

As construction continues on the I-10 Express Lanes project, work in the City of Ontario will generally occur Monday through Friday during daytime (6:00 a.m. to 4:00 p.m.) and nighttime (9:00 p.m. to 5:00 a.m.) hours, except as noted below. Please remember, all construction is dynamic and the schedule is subject to change.

## ALERTS:

### 55-hour Freeway Lane and Ramp Closures for Pavement Operations:

- Scheduled for Friday, September 23 at 10:00 p.m. through Monday, September 26 at 5:00 a.m. three lanes of westbound (WB) I-10 from Holt Boulevard to Vineyard Avenue will be closed. Two lanes will remain open. The WB Vineyard Avenue off-ramp and Vineyard Avenue straight and loop on-ramps will also be closed. Detour routes will be posted.

### Directional Freeway Closures for Girder Installation:

- Wednesday, September 28 and Thursday, September 29 from 10:00 p.m. to 5:00 a.m. WB I-10 will be closed at Euclid Avenue. Southbound (SB) Euclid Avenue will also be closed. Detour routes will be posted.
- Friday, September 30 and Saturday, October 1 from 11:00 p.m. to 7:00 a.m. Eastbound (EB) I-10 will be closed at Euclid Avenue. Motorists will be routed off and back on the freeway using the Euclid Avenue ramps. Euclid Avenue over I-10 will be closed. Detour routes will be posted.

**For the most up-to-date closures and detours, please visit the project's [Google Map by clicking HERE](#).**

## Bridge Demolition and Construction

Eighteen bridges throughout the corridor are being replaced, widened, or improved to accommodate the widening of the freeway. During times of demolition, shoring, and backfilling, work will be loud and vibration will occur. You will see bright lights and hear equipment including excavators, backhoes, loaders, and dump trucks. Bridge activities in Ontario include:

- **Benson Avenue:** A portion of the EB and WB I-10 shoulder over Benson Avenue was removed and is being rebuilt into a wider configuration. This work is scheduled to be complete in summer 2023. Benson Avenue is closed under the I-10 to vehicular traffic through the middle of November. Daytime and nighttime activities include backfilling soil and building portions of the bridge.
- **Mountain Avenue:** The outer portions of the EB and WB I-10 over Mountain Avenue were demolished and are being rebuilt into a wider configuration. This work is scheduled to be complete in fall 2022. Daytime and nighttime activities include building portions of the bridge and utility work.
- **San Antonio Avenue:** San Antonio Avenue is closed to prepare the bridge for demolition. The bridge was demolished in late August. The new bridge is scheduled to open in spring 2023. Daytime activities include installing steel plates into the ground (shoring) and earthwork.
- **Euclid Avenue:** Crews demolished and rebuilt the east side of the bridge. The west side of the bridge was demolished in April 2022 and is expected to be complete in fall 2022. Daytime and nighttime activities include backfilling soil, removing steel plates from the ground (shoring), and building portions of the bridge.
- **Sultana Avenue:** The Sultana Avenue bridge over I-10 is now open.

**ABOUT THE PROJECT:** Phase 1 of SB Express Lanes is located in the southwestern portion of San Bernardino County east of Los Angeles County between the Los Angeles/San Bernardino County line and I-15. The project includes two express lanes in each direction to offer trip reliability and ease congestion. In addition, lanes to assist drivers getting on and off the freeway (auxiliary lanes) will be constructed in selected locations. West of Haven Avenue, a single new lane will be constructed and combined with the existing HOV lane to provide two express lanes in each direction. The HOV lane will still be available to motorists, but will increase from 2+ to 3+. East of Haven Avenue, two express lanes will be constructed.

- **Campus Avenue:** Campus Avenue over I-10 was demolished in October 2021. The new bridge is scheduled to open in winter 2022. Daytime and nighttime activities include removing steel plates from the ground (shoring) and utility work.
- **6th Street:** 6th Street over I-10 was demolished in October 2021. The new bridge is anticipated to open summer 2023.
- **Grove Avenue:** A portion of the EB and WB I-10 shoulder over Grove Avenue was removed in December 2020. Grove Avenue under I-10 will be closed intermittently during nighttime hours. Daytime activities include pouring concrete.
- **4th Street:** Crews continue to relocate underground utilities at 4th Street and are building a new wider section of the EB side of the freeway. Work on 4th Street began in spring 2020 and is anticipated to be complete in fall 2023. 4th Street between El Dorado Avenue and Baker Avenue is reduced to one lane in each direction during daytime hours and may be closed during nighttime hours (businesses will remain accessible). Daytime and nighttime activities include installing soundwalls and utility installation and relocation.
- **Vineyard Avenue:** The east side of Vineyard Avenue over I-10 was partially demolished in March 2021 and is being rebuilt into a wider footprint to accommodate the Express Lanes. Work is expected to be complete in spring 2023. Vineyard Avenue over I-10 may have reduced lanes during daytime and nighttime hours. Daytime and nighttime activities include utility work.
- **Cucamonga Wash Bridge:** The widening of the I-10 over the Cucamonga Wash is complete.
- **Day Canyon Channel:** The widening of the I-10 over Day Canyon Channel is complete.

### Retaining and Sound Wall Work:

Crews will continue to demolish and rebuild retaining walls and sound walls at several locations near the EB and WB lanes of I-10 intermittently between Mountain Avenue and Haven Avenue. This work will be loud and vibration will occur. Equipment used includes excavators, backhoes, loaders, dump trucks, and concrete mixing trucks.

Retaining walls and sound walls are located on State property next to the freeway. K-rail is placed on the freeway shoulders and crews work between the k-rail and wall locations. Once walls are demolished, materials are removed so crews can prepare the land for the replacement wall.

Daytime Retaining and Sound Wall Activity: Work will occur Monday through Friday between 6:30 a.m. and 4:00 p.m. Streets adjacent to this work includes:

- N. Boulder Avenue
- N. Granite Avenue
- N. Cypress Avenue
- San Antonio Avenue
- N. Amber Court
- N. Beverly Court
- N. Oakland Avenue
- Euclid Avenue
- E. Deodar Street
- E. Alvarado Street
- 6<sup>th</sup> Street
- Campus Avenue
- E. Princeton Street
- N. Grove Avenue
- N. Virginia Avenue
- E. 5<sup>th</sup> Street
- E. 4<sup>th</sup> Street
- E. Shelby Street
- N. Archibald Avenue

## Local Street Closures:

Crews are removing sound walls and retaining walls, relocating utilities, and removing trees on several local streets adjacent to the I-10; at times this work may be loud and you may feel vibration. One side of the sidewalk will always remain open.

- Benson Avenue under I-10 closed through Wednesday, November 9

Daytime and/or nighttime lane closures, streets will remain open:

- Mountain Avenue, San Antonio Avenue, Euclid Avenue, Sultana Avenue, 4<sup>th</sup> Street, Fresno Avenue, Princeton Avenue, and Vineyard Avenue

Nighttime street closures, detour routes will be posted:

- Grove Avenue: NB/SB street intermittently closed under I-10
- 4th Street: NB/SB street closed under I-10
- Vineyard Avenue: NB/SB street intermittently closed over I-10

## Ramp Closures:

- In May 2022, the WB I-10 on-ramp from SB Euclid Avenue closed for construction for approximately seven months. Motorists traveling SB on Euclid Avenue and both directions on 7<sup>th</sup> Street are able to access the WB I-10 Euclid Avenue loop on-ramp. Temporary traffic lights are in place to assist motorists entering the WB I-10 loop on-ramp.
- As part of the 55-hour closure the following ramps will be closed:
  - Friday, September 23 at 10:00 p.m. **through** Monday, September 26 at 5:00 a.m.
    - WB Vineyard Avenue off-ramp and WB Vineyard Avenue straight and loop on-ramps

Intermittent nighttime EB and WB on- and off-ramp closures, detour routes will be posted:

- |                   |                    |                   |
|-------------------|--------------------|-------------------|
| • Mountain Avenue | • Archibald Avenue | • Milliken Avenue |
| • Euclid Avenue   | • Holt Boulevard   | • Etiwanda Avenue |
| • Vineyard Avenue | • Haven Avenue     |                   |
