each year, the Town shall submit a written request to SBCTA specifying the scope of the project(s), the requested amount and other fund sources required to fully fund the project(s).

San Bernardino County

The County intends to expend Measure "1" revenue for a variety of eligible transportation related projects, which includes rehabilitation and maintenance of pavement surfaces countywide (including, but not limited to, asphalt concrete reconstruction, asphalt concrete overlay, surface seals routine patching of existing asphalt concrete and Americans with Disabilities Act improvements) and may include projects to improve circulation, drainage and traffic control devices.

Mountains Subarea

Big Bear Lake

Measure I pass through funds will be used by the City of Big Bear Lake for a variety of transportation related projects, including reconstruction of existing roadways, installation of drainage systems with associated road widening, maintenance of existing roadways and support of the local transit authority. The funds are allocated at 25%, 70%, and 5% respectively for arterial, local, and transit projects. It is the intent of the City to expend all Measure I pass through funds as they are received. The City of Big Bear Lake plans on constructing the Fiscal Year 2022-23 Street Rehabilitation Project. This major project includes rehabilitation of approximately 350,000 SF of paved surface, as well as improvements to the drainage systems along portions of the roadways. The City has annual street rehabilitation projects scheduled each year, through 2027, with a goal of rehabilitating approximately 4 miles of roadway each year. Streets identified for re-construction are chosen based on their classification within the City's Pavement Management Plan and in coordination with the local utilities. Extensive re-construction of existing utilities by the utility companies is scheduled for the next five years and is being carefully coordinated with City paving projects to minimize conflicts in newly reconstructed roads. All construction funds are being expended to maintain, improve and/or re-construct existing city roadways.

San Bernardino County

The County intends to expend Measure "I" revenue for a variety of eligible transportation related projects, which includes rehabilitation and maintenance of pavement surfaces countywide (including, but not limited to, asphalt concrete reconstruction, asphalt concrete overlay, surface seals routine patching of existing asphalt concrete and Americans with Disabilities Act improvements) and may include projects to improve circulation, drainage and traffic control devices.

North Desert Subarea

Barstow

Each year, the City receives approximately \$2 million in Measure "I" funds. In this fiscal year, the City is planning to use its annual Measure "I" allocation towards several grant's local match requirements that meet Measure I eligible expenditures and for the designing, rehabilitating, maintaining, and reconstruct of City streets.

San Bernardino County

The County intends to expend Measure "I" revenue for a variety of eligible transportation related projects, which includes rehabilitation and maintenance of pavement surfaces countywide (including, but not limited to, asphalt concrete reconstruction, asphalt concrete overlay, surface seals routine patching of existing asphalt concrete and Americans with Disabilities Act improvements) and may include projects to improve circulation, drainage and traffic control devices.

MEASURE I EXPENDITURE STRATEGY FISCAL YEARS 2022/2023-2026/2027 Victor Valley Subarea

Adelanto

The City of Adelanto's Measure I expenditure strategy for 2022-2027 is to utilize existing carryover funds that have accumulated over previous cycles with anticipated revenues over the next 5 years to repave and repair critical segments of arterial roadways. This will also include minor improvements as recommended in Adelanto's Local Road safety Plan (LRSP). Categorical maintenance projects include potholes, crack sealing, concrete reapirs, striping and signage replacement. The remaining funds will be used primarily in rehabilitating roads which are in critical need, or for construction of a new major street.

Apple Valley

Measure I Local Pass-Through Funds will be used by the Town of Apple Valley for a variety of transportation related projects, including adding capacity to our regional arterial system, reconstruction, and regular and periodic maintenance of existing roadways. These Measure I funds allocated for the Town's local street program (68%) are allocated with a minimum of 50% of the funds expended on these roads identified specifically on our plan (categorical). For those roads specifically identified within the plan, some require that the Town accumulate Measure I revenue for such large projects. The balance of these funds, up to 50% of the total fund are identified for reconstruction and regular maintenance chosen based on the Town's priority within the Town's Pavement Management Program (non-categorical).

Hesperia

The majority of Measure I revenue is planned to be utilized for the following types of eligible transportation improvements and policy prioritizations:

- Intent to allocate 50% or less of anticipated annual revenue on General Program Categorical expenditures. Specifically, the Measure I funds
 will be utilized annually to supplement the City's Street Division General Maintenance Program. This includes preservation and upkeep of
 existing and newly reconstructed roads to original constructed condition in order to maintain its integral useful life and to provide safe,
 convenient, and practical intercity transportation.
- Intent to allocate the remaining 50% of the anticipated annual revenue on the rebuilding and betterments of local roadways and alternative transportation. Local roadway betterments are scheduled to be completed under the Park and Ride Expansion Project, the Ranchero Road Aqueduct Crossing Project, Ranchero Road Improvements from 7th Avenue to Mariposa Road, traffic signals at Ranchero Road and Maple Avenue, Ranchero Road and Seventh Avenue as well as Ranchero Road and Cottonwood Avenue, the Sultana Street Improvements, the Muscatel Street Improvements, the Cedar Street Roadway Improvements, Maple Avenue Street Improvements, Aqueduct Crossing Improvements, Kaiser Permanente Way Extension, and FY 2019-20 CDBG Street Improvements.
- Beginning in Fiscal Year 2018/19, the first payment of the Ranchero Road Interchange Public Share Reimbursement was due to the San Bernardino County Transportation Authority (SBCTA). This 10 year payback agreement between the City and SBCTA allowed the advancement of the Ranchero Road interchange project whereby the City borrowed its local share of the project funding from SBCTA. The City obligated Development Impact Fees (DIF) as the source of this repayment, but if insufficient DIF fees are collected, SBCTA will withhold the City's annual Measure I allocation to make the payment whole on an annual basis. Currently the City anticipates that revenue from DIF will cover the Reimbursement for fiscal years 2022-23 and 2023-24. The Reimbursement is included in the MICIP report for future fiscal years after FY 2023/2024 as a placeholder to prepare for the possibility of a reduction in DIF fees which would result in payments made from Measure I funding.

Victorville

The City of Victorville's Measure I Capital Improvement Expenditure Strategy balances expenditures between different categories of projects based on the City's needs. The project categories include the following: new construction; reconstruction and rehabilitation; maintenance; preliminary engineering and environmental studies; right of way acquisition; and final design. Also included are categorical expenditures for maintenance of roads, traffic controls, traffic signals, traffic engineering and the purchase of vehicles or equipment for street related purposed. New construction can include widening existing roads and bridges, construction of bikeways, sidewalks, and curb ramps as an integral part of the street system, and new traffic signals. Reconstruction and rehabilitation can include bridge improvements, removing and replacing pavement sections, asphalt-concrete overlays of one inch or more in thickness or various other methods, including re-striping for bike lanes. Maintenance of roads can include overlays less than one inch, cape seals and slurry seals. Traffic control includes the maintenance and operation of signing and striping including sign and marking replacements and new signs and markings. Traffic signal maintenance includes operations and maintenance for traffic signals and various equipment replacements or upgrades Traffic engineering encompasses all traffic engineering activities.

San Bernardino County

The County intends to expend Measure "1" revenue for a variety of eligible transportation related projects, which includes rehabilitation and maintenance of pavement surfaces countywide (including, but not limited to, asphalt concrete reconstruction, asphalt concrete overlay, surface seals routine patching of existing asphalt concrete and Americans with Disabilities Act improvements) and may include projects to improve circulation, drainage and traffic control devices.

3/16/17 1 of 2 **Acronym List**

This list provides information on acronyms commonly used by transportation planning professionals. This information is provided in an effort to assist Board Members and partners as they participate in deliberations at Board meetings. While a complete list of all acronyms which may arise at any given time is not possible, this list attempts to provide the most commonly-used terms. Staff makes every effort to minimize use of acronyms to ensure good communication and understanding of complex transportation processes.

MISSION STATEMENT

Our mission is to improve the quality of life and mobility in San Bernardino County. Safety is the cornerstone of all we do.

We achieve this by:

- Making all transportation modes as efficient, economical, and environmentally responsible as possible.
- Envisioning the future, embracing emerging technology, and innovating to ensure our transportation options are successful and sustainable.
- Promoting collaboration among all levels of government.
- Optimizing our impact in regional, state, and federal policy and funding decisions.
- Using all revenue sources in the most responsible and transparent way.

Approved December 4, 2019
